Six Stages on the Spiritual Path Ruth Whitney, 2021-05-21 In *Six Stages on the Spiritual Path* we learn about spirituality and its stages as well as how spirituality helps to reduce our suffering and create more love Writings from ancient to contemporary mystics across the world provide us with practical and spiritual wisdom that will make our lives happier and more loving In the first stage on the mystic way children experience awe and wonder but they do not realize that this is a spiritual experience While all indigenous people recognize awe as a mystical experience only some adults and most artists do When parents and religious leaders teach children about God they cause their spiritual growth to flourish or to become stunted at an elementary school level Awakening is an experience of the Divine that helps us realize that the Sacred Spirit is within us and loves us Awakening produces love for our neighbors and ourselves Then love nurtures more awakenings Illumination and union are deeper mystical experiences that the Holy One is not only within all of us and all of creation but also that we are within the ONE Illumination creates more love for all people and all the universe *My Soul is A Witness* Gloria Wade-Gayles, 2002-05-11 *My Soul Is a Witness* is a powerful collection of poetry prose reflections prayer and song celebrating spirituality in the lives of African American women Featuring a variety of voices including Johnnetta B Cole Marsye Conde Rita Dove Nikki Giovanni Akasha Gloria Hull Toni Morrison Iyanla Vanzant and Alice Walker this collection demonstrates the diverse ways that women connect with the Spirit Exploring faiths ranging from Islam to Buddhism to Christianity these writings illustrate the importance of religion and spirituality in the women of the African American

Undivided Patricia Raybon,Alana Raybon,2015-04-28 Mom I have something I need to tell you They didn t talk Not for ten years Not about faith anyway Instead a mother and daughter tiptoed with pain around the deepest gulf in their lives the daughter s choice to leave the church convert to Islam and become a practicing Muslim *Undivided* is a real time story of healing and understanding with alternating narratives from each as they struggle to learn how to love each other in a whole new way Although this is certainly a book for mothers and daughters struggling with interfaith tensions it is equally meaningful for mothers and daughters who feel divided by tensions in general An important work for parents whose adult children have left the family s belief system it will help those same children as they wrestle to better understand their parents *Undivided* offers an up close and personal look at the life of an Islamic convert a young American woman at a time when attitudes are mixed about Muslims and Muslim women in particular but interest in such women is high For anyone troubled by the broader tensions between Islam and the West this personal story distills this friction into the context of a family relationship a journey all the more fascinating *Undivided* is a tremendously important book for our time Will Patricia be able to fully trust in the Christ who holds all things together Will Alana find new hope or new understanding as the conversation gets deeper between them And can they answer the question that both want desperately to experience which is Can we make our torn family whole again

Changing Roles...Taking care of Mom N.D. Gulley,2020-03-01 After eight years of taking care of my aging mother who had suffered a stroke the onset of Alzheimer s and the likelihood of schizophrenia I dare you not to lose your mind amid the drama queen antics and the constant need for immediate gratification What makes this book different from others like it is the inescapable fact my mother had a gift She was a psychic medium with a proven track record that helped a lot of people On the other hand her endless psychic channeling and nonstop conversations with the supernatural world made it very challenging for doctors and nurses to do

their jobs Living with Mom was a roller coaster ride filled with physical mental and emotional challenges It was a journey filled with aimlessness frustration and numerous events that were beyond belief I will share with you situations that will require you to think fast on your feet Things you can't learn from books Little solutions that will help you save money and a few big things to watch out for so you don't lose everything But that's not the only thing this book is about I will reintroduce you to something that you have already experienced many times in your life and took it for granted A secret of the universe that God had given to each of us This is something that is instinctive to all animals religions teach it and scientists are close to finding its true origin
