Homosexuality According To The Bible:

Two Views on Homosexuality, the Bible, and the Church Zondervan, 2016-11-29 Unique among most debates on homosexuality this book presents a constructive dialogue between people who disagree on significant ethical and theological matters and yet maintain a respectful and humanizing posture toward one another Few topics are more divisive today than homosexuality Two Views on Homosexuality the Bible and the Church brings a fresh perspective to a well worn debate While Christian debates about homosexuality are most often dominated by biblical exegesis this book seeks to give much needed attention to the rich history of received Christian tradition bringing the Bible into conversation with historical and systematic theology To that end both theologians and biblical scholars well accomplished in their fields and conversant in issues of sexuality and gender articulate and defend each of the two views Affirming represented by William Loader and Megan K DeFranza Traditional represented by Wesley Hill and Stephen R Holmes The main essays are followed by insightful responses that interact with their fellow essayists with civility Holding to a high view of Scripture a commitment to the gospel and the church and a love for people especially those most affected by this topic the contributors wrestle deeply with the Bible and theology especially the prohibition texts the role of procreation gender complementarity and pastoral accommodation The book concludes with reflections from general editor Preston Sprinkle on the future of discussions on faith and sexuality The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion [What Does the Bible Really Teach about Homosexuality?](#) Kevin DeYoung, 2015-04-16 In just a few short years massive shifts in public opinion have radically reshaped society's views on homosexuality Feeling the pressure to forsake long held beliefs about sex and marriage some argue that Christians have historically misunderstood the Bible's teaching on this issue But does this approach do justice to what the Bible really teaches about homosexuality In this timely book award winning author Kevin DeYoung challenges each of us the skeptic the seeker the certain and the confused to take a humble look at God's Word Examining key biblical passages in both the Old and New Testaments and the Bible's overarching teaching regarding sexuality DeYoung responds to popular objections raised by Christians and non Christians alike offering readers an indispensable resource for thinking through one of the most pressing issues of our day **What does the Bible Really Teach About**

Homosexuality? Denmark Hill, 2015-04-17 In just a few short years massive shifts in public opinion have radically reshaped society's views on homosexuality Feeling the pressure to forsake long held beliefs about sex and marriage some argue that Christians have historically misunderstood the Bible's teaching on this issue But does this approach do justice to what the Bible really teaches about homosexuality In this timely book award winning author Kevin DeYoung challenges each of us the skeptic the seeker the certain and the confused to take a humble look at God's Word Examining key biblical passages in both

