Home Ground Language For An American Landscape:

Home Ground Barry Lopez, Debra Gwartney, 2011-04-14 Published to great acclaim in 2006 the hardcover edition of Home Ground Language for an American Landscape met with outstanding reviews and strong sales going into three printings A language lover's dream Home Ground revitalized a descriptive language for the American landscape by combining geography literature and folklore in one volume Now in paperback this visionary reference is available to an entire new segment of readers Home Ground brings together 45 poets and writers to create more than 850 original definitions for words that describe our lands and waters The writers draw from careful research and their own distinctive stylistic personal and regional diversity to portray in bright precise prose the striking complexity of the landscapes we inhabit Home Ground includes 100 black and white line drawings by Molly O Halloran and an introductory essay by Barry Lopez

The Politics of Nature and Environmental Writing Rod Giblett, 2025-11-01 This book defines nature writing as the creative practice of tracing the bodily and sensory enjoyment of nature in the broad sense of the processes and places of land air and water in prose poetry and poetic prose In so doing it celebrates the creative practice of selected nature and environmental writing as well as related cultural critique Giblett draws on the work of Gilles Deleuze Felix Guattari and Mikhail Bakhtin to establish what nature writing is and on Michel Foucault to distinguish what it is not He discusses Aboriginal storytelling as well as the work of classic nature writers including Henry David Thoreau Aldo Leopold and John Muir He also considers writing on environmental conservation and politics as well as the new nature writing found in the work of authors such as Richard Mabey Robert Macfarlane Caroline Crampton and Rachel Lichenstein Through all of this contemplation the book invites readers to love their local places plants and animals through creative practice

How to Read the American West William Wyckoff, 2014-05-01 From deserts to ghost towns from national forests to California bungalows many of the features of the western American landscape are well known to residents and travelers alike But in How to Read the American West William Wyckoff introduces readers anew to these familiar landscapes A geographer and an accomplished photographer Wyckoff offers a fresh perspective on the natural and human history of the American West and encourages readers to discover that history has shaped the places where people live work and visit This innovative field guide includes stories photographs maps and diagrams on a hundred landscape features across the American West Features are grouped according to type such as natural landscapes farms and ranches places of special cultural identity and cities and suburbs Unlike the geographic organization of a traditional guidebook Wyckoff's field guide draws attention to the connections and the differences between and among places Emphasizing features that recur from one part of the region to another the guide takes readers on an exploration of the eleven western states with trips into their natural and cultural character How to Read the American West is an ideal traveling companion on the main roads and byways in the West providing unexpected insights into the landscapes you see out your car window It is also a wonderful source for armchair

travelers and people who live in the West who want to learn more about the modern West how it came to be and how it may change in the years to come Showcasing the everyday alongside the exceptional Wyckoff demonstrates how asking new questions about the landscapes of the West can let us see our surroundings more clearly helping us make informed and thoughtful decisions about their stewardship in the twenty first century Watch the trailer <http://www.youtube.com/watch?v=aYSmp5gZ4I>

No Bottom Mike Newell, 2008 Cultural Writing NO BOTTOM informally tracks the life and letters of American icon and world revered author Barry Lopez whose literature of hope reminds readers the way we take care of ourselves is by taking care of each other This nonfiction book is a primer for newcomers to Lopez s work a haven for aficionados and a baedeker for academicians It includes an original interview and a provocative inquiry into Barry Lopez s six short story books These portals provide grounding for new arrivals to Lopez s insatiable Trickster wit and yield reader friendly end notes for academicians This book shows once again why many of us think of Barry Lopez as a national treasure Lewis Hyde author of *The Gift and Trickster Makes This World*

The Nature Principle Richard Louv, 2012-04-24 For many of us thinking about the future conjures up images of Cormac McCarthy s *The Road* a post apocalyptic dystopia stripped of nature Richard Louv author of the landmark bestseller *Last Child in the Woods* urges us to change our vision of the future suggesting that if we reconceive environmentalism and sustainability they will evolve into a larger movement that will touch every part of society This New Nature Movement taps into the restorative powers of the natural world to boost mental acuity and creativity promote health and wellness build smarter and more sustainable businesses communities and economies and ultimately strengthen human bonds Supported by groundbreaking research anecdotal evidence and compelling personal stories Louv offers renewed optimism while challenging us to rethink the way we live

