Home Game An Accidental Guide To Fatherhood:

Home Game Michael Lewis, 2010-06-07 The New York Times bestseller Hilarious No mushy tribute to the joys of fatherhood Lewis book addresses the good the bad and the merely baffling about having kids Boston Globe When Michael Lewis became a father he decided to keep a written record of what actually happened immediately after the birth of each of his three children This book is that record But it is also something else maybe the funniest most unsparing account of ordinary daily household life ever recorded from the point of view of the man inside The remarkable thing about this story isn't that Lewis is so unusual It's that he is so typical The only wonder is that his wife has allowed him to publish it **Quicklet**

on Michael Lewis' Home Game: An Accidental Guide To Fatherhood Karen Lac, 2012-04-04 ABOUT THE BOOK Parenthood is an experience often talked about but rarely understood by those who have not gone through it It is an experience that can hardly be described in words Author Michael Lewis in Home Game An Accidental Guide to Fatherhood never claims that he has written a definitive account of fatherhood Contrary to the title the book is not even really a guide to what one should expect and do when becoming a father Rather it is Lewis personal account of his experience of becoming a father to and raising three children Reading much like a diary he takes the reader on the journey that he and his wife Tabitha Soren went through Through Lewis personal account the reader gets a glimpse of what fatherhood is like Or more accurately what fatherhood was like for one man MEET THE AUTHOR Based in the San Francisco Bay Area Karen Lac has been writing since 1999 Her articles have appeared in print in The Occidental Weekly Her writing reflects her broad interests She writes travel entertainment political commentary health nutrition food education career and legal articles for numerous websites She holds a Bachelor of Arts in English Literature and a Bachelor of Arts in politics both from Occidental College EXCERPT FROM THE BOOK When Lewis became a father the only role model he had was his own father His own father like many men of that time whose primary responsibility was to provide economic security wasn't really involved in raising him The bulk of the dirty work was done by his mom Now fathers are expected to be involved Lewis knows that some people think that he should do more to help his wife out with the kids while there are others who think he's a saint for how much he does Lewis makes it clear in his book that as of yet there is no ideal model of fatherhood If there was then fatherhood and parenting in general wouldn't be so difficult and surprising Today fatherhood as practiced by Lewis father and that of most other fathers would be frowned upon and considered to be neglect CHAPTER OUTLINE Quicklet on Michael Lewis Home Game An Accidental Guide To Fatherhood About Home Game An Accidental Guide to Fatherhood Michael Lewis The Father Who Wrote an Accidental Guide to Fatherhood Overall Summary of Home Game An Accidental Guide to Fatherhood by Michael Lewis Chapter by Chapter Commentary Summary of Home Game An Accidental Guide to Fatherhood by Michael Lewis and much more Michael Lewis Home Game An Accidental Guide To Fatherhood *Why We Write* Meredith Maran, 2013-01-29 Twenty of America's bestselling authors share tricks tips and secrets of the successful writing life Anyone who's ever sat

down to write a novel or even a story knows how exhilarating and heartbreaking writing can be So what makes writers stick with it In *Why We Write* twenty well known authors candidly share what keeps them going and what they love most and least about their vocation Contributing authors include Isabel Allende David Baldacci Jennifer Egan James Frey Sue Grafton Sara Gruen Kathryn Harrison Gish Jen Sebastian Junger Mary Karr Michael Lewis Armistead Maupin Terry McMillan Rick Moody Walter Mosley Susan Orlean Ann Patchett Jodi Picoult Jane Smiley Meg Wolitzer

Summary and Analysis of The Big Short: Inside the Doomsday Machine Worth Books,2017-03-07 So much to read so little time This brief overview of *The Big Short* tells you what you need to know before or after you read Michael Lewis s book Crafted and edited with care Worth Books set the standard for quality and give you the tools you need to be a well informed reader This short summary and analysis of *The Big Short* by Michael Lewis includes Historical context Chapter by chapter overviews Character profiles Detailed timeline of events Important quotes Fascinating trivia Glossary of terms Supporting material to enhance your understanding of the original work About *The Big Short* by Michael Lewis The writing was on the wall long before the extent of America s worst financial meltdown since the Great Depression was made public The mortgage bond market had become burdened with subprime loans most of which were deceitful in their origination and ultimately resulted in delinquencies and foreclosures Michael Lewis s *The Big Short Inside the Doomsday Machine* takes the reader behind the scenes introducing the players and Wall Street institutions that unscrupulously helped fuel the housing bubble as well as the few who not only foresaw the crash but placed bets on the outcome The summary and analysis in this ebook are intended to complement your reading experience and bring you closer to a great work of nonfiction