the Old and New Testaments and the Bible's overarching teaching regarding sexuality DeYoung responds to popular objections raised by Christians and non Christians alike offering readers an indispensable resource for thinking through one of the most pressing issues of our day **The Bible and Homosexual Practice** Robert A. J. Gagnon, 2010-10-01 Gagnon offers the most thorough analysis to date of the biblical texts relating to homosexuality He demonstrates why attempts to classify the Bible's rejection of same sex intercourse as irrelevant for our contemporary context fail to do justice to the biblical texts and to current scientific data Gagnon's book powerfully challenges attempts to identify love and inclusivity with affirmation of homosexual practice the most sophisticated and convincing examination of the biblical data for our time J rgen Becker Professor of New Testament Christian Albrechts University Science, Scripture, and Homosexuality Alice Ogden Bellis, Terry L. Hufford, 2011-01-01 The collaborative work of a biblical scholar and a biology professor Science Scripture and Homosexuality addresses scripture passages relating to homosexuality and explains the foundation of genetics and the growing evidence suggesting an organic basis for sexual orientation The authors argue that the role of the homosexual as well as the heterosexual within the Church should be based upon common criteria for all Written in a highly accessible manner the book is ideal for congregational discussion **Four (and a half) Dialogues on Homosexuality and the Bible** Donald J. Zeyl, 2022-02-07 Four and a half Dialogues on Homosexuality and the Bible explores four different interpretive approaches to biblical texts regarding homosexuality and same sex marriage Differences of interpretation are discussed openly honestly and charitably The dialogues four characters maintain friendship with each other despite their disagreements and so the book serves as a model of how difficult potentially divisive conversations on a controversial topic might be conducted Three of the four perspectives presented for examination are well represented in the existing literature the fourth is not as familiar and is offered and developed as a proposal for bridging the divide that persists among theologically conservative Christians who honor the authority of Scripture over their thinking and their living Ongoing conflict over this issue is destructive of the unity toward which the Bible summons all believers to strive and so the book includes also a call to create space for one another both individually and institutionally for differences in theological conclusions and in community practices Each of the dialogues begins with one of the characters telling their personal story regarding their sexuality continues with that character's case for their view and concludes with a series of suggested discussion questions **Jesus, the Bible, and Homosexuality, Revised and Expanded Edition** Jack Rogers, 2009-04-14 In this revised and expanded best seller Rogers argues for equal rights in both the church and society for lesbians gays bisexuals and transgendered people He describes how he moved away from opposition to support charts the church's history of using biblical passages to oppress marginalized groups argues for a Christ centered reading of Scripture debunks stereotypes about gays and lesbians and explores texts used most frequently against homosexuals and gay ordination In this newly revised edition he maps the recent progress of major U S denominations toward full equality for LGBT persons adds a

new chapter that examines how Scripture is best interpreted by Jesus redemptive life and ministry and updates his own efforts and experiences The book also includes a guide for group study or personal reflection **A Homosexual Struggle** Johnathan Spirit, 2014-11-13 This story is about a young man who was sexually abused as a young boy Over the years he lived a secret homosexual life By him living as a homosexual he had to struggle with this lifestyle based on his religious Christian beliefs While living this life he encountered the spirit of homosexuality lust and perversion He later tells on how the Lord Jesus has saved and delivered him from these evil spirits and the homosexual lifestyle **The Bible and Homosexuality in Zimbabwe** Masiwa Ragies Gunda, 2010 **What the Bible Says—and Doesn't Say—About Homosexuality** John Teller, 2016-03-07 Have you ever wondered what the Bible has to say about homosexuality A growing number of Christians have come to believe that the Bible does not prohibit or condemn homosexual acts This book is intended to refute this fundamentally flawed view and to respond to one of its principal propagators the Rev Dr Mel White The Rev Mel White's What the Bible Says and Doesn't Say About Homosexuality is a treatise that argues that the Bible when correctly understood neither condemns nor prohibits homosexual relationships between loving committed same sex partners The apparent prohibitions of sodomy and other homosexual acts in the Old Testament are intended not as injunctions from God but as reflections of societal tastes and preferences Even if such prohibitions were based on Old Testament biblical laws Dr White argues such laws have no application or bearing on contemporary Christians who fall under the law of grace Dr White's treatise employs subtle twists of logic and misunderstandings of fundamental biblical principles in support of its conclusions His treatise is especially dangerous to readers having shallow biblical knowledge and who may not fully understand the extent and clarity of the Bible's prohibition on homosexual conduct At last there is now an answer to Dr White's treatise In this volume John Teller sets forth a systematic reply to each of Dr White's defenses of homosexuality John Teller thoroughly replies to refutes and rebuts each of Dr White's arguments on a detailed point by point basis The present volume is indispensable to the Christian studying human sexuality in light of biblical principles **Four (and a half) Dialogues on Homosexuality and the Bible** Donald J. Zeyl, 2022-02-07 Four and a half Dialogues on Homosexuality and the Bible explores four different interpretive approaches to biblical texts regarding homosexuality and same sex marriage Differences of interpretation are discussed openly honestly and charitably The dialogues four characters maintain friendship with each other despite their disagreements and so the book serves as a model of how difficult potentially divisive conversations on a controversial topic might be conducted Three of the four perspectives presented for examination are well represented in the existing literature the fourth is not as familiar and is offered and developed as a proposal for bridging the divide that persists among theologically conservative Christians who honor the authority of Scripture over their thinking and their living Ongoing conflict over this issue is destructive of the unity toward which the Bible summons all believers to strive and so the book includes also a call to create space for one another both individually and institutionally for differences in theological

conclusions and in community practices Each of the dialogues begins with one of the characters telling their personal story regarding their sexuality continues with that character's case for their view and concludes with a series of suggested discussion questions