Step into Nature Patrice Vecchione, 2015-03-31 Step outside your door and reconnect with nature From the author of *Writing and the Spiritual Life* comes a guide that will replenish your connection to the earth and inspire you to develop and strengthen your imagination The natural world has inspired artists seekers and thinkers for millennia but in recent times as the pace of life has sped up its demands have moved us indoors Yet nature s capacity to lead us to important truths to invigorate and restore our imagination and equilibrium is infinite Step into Nature makes nature personal again by stimulating awareness and increasing our understanding of the environment But being in nature doesn t mean flying off to remote faraway places Nature is as close as opening your front door and opening your heart to the sky above the miniature gardens that push their way up between the sidewalk cracks in our cities and the small stream just down the road Patrice Vecchione demonstrates how nature can support and enhance your creative output invigorate your curiosity and restore your sense of connection to and love of the earth Included throughout the book is *The Cabinet of Curiosities* exercises and suggestions for practical and unexpected ways to stimulate your imagination deepen your relationship with nature and experience the harmony between creativity and the natural world

Mark Twain's Geographical Imagination Joseph A. Alvarez, 2009-03-26 As early as the

1850s when Samuel L Clemens before he became Mark Twain as a teenager traveled from his hometown of Hannibal Missouri to the east Philadelphia Washington DC and New York City and south St Louis In the 1860s he traveled west to Nevada California and The Sandwich Islands Hawai I He also traveled east to Europe and the Middle East In between these early travels and his around the world lecture tour in the 1890s he lived for periods of time in Europe From these travels and sojourns abroad Clemens often found that the imagined geography differed significantly from the reality And as most people know he drew on his real and imagined home geography of the lower Mississippi River region to produce several works including his masterpiece Adventures of Huckleberry Finn Although much has been published about his travels this collection of essays marks a different approach to Twain s use of geography and geography s influence on Twain The eleven essays use Twain s concepts of space geography to help us understand or to complicate our understanding of some of Twain s works including Life on the Mississippi Adventures of Huckleberry Finn The Prince and the Pauper Roughing It A Connecticut Yankee in King Arthur s Court No 44 The Mysterious Stranger Tom Sawyer Abroad and The Private History of Campaign that Failed The contributors include veteran Twain scholars as well as a graduate student and a non academic humorist Their critical perspectives range from the biographical and historical to Althusserian Ideological The Writer's Eye Amy E. Weldon, 2018-07-12 Learning to write starts with learning to do one big thing pay attention to the world around you even though just about everything in modern life makes this more difficult than it needs to be Developing habits and practices of observing and writing down what you notice can be the first step away from the anxieties and doubts that can hold you back from your ultimate goal as a writer discovering something to say and a voice to say it in The Writer s Eye is an inspiring guide for writers at all stages of their writing lives Drawing on new research into creative writers and their relationship with the physical world Amy E Weldon shows us how to become more attentive observers of the world and find inspiration in any environment Including exercises writing prompts and sample texts and spanning multiple genres from novels to nonfiction to poetry this is the ideal starting point for anyone beginning to write seriously and offers refreshing perspectives for experienced writers seeking new inspiration *Deep Map Country* Susan Naramore Maher, 2014-05-01 Taking its name from the subtitle of William Least Heat Moon s *PrairieEarth* a deep map the deep map form of nonfiction and environmental writing defines an innovative and stratigraphic literary genre Proposing that its roots can be found in Great Plains nonfiction writing Susan Naramore Maher explores the many facets of this vital form of critique exploration and celebration that weaves together such elements of narrative as natural history cultural history geography memoir and intertextuality Maher s *Deep Map Country* gives readers the first book length study of the deep map nonfiction of the Great Plains region featuring writers as diverse as Julene Bair Sharon Butala Loren Eiseley Don Gayton Linda Hasselstrom William Least Heat Moon John Janovy Jr John McPhee Kathleen Norris and Wallace Stegner *Deep Map Country* examines the many layers of storytelling woven into their essays the deep time of geology and evolutionary biology the cultural history of

