Harry Dickson The American Sherlock Holmes The Heir Of Dracula:

Harry Dickson, the American Sherlock Holmes Harry Dickson, 2009-10 When inhuman monsters walk the Earth threatening the good and the helpless Justice has no stronger defenders than Harry Dickson and his assistant Tom Wills who fight the forces of evil and cast them back into the Darkness from whence they came Harry Dickson began as an unauthorized Sherlock Holmes pulp series in Germany in 1907 before changing its name and morphing into a hugely popular saga in Holland Belgium and France with 178 issues published between 1927 and 1938 especially after it was entrusted to the editorship of Belgian horrormeister Jean Ray This volume includes three original episodes and one short story The Heir of Dracula From the rat infested swers of Limehouse to the dark forests of Bavaria Dickson hunts for the mysterious red eyed vampire Count Dragomin The Iron Temple Deep beneath London monstrous creatures engage in bloody sacrifices in their amazing futuristic lair The Return of the Gorgon A beautiful but deadly woman who may be a reincarnation of Medusa has the power to turn men to stone This famous Holmesian pastiche has been translated by award winning authors Jean Marc Randy Lofficier and includes original cover illustrations and a foreword about the Harry Dickson phenomenon

Dimensions of the Fantastic Daniel Ferreras Savoye, 2023-05-29 Not to be confused with fantasy or the supernatural the fantastic is in actuality its own beast and perhaps the most deeply frightening of all narrative modes From Dracula and Nightmare on Elm Street to Carrie and Them the fantastic has become an ideal vehicle to denounce deep cultural dysfunctions that affect not only the way we understand reality but also how we construct it This work studies the various dimensions of the fantastic mode examining the influences of iconic authors such as H P Lovecraft and Jean Ray and addressing key narrations such as Guy de Maupassant s The Horla and Jordan Peele s Get Out It explains why the fantastic is not about ghosts or monsters but about the incomprehensible sides of our own reality and the terrifying unknown
