

HATE CRIME

The Story of a Dragging in
Jasper, Texas

JOYCE KING

"A gripping account of an unimaginably brutal murder . . . [and] a lesson in how to look racism in the eye and not blink." —O, The Oprah Magazine

Hate Crime The Story Of A Dragging In Jasper Texas

Adalberto Aguirre

Hate Crime The Story Of A Dragging In Jasper Texas:

Hate Crime Joyce King, 2011-11-30 On June 7 1998 James Byrd Jr a forty nine year old black man was dragged to his death while chained to the back of a pickup truck driven by three young white men It happened just outside of Jasper a sleepy East Texas logging town that within twenty four hours of the discovery of the murder would be inextricably linked in the nation's imagination to an exceptionally brutal modern day lynching In this superbly written examination of the murder and its aftermath award winning journalist Joyce King brings us on a journey that begins at the crime scene and extends into the minds of the young men who so casually ended a man's life She takes us inside the prison in which two of them met for the first time and she shows how it played a major role in shaping their attitudes racial and otherwise The result is a deeply engrossing psychological portrait of the accused and a powerful indictment of the American prison system's ability to reform criminals Finally King writes with candor and clarity about how the events of that fateful night have affected her as a black woman a native Texan and a journalist given the agonizing assignment of covering the trials of all three defendants More than a spectacular true crime debut *Hate Crime* is a breathtaking work of reportage and a searing look at how the question of race continues to shape life in America *Sex, Sexuality, Law, and (In)justice* Henry F. Fradella, Jennifer M.

Sumner, 2016-02-26 *Sex Sexuality Law and In Justice* covers a wide range of legal issues associated with sexuality gender reproduction and identity These are critical and sensitive issues that law enforcement and other criminal justice professionals need to understand The book synthesizes the literature across a wide breadth of perspectives exposing students to law psychology criminal justice sociology philosophy history and where relevant biology to critically examine the social control of sex gender and sexuality across history Specific federal and state case law and statutes are integrated throughout the book but the text moves beyond the intersection between law and sexuality to focus just as much on social science as it does on law This book will be useful in teaching courses in a range of disciplines especially criminology and criminal justice history political science sociology women and gender studies and law *Spaces of Hate* Colin

Flint, 2013-10-18 First published in 2004 Routledge is an imprint of Taylor Francis an informa company **Anti-Black Violence in Twentieth-Century Texas** Bruce A. Glasrud, 2015-09-18 *Anti Black Violence in Twentieth Century Texas* provides an arresting look at the history of violence against African Americans in Texas From a lynching in Paris at the turn of the century to the 1998 murder of Jasper resident James Byrd Jr who was dragged to death behind a truck this volume uncovers the violent side of race relations in the Lone Star State Historian Bruce A Glasrud has curated an essential contribution to Texas history and historiography that will also bring attention to a chapter in the state's history that for many is still very much a part of the present **Crimes of the Centuries** Steven Chermak Ph.D., Frankie Y. Bailey, 2016-01-25 This multivolume resource is the most extensive reference of its kind offering a comprehensive summary of the misdeeds perpetrators and victims involved in the most memorable crime events in American history This unique reference features

the most famous crimes and trials in the United States since colonial times Three comprehensive volumes focus on the most notorious and historically significant crimes that have influenced America's justice system including the life and wrongdoing of Lizzie Borden the bombing of the Sixteenth Street Baptist Church the killing spree and execution of Ted Bundy and the Columbine High School shootings Organized by case the work includes a chronology of major unlawful deeds fascinating primary source documents dozens of sidebars with case trivia and little known facts and an overview of crimes that have shaped criminal justice in the United States over several centuries Each of the 500 entries provides information about the crime the perpetrators and those affected by the misconduct along with a short bibliography to extend learning opportunities The set addresses a breadth of famous trials across American history including the Salem witch trials the conviction of Sacco and Vanzetti and the prosecution of O J Simpson

Murder, the Media, and the Politics of Public Feelings Jennifer Petersen, 2011-08-12 In 1998 the horrific murders of Matthew Shepard a gay man living in Laramie Wyoming and James Byrd Jr an African American man dragged to his death in Jasper Texas provoked a passionate public outrage The intense media coverage of the murders made moments of violence based in racism and homophobia highly visible and which eventually led to the passage of The Matthew Shepard and James Byrd Jr Hate Crimes Prevention Act in 2009 The role the media played in cultivating shaping and directing the collective emotional response toward these crimes is the subject of this gripping new book by Jennifer Petersen Tracing the emotional exchange from news stories to the creation of law Petersen calls for an approach to media and democratic politics that takes into account the role of affect in the political and legal life of the nation

