The Tree of Life Susie Stone, 2018-04-07 Reading through my family archives I found the following post In her youth John Crenshaw gave an army sergeant a five dollar gold piece to release her to him I was intrigued I wanted to know what had happened to this couple John Crenshaw and the Cherokee Indian maiden What did this five dollar gold piece play in the story as I read about their lives set in those before and after years of the Civil War I became fascinated with the information that I could piece together to tell the story of two Cheyenne Indian women and their chosen lives through diversity the Civil War and their family my ancestors While I created some parts in fiction to embellish the story the written actions of each resilient woman were true bonded together with the telling of their lives I was proud to write their stories of love and dedication and I began to know them as actual women creating my own tree of life These two women were my great grandmother and great great grandmother I was intrigued to read of their lives and connected them to my own life My father had always told me stories of his Indian grandmother LeAnna Crenshaw Stone and now I had actually found her story Through the archives I enabled her life to be told again Go now to your dwellings to enter into the days of your life together Elliot Arnold 1947

Proverbs and the African Tree of Life Dorothy BEA Akoto-Abutiate,2014-08-07 In Proverbs and the African Tree of Life Dorothy BEA Akoto Abutiate juxtaposes chosen sayings from Proverbs and selected Ewe Folk proverbs using the agricultural metaphor of grafting which she calls a hermeneutic of grafting Though these two sets of sayings come from completely different cultural contexts Akoto argues that folk sayings proverbs which abound in Africa should be considered as an already mature established tree on to which a piece of the biblical tree is spliced or engrafted to produce hybridized fruits that have uniquely different tastes than the fruits of each tree individually This metaphorical grafting process allows the message of the Bible in Proverbs to be understood imbibed and appropriated in Africa