Parenting in the Present Moment Carla Naumburg,2014-10-14 This generation of parents is overwhelmed with parenting advice Carla Naumburg sets out to remind them that they have everything they need to raise healthy happy children Mindful parenting is about paying attention to what is going on with your children and yourself without judging it or freaking out about it or thinking everyone including yourself and your child should be doing something differently In *Parenting in the Present Moment* Naumburg shares what truly matters in parenting connecting with children in ways that are meaningful to them and you staying grounded amidst the craziness of parenting and staying present for whatever life throws your way With reassuring compassionate storytelling she weaves the most current theories about healthy relationships compassionate self care and mindfulness throughout vignettes of her own chaotic childhood and parental struggles She shows how mindfulness creates a solid foundation for any style of parenting regardless of your cultural background socio economic status or family structure She also introduces the STAY model for tough times Stop whatever it is you re doing Take a Breath Attune to you thoughts and those of your child and Yield to what is happening so you can respond from a place of connection and compassion Parenting is an ongoing journey that constantly challenges every parent *Parenting in the Present Moment* will help each family find its own way

The Philosophy of Envy Sara Protasi,2021-07-15 Envy is almost universally condemned and feared But is its bad reputation always warranted In this

book Sara Protasi argues that envy is more multifaceted than it seems and that some varieties of it can be productive and even virtuous Protasi brings together empirical evidence and philosophical research to generate a novel view according to which there are four kinds of envy emulative inert aggressive and spiteful For each kind she individuates different situational antecedents phenomenological expressions motivational tendencies and behavioral outputs She then develops the normative implications of this taxonomy from a moral and prudential perspective in the domain of personal loving relationships and in the political sphere A historical appendix completes the book Through a careful and comprehensive investigation of envy's complexity and its multifarious implications for human relations and human value The Philosophy of Envy surprisingly reveals that envy plays a crucial role in safeguarding our happiness

Quicklet on Michael Lewis' Boomerang (CliffNotes-like Book Summary) Karen Lac,2011-12-20 ABOUT THE BOOK Boomerang Travels In The New Third World started by accident During a meeting with a Dallas hedge fund owner in 2008 for another book The Big Short Inside the Domsday Machine the investor made a prediction to author Michael Lewis that countries in the developed West would soon go bust Two and a half years later that prediction was becoming a reality Countries long considered first world were becoming third world Lewis knew that he had to write a book about what was happening Going to Iceland Greece Ireland Germany and then to his home state of California Lewis describes the conditions and people that made the massive financial troubles possible He interviews economists politicians public service workers and ordinary citizens to get a full picture of what happened and what may happen in the future Peppered throughout Boomerang is Lewis trademark humor and cultural observations that tie together seemingly unrelated issues into a cohesive narrative MEET THE AUTHOR Based in the San Francisco Bay Area Karen Lac has been writing since 1999 Her articles have appeared in print in The Occidental Weekly Her writing reflects her broad interests She writes travel entertainment political commentary health nutrition food education career and legal articles for numerous websites She holds a Bachelor of Arts in English Literature and a Bachelor of Arts in politics both from Occidental College

Happy High Status Viv Groskop,2023-06-29 Redefine what confidence looks like at home and at work Everyone wants to be able to face challenging situations without feeling daunted intimidated or stressed But no one wants to be labelled over confident arrogant or smarmy or to get caught up in their own hype So how can you feel authentically confident without the cringe and without pretending to be something you're not Happy high status is a new way of thinking about confidence and how you relate to yourself It's how actors and comedians enhance their presence on stage and screen It lends strength and energy to your interactions big and small and is a way of projecting status minimising self doubt and moving effortlessly through life Drawing on research practical tips and lessons from the worlds of comedy film television politics and sport Viv Groskop offers a masterclass in how you can access this new form of confidence at any time All crucially with no risk of anyone thinking that you are your own biggest fan Viv always makes me feel more confident Get the magic now in book form Katy Brand I recommend Viv Groskop to anyone wanting more self confidence Philippa Perry Reassuring inspiring

and wise a practical handbook for anyone held back by self doubt Julia Samuel *The ^AOxford Handbook of Reproductive Ethics* Leslie Francis, 2016-12-28 Intimate and medicalized natural and technological reproduction poses some of the most challenging ethical dilemmas of our time This volume brings together scholars from multiple perspectives to address both traditional and novel questions about the rights and responsibilities of human reproducers their caregivers and the societies in which they live