Steeped in a Culture of Violence Brandon T. Jett, Kenneth Howell, 2023-05-15 The Texas shooting at Santa Fe High School on May 18 2018 which killed ten and injured thirteen prompted public debate over the causes and potential solutions to this type of violent episode On May 21 2018 National Rifle Association president Oliver North declared that a culture of violence is largely responsible for these killings The problem that we've got is we're trying like the dickens to treat the symptom without treating the disease The disease is youngsters who are steeped in a culture of violence This debate has captivated the American media and general public for decades Texas history is steeped in brutality and bloodshed creating a narrative that these conditions are still a vital part of the state's culture in the twenty first century But perceptions of violence are often at odds with realities on the ground Over several centuries violence has decreased with the development of modern society but popular perception seems to be that a culture of violence has emerged and perhaps persisted despite demographic economic cultural and political shifts in Texas Starting from the notion that a culture of violence existed historically in the state and asking if such a culture still persists in modern Texas this collection of essays examines trends associated with various types of violence within the state as well as social and political responses from 1965 to 2020 This important and timely work provides valuable context for discussions on violence in the past and for the future

African Americans Confront Lynching Christopher Waldrep, 2009 This book examines African Americans strategies for resisting white

racial violence from the Civil War until the assassination of Martin Luther King Jr in 1968 and up to the Clinton era Christopher Waldrep's semi biographical approach to the pioneers in the anti lynching campaign portrays African Americans as active participants in the effort to end racial violence rather than as passive victims In telling this more than 100 year old story of violence and resistance Waldrep describes how white Americans legitimized racial violence after the Civil War and how black journalists campaigned against the violence by invoking the Constitution and the law as a source of rights He shows how toward the end of the nineteenth century and into the twentieth anti lynching crusaders Ida B Wells and Monroe Work adopted a more sociological approach offering statistics and case studies to thwart white claims that a black propensity for crime justified racial violence Waldrep describes how the NAACP founded in 1909 represented an organized even bureaucratic approach to the fight against lynching Despite these efforts racial violence continued after World War II as racists changed tactics using dynamite more than the rope or the gun Waldrep concludes by showing how modern day hate crimes continue the lynching tradition and how the courts and grass roots groups have continued the tradition of resistance to racial violence A rich selection of documents helps give the story a sense of immediacy Sources include nineteenth century eyewitness accounts of lynching courtroom testimony of Ku Klux Klan victims South Carolina senator Ben Tillman's 1907 defense of lynching and the text of the first federal hate crimes law

Extremism in America George Michael, 2013-12-10 The American Republic was born in revolt against the British crown and ever since political extremism has had a long tradition in the United States To some observers the continued presence of extremist groups and the escalation of their activities portends the fragmentation of the country while others believe such is the way American pluralism works The word extremism often carries negative connotations yet in 1964 Barry Goldwater famously said Extremism in the defense of liberty is no vice Extremism in America is a sweeping overview and assessment of the various brands of bigotry prejudice zealotry dogmatism and partisanship found in the United States including the extreme right the antiglobalization movement Black Nationalism Chicano separatism militant Islam Jewish extremism eco extremism the radical antiabortion movement and extremist terrorism Many of these forms of single minded intolerance are repressed by both the state and society at large but others receive significant support from their constituencies and enjoy a level of respectability in some quarters of the mainstream The essays in this volume written by area specialists examine the relationship between these movements and the larger society dissect the arguments of contemporary American anarchist activists look at recent trends in political extremism and suggest how and why such arguments resonate with a considerable number of people

Popular Justice Manfred Berg, 2011-03-16 Lynching has often been called America's national crime that has defined the tradition of extralegal violence in America Having claimed many thousand victims Judge Lynch holds a firm place in the dark recesses of our national memory In Popular Justice Manfred Berg explores the history of lynching from the colonial era to the present American lynch law he argues has rested on three pillars the frontier experience racism and the anti authoritarian spirit of

