The recipe put together here are tried and true by my kitchen. I have made these and can label which one my pet likes and which ones he does not. The favorite snack contains peanut butter. He is not crazy about the sweet potato. He also does love his vegetables in his dog food with a little gravy. Take into consideration the shelf life of these recipes. If not given to your dog regularly some may tend to mold. Any recipe with cheese can do this. The peanut butter snacks are better for storing due to the long shelf life of peanut butter and they are usually baked to a certain hardness. The snacks with baby food was a very easy one to put together. Find some doggy bone cookie cutters to make them look professional or not. Your pet will love them either way you fix them. We love our babies so let us work on good wholesome foods for them. The recipes here are divided into dog food recipes and snack recipes. Enjoy making these easy healthy foods for your precious fur baby.