Homosexuality, Science, and the "Plain Sense" of Scripture David L. Balch, 2007-07-01 Elucidates the pros and cons of current Christian discussion on the question of homosexuality Challenges partisan views and provides a balanced discussion

Homoeroticism in the Biblical World Martti Nissinen, 2004-02-01 Nissinen's award winning book surveys attitudes in the ancient world toward homoeroticism that is erotic same sex relations Focusing on the Bible and its cultural environment Mesopotamia Greece Rome Israel Nissinen concisely and readably introduces the relevant sources and their historical contexts in a readable way Homoeroticism is examined as a part of gender identity i.e. the interplay of sexual orientation gender identification gender roles and sexual practice In the patriarchal cultures of the biblical world Nissinen shows homoerotic practices were regarded as a role construction between the active and passive partners rather than as expressions of an orientation moderns call homosexuality Nissinen shows how this applies to the limited acceptance of homoerotic relationships in Greek and Roman culture as well as to Israel's and the early church's condemnation of any same sex erotic activity For readers interested in the ancient world or contemporary debates Nissinen's fascinating study shows why the ancient texts both biblical and nonbiblical are not appropriate for use as sources of direct analogy or argument in today's discussion

Pastoral Care of Gays, Lesbians, and Their Families David K. Switzer, John Thornburg, 1999 This book written by a pastoral theologian with many years of experience in counseling gay and lesbian individuals and their families assists both pastoral caregivers and congregations in examining and enhancing their pastoral care of homosexuals and their families A deeply thoughtful book written with great sensitivity *Pastoral Care of Gays Lesbians and Their Families* provides factual information theological and biblical insight and practical counseling skills to help congregations become caring communities for gays and lesbians

Jesus, the Bible, and Homosexuality Jack Bartlett Rogers, 2006-01-01 In this sure to be controversial book former seminary professor and church official Jack Rogers argues unequivocally for the ordination of homosexuals and for the extension of full and equal rights in society to all people who are homosexual Christianity he observes has moved through history in the direction of ever greater openness and inclusiveness Today's church is led by many of those who were once cast out people of color women and divorced and remarried people It is inevitable he believes that gay lesbian bisexual and transgender people will one day walk in the same steps as other Christian leaders Rogers an evangelical begins by discussing his own personal change of heart and mind on the issue a change that has moved him into the middle of this controversy in his own church the Presbyterian Church U S A He examines how the church misused the Bible to justify slavery and the denial of rights to women and links these efforts to efforts today to use biblical texts to deny equal rights to gays and lesbians He shows how neither the Bible nor the Confessions are opposed to homosexuality and debunks frequently used fundamentalist stereotypes and myths about gays and lesbians Rogers concludes