grassroots democracy Berg looks beyond the familiar story of mob violence against African American victims who comprised the majority of lynch targets to include violence targeting other victim groups such as Mexicans and the Chinese as well as many of those cases in which race did not play a role As he nears the modern era he focuses on the societal changes that ended lynching as a public spectacle Berg s narrative concludes with an examination of lynching s legacy in American culture From the colonial era and the American Revolution up to the twenty first century lynching has been a part of our nation s history Manfred Berg provides us with the first comprehensive overview of popular justice *The End of American Lynching* Ashraf H. A. Rushdy,2012-06-18 The End of American Lynching questions how we think about the dynamics of lynching what lynchings mean to the society in which they occur how lynching is defined and the circumstances that lead to lynching Ashraf H A Rushdy looks at three lynchings over the course of the twentieth century one in Coatesville Pennsylvania in 1911 one in Marion Indiana in 1930 and one in Jasper Texas in 1998 to see how Americans developed two distinct ways of thinking and talking about this act before and after the 1930s One way takes seriously the legal and moral concept of complicity as a way to understand the dynamics of a lynching this way of thinking can give us new perceptions into the meaning of mobs and the lynching photographs in which we find them Another way which developed in the 1940s and continues to influence us today uses a strategy of denial to claim that lynchings have ended Rushdy examines how the denial of lynching emerged and developed providing insight into how and why we talk about lynching the way we do at the dawn of the twenty first century In doing so he forces us to confront our responsibilities as American citizens and as human beings *Murderabilia* Harold Schechter,2023-09-26 From veteran true crime master Harold Schechter comes a unique look into the history of crime told through the dark objects left behind The false teeth of a female serial killer from 1908 the cut and paste confession of the Black Dahlia killer the newly cracked cipher of the Zodiac killer the shotgun used in the Clutter family murders which were made famous by Truman Capote s true crime classic In Cold Blood these are more than simple artifacts that once belonged to notorious murderers They are objets of fascination to the legion of true crime obsessives around the world And not merely for fleeting dark thrills but because they represent a way to better understand those who we typically label monsters in lieu of learning how they actually became one In *Murderabilia* veteran true crime writer Harold Schechter presents 100 murder related artifacts spanning two centuries 1808 2014 with accompanying stories of various lengths A visual and literary journey it presents a history unlike any previously told in the true crime genre one that speaks to the dark fascination of true crime fans while also presenting a larger historical timeline of how and why we continue to be captivated by the most sensational crimes and killers among us **Racial and Ethnic Diversity in America** Adalberto Aguirre,2003-10-22 A thorough overview of the populations and social forces that have shaped the character of racial and ethnic diversity in the United States *Racial and Ethnic Diversity in America* A Reference Handbook documents how diversity as part of the social fabric of American society has changed its character over time Adalberto Aguirre an expert on race and ethnic relations provides a

descriptive presentation of racial and ethnic populations in America with special focus on the latter part of the 20th century Aguirre traces population shifts through time explores the changing character of diversity in the United States and addresses the impact of these changes on social institutions in 21st century America Social and demographic data identify the size of racial and ethnic populations document educational economic and occupational characteristics and illustrate the relative status of each racial and ethnic group This up to date reference work also features biographical profiles and detailed listings of organizations and resources

Documenting American Violence Christopher Waldrep, Michael Bellesiles, 2006-01-12

Violence forms a constant backdrop to American history from the revolutionary overthrow of British rule to the struggle for civil rights to the present day debates over the death penalty It has served to challenge authority defend privilege advance causes and throttle hopes In the first anthology of its kind to appear in over thirty years *Documenting American Violence* brings together excerpts from a wide range of sources about incidents of violence in the United States Each document is set into context allowing readers to see the event through the viewpoint of contemporary participants and witnesses and to understand how these deeds have been excused condemned or vilified by society Organized topically this volume looks at such diverse topics as famous crimes vigilantism industrial violence domestic abuse and state sanctioned violence Among the events these primary sources describe are Benjamin Franklin s account of the Conestoga massacre when an entire village of American Indians was killed by the Paxton Boys a group of frontier settlers militant abolitionist John Brown s attack on Harper s Ferry Ida B Wells condemnation of lynchings in the South the massacre of General Custer s 7th Cavalry at Little Bighorn as witnessed by Cheyenne war chief Two Moon Nat Turner s confession about the slave revolt he led in Southampton County Virginia Oliver Wendell Holmes diaries and letters as a young infantry officer in the Civil War a police officer s account of the Haymarket Trials Harry Thaw s murder of the Gilded Age s most prominent architect Stanford White through his own published version of the events the post trial public confessions of Ray Bryant and J W Milam for the murder of Emmett Till the Los Angeles Police Department s investigation into the causes of the 1992 riot Taken as a whole this anthology opens a new window on American history revealing how violence has shaped America s past in every era

Dancing with God Karen Baker-Fletcher, 2006-12-01

Dancing With God is an exploration of the divine gifts of courage and grace in the face of evil Moreover it is a doctrine of God as the source of that courage Baker Fletcher presents an understanding of the work of the Trinity with regard to the problem of crucifixion a metaphor she uses for unnecessary violence She develops a process of relational womanist theology that considers the empathetic omnipresence of God in the midst of unnecessary suffering and the healing power of God in movement of the Holy Spirit She engages the contributions of a diversity of theologians like Paul Tillich Karl Barth Gordon Kaufman John Cobb Jr Majorie Suchocki Charles Hartshorne Andrew Sung Park and Katie Cannon in her discussion of the dance of the Trinity in creation and the problem of sin evil and suffering Through creative works like that of Alice Walker s *The Color Purple* and journalist Joyce King s account of the