The Mama's Boy Myth Kate Stone Lombardi, 2012-03-15 A New York Times contributor offers a radical reexamination of a hot button issue of the mother and son relationship and advocates the end of the mama s boy taboo New York Times contributor Kate Stone Lombardi unveils the surprisingly close relationship between mothers and sons Mother after mother confessed to Lombardi that her husband brothers and even female friends and family criticize the fact that she is too close to her sons Many of these women are often startled by the strong connection they feel with their sons but rarely do they talk about it because society tells them to push their little boys away and not baby them with too much cuddling and comforting It is as if there were an existing playbook based on gender preconceptions dating back to Freud Oedipus and beyond that prescribes the way mothers and their sons should interact Lombardi s much needed narrative is the first and only book to share truly revealing interviews with mothers who have close relationships with their sons as well as interviews with these women s sons and husbands Lombardi persuasively argues that the rise of the new male one who is more emotionally intelligent and more sensitive without being less manly is directly attributable to women who are rejecting the mama s boy taboo Highlighting new scientific studies *The Mama s Boy Myth* begins a fresh story one that will be welcomed by mothers fathers and sons alike

The Booklover's Guide to New Orleans Susan Larson, 2013-09-05 The literary tradition of New Orleans spans centuries and touches every genre its living heritage winds through storied neighborhoods and is celebrated at numerous festivals across the city For booklovers a visit to the Big Easy isn t complete without whiling away the hours in an antiquarian bookstore in the French Quarter or stepping out on a literary walking tour Perhaps only among the oak lined avenues Creole town houses and famed hotels of New Orleans can the lust of A Streetcar Named Desire the zaniness of A Confederacy of Dunces the chill of Interview with the Vampire and the heartbreak of Walker Percy s Moviegoer begin to resonate Susan Larson s revised and updated edition of *The Booklover s Guide to New Orleans* not only explores the legacy of Tennessee Williams and William Faulkner but also visits the haunts of celebrated writers of today including Anne Rice and James Lee Burke This definitive guide provides a key to the books authors festivals stores and famed addresses that make the Crescent City a literary destination

Fathering, Masculinity and the Embodiment of Care Gillian Ranson, 2015-11-03 Many fathers are now providing hands on engaged care to babies and young children This book draws on observations of and interviews with caregiving fathers as well as analyses of fathers memoirs and online blogs to examine fathers caregiving work as embodied practice and as lived experience

Life Stories Maureen O'Connor, 2011-08-23 Memoirs autobiographies and diaries represent the most personal and most intimate of genres as well

as one of the most abundant and popular. Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on more than 2,800 read-alike and other related titles. The popularity of this body of literature has grown in recent years and it has also diversified in terms of the types of stories being told and persons telling them. In the past, readers' advisors have depended on access by names or Dewey classifications and subjects to help readers find autobiographies they will enjoy. This guide offers an alternative organizing the literature according to popular genres, subgenres, and themes that reflect common reading interests. Describing titles that range from travel and adventure classics and celebrity autobiographies to foodie memoirs and environmental reads. *Life Stories: A Guide to Reading Interests in Memoirs, Autobiographies, and Diaries* presents a unique overview of the genre that specifically addresses the needs of readers' advisors and others who work with readers in finding books. *The Case for Only Child* Susan Newman, 2011-05-09

What's really wrong with having one child? Is one enough for you? For your partner? What constitutes a complete happy family? Will your only child be lonely, spoiled, bossy, selfish? Read this book and find out. Despite the personal distress and pressure to have a second baby, the number of women having an only child has more than doubled in the last two decades. What most people don't realize is that one-child families outnumber families with two children and have for more than two decades. In major metropolitan areas like New York, 30 percent of families have a singleton. Throughout the country, people are following suit. And it's no wonder why. The worrisome biological clock, secondary infertility, older mothers, downtrodden job markets, how mothers working affects everyone in the family, finances and housing, and costs of education. These are only the few things that parents today and parents to be contend with when deciding to start a family and determining whether or not to stop after one. The time is right for a book that addresses the emerging type of nuclear family, one that consists of a solo child. Popular Psychology Today blogger and parenting author of fifteen books, including the groundbreaking *Parenting the Only Child*, Susan Newman, Ph.D., grew impatient with the pervasiveness of only-child folklore masquerading as fact and offers the latest findings about the long-term effects of being raised as a singleton. In *The Case for the Only Child*, Newman walks parents and future parents through the long list of factors working for and against them, as well as highlights the many positive aspects of raising and being a singleton. The aim of this book is to ease and guide parents through the process of determining what they want. Although each situation is unique, the profound confusion surrounding having a second child is similar. It is one of the most difficult and life-altering choices parents face. Adding to one's family dramatically changes one's life and the life of one's firstborn forever. What will a person give up in time, money, freedom, intimacy, and job advancement with another child in the household? What will they gain? *The Case for the Only Child* helps explore and resolve these perplexing questions.

