Expanding Adaptation Networks Kate Newell, 2017-05-22 This book addresses print based modes of adaptation that have not conventionally been theorized as adaptations such as novelization illustration literary maps pop up books and ekphrasis It discusses a broad range of image and word based adaptations of popular literary works among them The Wizard of Oz Alice in Wonderland Daisy Miller The Strange Case of Dr Jekyll and Mr Hyde Moby Dick and Adventures of Huckleberry Finn The study reveals that commercial and franchise works and ephemera play a key role in establishing a work s iconography Newell argues that the cultural knowledge and memory of a work is constructed through reiterative processes and proposes a network based model of adaptation to explain this Whereas most adaptation studies prioritize film and television this book s focus on print invites new entry points for the study of adaptation

Transforming Early Learners into Superb Readers Andrea M. Nelson-Royes, 2012-10-18 Transforming Early Learners into Superb Readers Promoting Literacy at School at Home and within the Community aids elementary educators reading specialists school administrators private and public educators parents and caregivers who want to help early learners become proficient readers The early years are the most important for children because they are the formative years so it is vital for children to build a solid reading foundation when they are most receptive Andrea Nelson Royes contends that if all these individual players collectively help to develop a child s reading readiness all children may thrive from a high quality education and a love of literacy

The Poltergeist Phenomenon Michael Clarkson, 2025-09-12 A poltergeist is defined as a disturbance or energy with bizarre physical effects of paranormal origin that suggest mischievous or destructive intent such as breaking or moving objects and loud knocks or noises The

Poltergeist Phenomenon is an exciting original look at an old subject by an award winning investigative reporter The author has reviewed 75 cases and interviewed hundreds of witnesses paranormal experts law enforcement officers psychologists and skeptics to come up with eye opening results The typical poltergeist case involves a young person from a repressed home who is going through puberty He or she may have epilepsy which produces recurrent spontaneous psychokinesis a state in which gravity is temporarily suspended A respected former Princeton University scientist believes he has proven in laboratory experiments that psychokinesis exists and that poltergeist cases are probably true This rare energy may be part of a person s fight or flight system which is hardwired into everyone and can erupt in certain conditions □□□□ 2014.02.
