Home by Nightfall Charles Finch, 2015-11-10 It's London in 1876 and the whole city is abuzz with the enigmatic disappearance of a famous foreign pianist. Lenox has an eye on the matter as a partner in a now thriving detective agency. He's a natural choice to investigate. Just when he's tempted to turn his focus to it entirely, however, his grieving brother asks him to come down to Sussex and Lenox leaves the metropolis behind for the quieter country life of his boyhood. Or so he thinks. In fact, something strange is afoot in Markethouse: small thefts, books, blankets, animals, and more alarmingly, a break-in at the house of a local insurance agent. As he and his brother go to investigate this small accumulation of mysteries, Lenox realizes that something very strange and serious indeed may be happening, more than just local mischief. Soon he's racing to solve two cases at once: one in London and one in the country, before either turns deadly. Blending Charles Finch's trademark wit, elegance, and depth of research, this new mystery equals parts Jane Austen and Charles Dickens, may be the finest in the series.

The Charles Lenox Series, Books 1-3 Charles Finch, 2015-06-16 The upper class amateur sleuth is very much alive in Charles Finch's charming Victorian whodunits. The New York Times Book Review. In this critically acclaimed Agatha Award-nominated series, The New York Times calls beguiling gentleman sleuth Charles Lenox investigates in the grand tradition of Sherlock Holmes and Lord Peter Wimsey. Here together for the first time in one eBook bundle are the first three books in the beloved series. A Beautiful Blue Death Victorian gentleman and armchair explorer Charles Lenox is pulled from his reverie when his lifelong friend Lady Jane asks for his help. Jane's former servant Prudence Smith is dead, an apparent suicide. But Lenox suspects something far more sinister: murder by a rare and deadly poison. When another body turns up during the London season's most fashionable ball, Lenox must untangle a web of loyalties and animosities. The September Society While searching for the missing son of a family friend, Lenox stumbles upon some rather dastardly secrets and soon discovers a secret group of young college students involved in an organization called The September Society. Might they have something to do with the disappearance? And is he in for some danger himself? The Fleet Street Murders Across London two journalists have just met with violent deaths: one shot, one throttled. Lenox soon involves himself in the strange case but must leave it behind to go north to Stirrington where he is running for Parliament. Once there he gets a further shock when Lady Jane sends him a letter whose contents may threaten their nuptials.

An East End Murder Charles Finch, 2011-11-15 From the acclaimed author of the Charles Lenox series of mysteries, including the Agatha-nominated novel A Beautiful Blue Death comes a riveting short story of death and detection on the East End. It's the end of winter 1865 when Lenox agrees to investigate the death of Phil Jigg, a beloved neighborhood regular found strangled on Great St Andrews Street. In a case that takes him through the noisy vendors and pickpockets, the rough and tumble back alleys and local pubs of the Seven Dials, Lenox looks for answers in a place that couldn't feel more foreign from his West End home and where his presence is anything but welcome. The answer comes in the person of someone so ruthless and brutal that those who could help Lenox

are terrified into silence A whodunit filled with the kind of brooding atmosphere that led Library Journal to remark Readers of Anne Perry should be snatching up Finch s books and clamoring for more starred review of A Stranger in Mayfair this is a delightfully vivid addition to the Charles Lenox series The September Society Charles Finch,2008-08-05 From the critically acclaimed author Charles Finch comes a novel reminiscent of Ruth Rendell and Elizabeth George Booklist in which Charles Lenox revisits his alma mater of Oxford to investigate one student s disappearance and another s murder tied to a secret group known as The September Society In the small hours of the morning one fall day in 1866 a frantic widow visits detective Charles Lenox Lady Annabelle s problem is simple her beloved son George has vanished from his room at Oxford When Lenox visits his alma mater to investigate he discovers a series of bizarre clues including a murdered cat and a card cryptically referring to The September Society Then just as Lenox realizes that the case may be deeper than it appears a student dies the victim of foul play What could the September Society have to do with it What specter returned from the past is haunting gentle Oxford Lenox with the support of his devoted friends in London s upper crust must race to discover the truth before it comes searching for him and dangerously close to home