Men, Women and Relationships - A Post-Jungian Approach Phil Goss, 2010-09-13 This book offers Jungian perspectives on social constructions of gender difference and explores how these feed into adult ways of relating within male/female relationships. Phil Goss places this discussion within an archetypal context, drawing on the fairy

tale Jack and the Beanstalk to consider the deep tension in western culture between the transcendent masculine and the immanent feminine Offering both developmental and socio cultural frameworks areas of discussion include the use of story and myth to understand gender Jungian and post Jungian approaches updating anima animus working clinically with men and with women the developmental pathways of gender difference power relations between men and women in the home Men Women and Relationships A Post Jungian Approach will be a valuable resource for all those with an interest in analytical psychology including psychotherapists psychoanalysts and counsellors as well as those in the broader fields of social work and education who have an interest in gender difference and identity *Father Time* Sarah Blaffer Hrdy, 2024-05-14 A masterful synthesis of how it came to be that today men are taking care of very young babies given that this is unprecedented in the history of mammals apes and humans **True Story** Ty Montague, 2013 Is your company a storyteller or a storydoer The old way to market a business was storytelling But in today s world simply communicating your brand s story in the hope that customers will listen is no longer enough Instead your authentic brand must be evident in every action the organization undertakes Today s most successful businesses are storydoers These companies create products and services that from the very beginning are manifestations of an authentic and meaningful story one told primarily through action not advertising In *True Story* creative executive Ty Montague argues that any business regardless of size or industry can embrace the principles of storydoing Indeed our best run companies from small start ups to global conglomerates organize around a coherent narrative that is then broadcast through every action they take from product design to customer service to marketing Montague shows why storydoing firms are nimble more adaptive to change and more efficiently run businesses Montague is a founder of the growth consultancy co collective and the former president and CCO of J Walter Thompson the largest advertising agency in North America He brings his depth of creative business experience to the book and provides a clear framework and proven process for bringing you and your customers together in the creation of your brand story Montague introduces five critical elements what he calls the the four truths and the action map that are the foundation of storydoing the participants your customers partners and employees the protagonist your company today the stage the world around your business the quest your driving ambition and contribution to the world your action map the actions that will make your story real for participants The book is filled with examples of how forward thinking organizations including Red Bull Shaklee Grind TOMS Shoes and News Corporation are effectively using storydoing to transform their organizations and drive extraordinary results *Diaper Dude* Chris Pegula, Frank Meyer, 2017-05-09 Dude you re a dad now Picking up where From Dude to Dad left off author and founder of the popular Diaper Dude parenting brand Chris Pegula dives into the first two years of parenting and furthers his deeply held belief that you don t have to lose yourself when you become a father Once again written in Pegula s everyman voice and filled with humorous takes on fatherhood from the front lines the book is an easy to read resource for new dads combining hard won lessons learned pitfalls to avoid and practical advice from a dude

who hasn't lost his identity or his sanity Filled with useful information hilarious stories of dad madness a little psychology and science and engaging sidebars Diaper Dude covers everything from bonding babyproofing and when you'll have sex again to toddlerhood tantrums and tag teaming with your partner to cover all the bases while staying somewhat sane Winner Family Choice Award Winner National Parenting Product Award *Bibliotherapy* Bijal Shah,2024-02-22 Utterly fascinating I have long felt that books can be medicine Now I understand why Read this book Feel better Beth Kempton bestselling author of Wabi Sabi Japanese wisdom for a perfectly imperfect life One of the most fascinating books that I have read in years Beautifully written and full of insights this book demonstrates the healing power of stories and how you can transform your life through bibliotherapy Simon Alexander Ong bestselling author of Energize international keynote speaker and award winning coach In this unique and transformational guide to healing bibliotherapist and counsellor Bijal Shah explores the restorative power of reading Bibliotherapy traces the history of how therapeutic reading evolved including the important role played by the best writers such as the Stoics Montaigne Eliot and Wordsworth In doing so Bijal offers first hand stories from clients who have found solace in great works of literature when struggling with grief relationships or illness Full of practical advice and insights into how bibliotherapy really works Bijal offers an A to Z reading list of books for every mood and need A much needed reminder of how comforting and life changing reading can be Bibliotherapy is a sumptuous celebration of books that will invite you to see them as more than just an escape but a legitimate form of self care Food Lit Melissa Brackney Stoeger,2013-01-08 An essential tool for assisting leisure readers interested in topics surrounding food this unique book contains annotations and read alike for hundreds of nonfiction titles about the joys of comestibles and cooking Food Lit A Reader's Guide to Epicurean Nonfiction provides a much needed resource for librarians assisting adult readers interested in the topic of food a group that is continuing to grow rapidly Containing annotations of hundreds of nonfiction titles about food that are arranged into genre and subject interest categories for easy reference the book addresses a diversity of reading experiences by covering everything from foodie memoirs and histories of food to extreme cuisine and food exposés Author Melissa Stoeger has organized and described hundreds of nonfiction titles centered on the themes of food and eating including life stories history science and investigative nonfiction The work emphasizes titles published in the past decade without overlooking significant benchmark and classic titles It also provides lists of suggested read alikes for those titles and includes several helpful appendices of fiction titles featuring food food magazines and food blogs
