**A Doody's Core Title ESSENTIAL PURCHASE 5 STAR DOODY'S REVIEW**

The book is for anyone who has the remotest association with the practice of medicine be they internists, surgeons, nurses, technical staff or counselors. This is the authority and in a time of readily available but not always accurate information, this is the one source that can be relied upon. This is one of the absolute pillars of any medical library. It is the final word in internal medicine and we all owe a debt of gratitude to the editors and contributors who have created this extraordinary authority in medicine.

**Doody's Review Service MORE THAN TRUSTED BEYOND ESSENTIAL**

The #1 selling medical textbook worldwide, Harrison's has defined internal medicine for millions of clinicians and students. The new 17th Edition retains Harrison's acclaimed balance of pathobiology, cardinal signs and manifestations of disease and best approaches to patient management yet has been massively updated to give you an innovative array of bold new features and content. If ever there was one must-have resource for clinicians and students, this is it.

**UNMATCHED EXPERTISE AT YOUR FINGERTIPS**

As an unprecedented amount of medical information bombards you and your patients, where do you go to sort it out and make sense of it all? When your patients request clarification on something they've printed off, where do you turn for expert explanations? The same trusted resource physicians and students have turned to for more than fifty years, Harrison's Principles of Internal Medicine. Now more than ever, trust Harrison's to filter and clarify the exploding knowledge base to highlight the breakthroughs and to deliver a clear, balanced distillation of the best and most current information on which to base clinical decisions.
