Deputy Warden's Reflections on Prison Work Adria L. Libolt,2012-01-20 This book is a picture of prison life from the inside It illustrates prison life as at turns exciting surprising distressing and often amusing Each day is different and anyone who walks through a prison gate had better be alert It tells of the small human dramas that play out daily among staff prisoners and others who enter this gated world It calls the reader to see that justice begins by seeing each person staff or prisoner as an individual with his or her own story The passion of the author is to portray prison life as continuous with life in broader society In prisons we meet the same cast of characters the same temptations the same dangers and the same rewards as on the outside Rather than regarding prisons as separate worlds we should regard them as extensions of the society in which we live This is important because there is a continuous flow between prisons and the broader society Those who go to prison usually return to society Understanding how prisons work will help us as we consider how to reintegrate former prisoners into our society As the author argues this is difficult but important work **Beneath the Mountain: An Anti-Prison**

Reader Mumia Abu-Jamal,Jennifer Black,2024-07-16 Essential radical texts by enslaved jailed and imprisoned Americans edited by renowned political prisoner Mumia Abu Jamal and activist scholar Jennifer Black Filled with insight and energy this extraordinary book gifts us the opportunity to encounter people s understanding of the fight for freedom from the inside out Ruth Wilson Gilmore author of *Golden Gulag* and *Abolition Geography* Martin Luther King told us what he saw when he went to the mountaintop But there s also the foot of the mountain and there are also the regions beneath the surface I want to try to tell you a little something about those regions Angela Y Davis author of *Angela Davis An Autobiography* *Beneath the Mountain* is a reader s guide for understanding the evolution of anti prison tenets This essential core of primary texts provides an arc of insurgent writings by dissidents and revolutionaries who experienced incarceration and state terror first hand With contributions from John Brown Frederick Douglass and Crazy Horse to Assata Shakur Malcolm X and Leonard Peltier it also includes a previously unpublished communiqu from Angela Davis written from jail at the time when she was forging the anti prison critique that has since inspired a national movement *Beneath the Mountain* offers a record of the historic foundations for the contemporary abolition movement What emerges from these texts is an emancipatory vision that inspires the work being done today a vision centered on organizing and solidarity as an antidote to repression An invaluable resource for readers on both sides of prison walls this compendium of resistance and hard won vision will be essential to all who seek to develop an abolitionist critique and to further an understanding of the nature of repression and liberation **A**