with his thoughts on how the church can heal itself and move forward *Homosexuality and the Bible* Dan Otto Via, 2003 In this brief book two New Testament scholars discuss the relevant biblical texts on the subject of homosexual behavior and orientation **The Homosexual Network** Enrique Rueda, 1982 *The New Testament and Homosexuality* Robin Scroggs, Just what is a proper use of the Bible especially the New Testament in Christian debates about acceptance of homosexuals In addition to bringing clarity and honesty to issues of the relevance of the Bible this work brings a little more light and a little less heat to the discussion a little more acceptance of all persons on the other side and maybe even an awareness that in Christ there is really no other side at all **Speaking of Homosexuality** Joe Dallas, 2016-10-18 Former Gay Activist Paves the Way to Peaceful Conversation Homosexuality and gay marriage stand among perhaps the greatest defining cultural battles of our age There s no escaping the inevitable conversations so how does a Christian respond with love and biblical truth without adding fuel to the fire Drawing on nearly thirty years of counseling people struggling with homosexuality former gay activist Joe Dallas takes readers through virtually every argument they are likely to hear in favor of normalizing homosexuality He helps readers understand the views of LGBT people they may know and respond with clarity confidence and compassion He shows the most effective ways to engage the subject on social media and in everyday encounters with guidelines for talking points dialogue approach and tone and even provides sample dialogue Anyone who has been searching for ways to have productive loving conversations surrounding this critical topic will find this incredible resource a must have At one time or another every twenty first century Christian is likely to be confronted about his or her views on homosexuality But how can we approach this challenging issue in a way that faithfully reflects Jesus s heart and mind Joe Dallas answers that question in this clear and compelling guide for engaging others with both gentleness and biblical truth Jim Daly president Focus on the Family I ve often said no one understands the subject of same sex sexuality better than my friend Joe Dallas This book his best yet only confirms my conviction I m not speaking merely of Joe s formidable knowledge of truth but also the wisdom of its application through crystal clear and concise communication In the wake of the June 2015 US Supreme Court s redefinition of marriage *Speaking of Homosexuality* will equip you to engage a topic that is foundational to human civilization Hank Hanegraaff president the Christian Research Institute host of the Bible Answer Man broadcast *Speaking of Homosexuality* is one of the most clear and informative books on the subject Dallas responds to the most common Revisionist arguments with clarity but also genuine kindness If you want one book to offer biblical and historical truth about homosexuality but also how to lovingly put that truth into action then you won t find a better book Sean McDowell PhD professor of Christian apologetics Biola University author *Same Sex Marriage and Apologetics for a New Generation* In answer to the urgency of our world s current situation Joe Dallas has now crafted a resourceful tool filled with biblical truth and insightful strategies *Speaking of Homosexuality* is essential for every person in need of answers for themselves a family member or a friend struggling with same sex attraction Joni Lamb cofounder Daystar Television Network There is no

question that one of the most difficult issues facing the church today is the subject of homosexuality But God didn't leave us in the dark on the topic of human sexuality He gave us clear directives for this part of our lives so that we might experience the abundant life He promises But speaking those guidelines to a confused church and a hardening culture isn't easy No one does it better than Joe Dallas Like no other voice I hear Joe both lives and ministers with that continual balance of truth and love on this most contentious topic In a day where Christians are growing more silent we need a book like this to teach us how to winsomely engage while never retreating from God's protective Truth This is a must read for the church today Janet Parshall nationally syndicated talk show host

Christianity and Controversies over Homosexuality in Contemporary Africa
Ezra Chitando, Adriaan van Klinken, 2016-05-12

Issues of homosexuality are the subject of public and political controversy in many African societies today Frequently these controversies receive widespread attention both locally and globally such as with the Anti Homosexuality Bill in Uganda In the international media these cases tend to be presented as revealing a deeply rooted homophobia in Africa fuelled by religious and cultural traditions But so far little energy is expended in understanding these controversies in all their complexity and the critical role religion plays in them Complementing the companion volume *Public Religion and the Politics of Homosexuality in Africa* this book investigates Christian politics and discourses on homosexuality in sub-Saharan Africa The contributors present case studies from various African countries from Nigeria to South Africa and from Cameroon to Uganda focusing on Pentecostal Catholic and mainline Protestant churches They critically examine popular Christian theologies that perpetuate homophobia and discrimination but they also discuss contestations of such discourses and emerging alternative Christian perspectives that contribute to the recognition of sexual diversity social justice and human rights in contemporary Africa