James Byrd Jr murder in Jasper County Texas Baker Fletcher reveals the healing encouraging power of the Holy Spirit in the lives of survivors of unnecessary violence **Black Men in Interracial Relationships** Kellina

Craig-Henderson,2017-07-28 Why is it that successful black men black men who are at the top of their game in the arts entertainment politics and athletics are four times as apt to be married to or dating a woman who is not an African American than they were only thirty years ago And why are twice as many black men involved in interracial relationships as black women In addition to their celebrity status which includes widespread popularity and wealth black men from Charles Barkley to James Earl Jones to Russell Simmons to Bryant Gumbel share something else in common something that also characterizes the experiences of more than 250 000 less well known black men in the United States They happen to be involved in interracial intimate relationships Less than fifty years ago such relationships were next to impossible leading to severe social sanctions The fact that this is no longer the case is concrete evidence of changes in the quality and character of contemporary race relations Drawing on her own observations and her examination of the responses of a small diverse group of black men who date in some cases exclusively have sexual relations with and marry women who are not of African descent the book provides insight into the continuing ways that race and ethnic status affect the choices people make in their lives Until this book though these types of relationships have received scant serious attention Craig Henderson forthrightly addresses the taboo interspersing analysis with verbatim accounts from black men involved in such relationships Grounded in serious research interviews and analysis of census data *Black Men in Interracial Relationships* examines why such relationships appear to be so popular among black male elites In the process the author unravels the mystery behind the apparent absence of black women in black men s lives It will be of interest to specialists in race gender family and sexual issues and appropriate for courses in these areas It is also highly readable and thought provoking for the general public who will find its observations and findings fascinating *Shadowed Ground* Kenneth E. Foote,2013-12-06 Winner John

Brinckerhoff Jackson Prize Association of American Geographers 1997 *Shadowed Ground* explores how and why Americans have memorialized or not the sites of tragic and violent events spanning three centuries of history and every region of the country For this revised edition Kenneth Foote has written a new concluding chapter that looks at the evolving responses to recent acts of violence and terror including the destruction of the Branch Davidian compound at Waco Texas the Oklahoma City bombing the Columbine High School massacre and the terrorist attacks of 9 11 **Systemic Racism** Ruth

Thompson-Miller,Kimberley Ducey,2017-10-17 This volume identifies some of the remaining gaps in extant theories of systemic racism and in doing so illuminates paths forward The contributors explore topics such as the enduring hyper criminalization of blackness the application of the white racial frame and important counter frames developed by people of color They also assess how African Americans and other Americans of color understand the challenges they face in white dominated environments Additionally the book includes analyses of digitally constructed blackness on social media as well as

case studies of systemic racism within and beyond U S borders This research is presented in honor of Kimberley Ducey s and Ruth Thompson Miller s teacher mentor and friend Joe R Feagin

Savage Son Corey Mitchell,2010-06-01 Greedy schemer Family Slayer It was a night of celebration for the Whitaker family Their son Bart was graduating from college But when Bart s brother Kevin opened the door to their house a masked intruder shot him point blank His mother took the next bullet followed by Mr Whitaker and Bart Blood was everywhere but somehow Bart and his father survived To the cops the story didn t add up and their investigation discovered a stunning web of lies Bart was living a double life He hadn t been enrolled in college since his freshman year Instead of attending classes he d spent his days playing video games with his friends while planning to murder his family to inherit their million dollar estate Bestselling author Corey Mitchell takes us inside this chilling murder case to reveal the twisted motives of a seemingly All American Boy Next Door who turned into a cold blooded killer now residing on Death Row Corey Mitchell empathized with crime victims in a unique and personal way That empathy is evident in every true crime book he wrote Suzy Spencer INCLUDES 16 PAGES OF HAUNTING PHOTOS

Something in the Water Michael W. Waters,2021-01-12 Pastor award winning author and rising civil rights leader Michael W Waters Stakes Is High For Beautiful Black Boys Who Believe in a Better World ruminates on the sacred places and spaces he visited as part of a cross country trek in 2019 2020 through America s racial history From reflections on the river s edge where Emmett Till s body was recovered and the Lorraine Motel where Martin Luther King Jr was assassinated and to more recent sites of racial violence like the Charleston church massacre and El Paso mass shooting to the halls of government for Waters prayer before the U S House of Representatives and his convicting speech before the Dallas City Council to remove Confederate statues Waters connects our racist past with the current sociological and political climate offering challenges and hope From poems and prayers to sermons and eulogies from rally cries to commentaries Something in the Water illuminates not just our present struggles but also the hope and belief in a better day to come Ultimately Waters challenges us to consider our role collectively and individually in the troubled waters of racism and what we are willing to do to create something better

The Top Books of the Year Hate Crime The Story Of A Dragging In Jasper Texas The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Hate Crime The Story Of A Dragging In Jasper Texas : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