indigenous and settlement communities the personal stories of encounters with this expansive terrain the political and industrial stories that have affected the original biome and Plains economies and the spiritual dimensions of the physical environment that press on everyday realities *Every Natural Fact* Amy Lou Jenkins,2010-06-01 *Every Natural Fact* Five Seasons of Open Air Parenting is a narrative of mother and son nature outings across the state of Wisconsin In a style that blends the voices of Janisse Ray and Annie Dillard a mother and son explore parallels in the world of people and nature The interconnected chapters stand on their own and build upon each other These explorations of natural history flora and fauna and parenting themes demonstrate that the mythic thread that winds through everything can still be found even in a world of wounds Amy Lou Jenkins award winning writing is rich in sensory immediacy characterization natural history and humor

Where Mortals Dwell Craig G. Bartholomew,2011-09-01 Place is fundamental to human existence However we have lost the very human sense of place in today s postmodern and globalized world Craig Bartholomew a noted Old Testament scholar and the coauthor of two popular texts on the biblical narrative provides a biblical theological and philosophical grounding for place in our rootless culture He illuminates the importance of place throughout the biblical canon in the Christian tradition and in the contours of contemporary thought Bartholomew encourages readers to recover a sense of place and articulates a hopeful Christian vision of placemaking in today s world Anyone interested in place and related environmental themes including readers of Wendell Berry will enjoy this compelling book Landmarks Robert Macfarlane,2015-03-05 SHORTLISTED FOR THE SAMUEL JOHNSON PRIZE SHORTLISTED FOR THE WAINWRIGHT PRIZE From the bestselling author of UNDERLAND THE OLD WAYS and THE LOST WORDS Few books give such a sense of enchantment it is a book to give to many and to return to repeatedly Independent Enormously pleasurable deeply moving A bid to save our rich hoard of landscape language and a blow struck for the power of a deep creative relationship to place Financial Times A book that ought to be read by policymakers educators armchair environmentalists and active conservationists the world over Guardian Gorgeous thoughtful and lyrical Independent on Sunday Feels as if it somehow grew out of the land itself A delight Sunday Times Discover Robert Macfarlane s joyous meditation on words landscape and the relationship between the two Words are grained into our landscapes and landscapes are grained into our words Landmarks is about the power of language to shape our sense of place It is a field guide to the literature of nature and a glossary containing thousands of remarkable words used in England Scotland Ireland and Wales to describe land nature and weather Travelling from Cumbria to the Cairngorms and exploring the landscapes of Roger Deakin J A Baker Nan Shepherd and others Robert Macfarlane shows that language well used is a keen way of knowing landscape and a vital means of coming to love it *Meander* Margaret Wooster,2021-08-01 Meander tells the story of the Great Lakes region s experiment in restoring a complicated natural system of flowing water Drawing on her own experience as a watershed planner teacher and Great Lakes activist Margaret Wooster describes the language history and failures of many of our water management

policies She then turns to Buffalo Creek to teach us how the Great Lakes work from a hill made of water to a cut off oxbow to a buried delta transitioning from two centuries of industrialization Wooster explores how on the Niagara Frontier especially traditional ecological knowledge and Indigenous values were suppressed by colonial rules of settlement The ecosystem value of physical integrity or connectivity between upstream and down surface flow to aquifer river to land was never fully unpacked While our management policies often sever them these connections are key to Buffalo Creek and Great Lakes recovery and resilience Wooster leaves us with the idea that it is up to us the people who live along these flows and in their watersheds to learn as much as we can about these connections and to use our local authorities to make room for rivers and protect our planet s circulatory system for future generations

This Is the Place Margot Kahn, 2017-11-14 A thought provoking collection of personal essays about home What makes a home What do equality safety and politics have to do with it And why is it so important to us to feel like we belong In

