 Excerpt from The Home of the Ancient Dead Restored An Address Delivered at Athol July 4 1859 Rev John F Norton Dear Sir
 The citizens of Athol who had the pleasure of hearing your address at the re consecration of the ancient Cemetery of the
 town on the 4th inst desire its publication and have instructed me by unanimous vote to request of you a copy for this
 purpose They feel that a production which presents in attractive form so many interesting facts in our early history as a town
 embracing vivid descriptions both of character and event and connecting us so intimately with the storied yet scarcely
 remembered Past cannot be too highly estimated And concurring entirely in these sentiments of my fellow townsmen I beg
 leave to communicate to you their wishes in this regard and respectfully solicit a compliance therewith Yours Truly Chas
 Field Athol July 18 1859 Hon Charles Field My Dear Sir The Address a copy of which you ask in behalf of our fellow
 townsmen for publication was prepared amid an unusual pressure of other duties but since it was received with so much
 favor by yourself and by those whom you represent I place it at your disposal I may be permitted to suggest the propriety of
 publishing with my address a brief history of the enterprise which led to its preparation and a report of the other deeply
 interesting proceedings of the day Truly Yours John F Norton Athol July 20 1859 About the Publisher Forgotten Books

Levenson,2006-01-01 Many famous antique texts are misunderstood and many others have been completely dismissed all because the literary style in which they were written is unfamiliar today So argues Mary Douglas in this controversial study of ring composition a technique which places the meaning of a text in the middle framed by a beginning and ending in parallel To read a ring composition in the modern linear fashion is to misinterpret it Douglas contends and today s scholars must reevaluate important antique texts from around the world Found in the Bible and in writings from as far a field as Egypt China Indonesia Greece and Russia ring composition is too widespread to have come from a single source Does it perhaps derive from the way the brain works What is its function in social contexts The author examines ring composition its principles and functions in a cross cultural way She focuses on ring composition in Homer s Iliad the Bible s book of Numbers and for a challenging modern example Laurence Sterne s Tristram Shandy developing a persuasive argument for reconstruing famous books and rereading neglected ones **A Catalog of Books Represented by Library of Congress**