this collection 30 women writers explore the theme in personal essays about neighbors marriage kids sentimental objects homelessness domestic violence solitude immigration gentrification geography and more Contributors including Amanda Petrusich Naomi Jackson Jane Wong and Jennifer Finney Boylan lend a diverse range of voices to this subject that remains at the core of our national conversations Engaging insightful and full of hope This is the Place will make you laugh cry and think hard about home wherever you may find it This collection encompassing a spectrum of races ethnicities religions sexualities political beliefs and classes could not be timelier open this book hear its chorus of voices and remember that we are a nation of individuals bound to each other by our humanity The New York Times Book Review an honest portrait of the U S pieced together like an imperfect American quilt We need more books like this BUST *Other Country* James Perrin Warren,2015-12-03 The award winning American environmental writer Barry Lopez has traveled extensively in remote and populated parts of the world Lopez s fiction and nonfiction focus on the relationship between the physical landscape and human culture posing abiding questions about ethics intimacy and place *Other Country* presents a full scale treatment of Lopez s work James Perrin Warren examines the relationship between Lopez s writing and the work of several contemporary artists composers and musicians whose works range from landscape photography painting and graphic arts to earth art ceramics and avant garde music The author demonstrates Lopez s role in creating this community of artists who have led cultural change and shows that Lopez s writing and his engagement with the natural world creates an other country by redefining boundaries rediscovering a place and renewing our perceptions of landscapes Warren s critique examines manuscripts and typescripts from the 1960s to the present interviews with Lopez conducted from 2008 to 2013 and interviews with artists Part 1 focuses on the relationship between Lopez s storytelling which he calls a conversation with the land and Robert Adams s landscape photography For both Lopez and Adams a worthy artistic expression serves the cultural memory of a community reminding us how to behave properly toward other people and the land Part 2 looks at the collaborative friendship of Lopez and visual artist Alan Magee tracking the development of Lopez s short stories through a consideration of Magee s career Part 3 moves farther afield discussing Lopez s relationship to Richard Long s earth art Richard Rowland s ceramics and John Luther Adams s soundscapes *Other Country* reveals the dynamic relationships between Lopez considered by many the most important environmental writer working in America and the artistic community who seek to explore the spiritual and ethical dimensions of an honorable and attentive relationship to the land and thus offer profound implications for the future of the planet **The Call of the Honeyguide** Rob Dunn,2025-08-26 A must read David George Haskell that shows how rethinking our relationships with other species can help us reimagine the future of humankind In the woodlands of sub Saharan Africa sometime deep in our species past something strange happened a bird called out not to warn others of human presence but to call attention to herself Having found a beehive that bird a honeyguide sought human aid to break in The behavior can seem almost miraculous How would a bird come to think that people could help her Isn t life

simply bloodier than that As Rob Dunn argues in *The Call of the Honeyguide* it isn't Nature is red in tooth and claw but in equal measure life works together Cells host even smaller life wrapped in a web of mutual interdependence Ants might go to war but they also tend fungi aphids and even trees And we humans work not just with honeyguides but with yeast crops and pets Ecologists call these beneficial relationships mutualisms And they might be the most important forces in the evolution of life We humans often act as though we are all alone independent from the rest of life As *The Call of the Honeyguide* shows we are not It is a call to action for a more beneficent less lonely future *Archive Activism* Charles Francis, 2023-09-15

Archive Activism is a memoir of activism rooted in a new way to converse with history by rescuing it Archive activists discover documents and other important materials often classified gone missing or sealed that somehow escaped the fireplace or shredder It is an approach to LGBTQ advocacy and policy activism based on citizen archiving and original archival research to effect social change Research Activism is the formula growing out of Charles Francis's personal story as a gay Texan born and raised during the 1950s and 1960s in Dallas The rescues range in time and place from Francis's first encounter with a raucous near violent religious demonstration in Fort Worth to attics loaded with forgotten historic treasures of LGBTQ pioneers *Archive Activism* tells how Francis helped Governor George W Bush achieve his dream of becoming president in 2000 by reaching out to gay and lesbian supporters the first time a Republican candidate for president formally met with gay and lesbian Americans This inspired Francis to engage with deleted LGBTQ history by forming a historical society with an edge a new Mattachine Society of Washington DC For the first time *Archive Activism* reveals how LGBTQ secrets were held for decades at the LBJ Presidential Library in the papers of President Johnson's personal secretary sealed until her death at age 105 Mattachine's signature discovery is a federal attorney's classified assault blandly filed under Suitability at the National Archives What it boils down to is that most men look upon homosexuality as something uniquely nasty *Archive Activism* is not only a memoir but also an essential roadmap for activists from any group armed only with their library cards
