Homosexuality FAQs - A Christian Perspective eBook Daniel Lim & Ian Toh, 2022-07-22 Homosexuality is not a recent phenomenon or a newly emerged issue It exists since the ancient time despite the suppression by tradition and culture It started to surface in recent years as technology and media have developed in racing speed The society has become more open and acceptive to the topic people started to reflect on the traditional thinking on human relationship voices and discussions regarding homosexuality are getting common The word homosexuality which merely means same sex relationship in the past has evolved to LGBTQ which covers Lesbians Gays Bisexuals Transgenders and Queers nowadays Although there are more discussions do we truly understand LGBTQ How should we discern the right and wrong From Christian perspective how should we see it and live with its community Does the Bible provide us the answer In the past when religions are confronted by issues of homosexuality and LGBTQ they would quickly jump into a conclusion such as sin against the nature promiscuity unclean etc On one hand religious communities subconsciously hold different attitudes and mindsets toward LGBTQ community on the other hand media coverage and celebrity influence exalt the revolution and advocacy of LGBTQ so that people or religious bodies who hold different point of views may be labeled as conservative old fashioned traditional conventional etc Over time a gap has formed between LGBTQ and religious communities Nevertheless before we decide between the right and wrong or give people a label of unrighteousness could we jump out of the endless quarrel opposition or criticism Could we adjust our perspective to understand to observe and to contemplate the matter so that we can better serve this community and walk with them with the love of Christ while we hold on to the law and principle of God Homosexuality FAQs A Christian Perspective is a wonderful guide for Churches It helps readers to understand the issue more comprehensively find out the viewpoints of the Bible and learn how to reach out and serve LGBTQ community This book clears doubts and confusions on LGBTQ through 10 questions in the first section It tries to rebut general arguments from objective and scientific perspective In the second section it discusses LGBTQ from biblical perspective through 16 questions Lastly the editors laid out 6 questions to discuss the relation between Christians and the society on LGBTQ issue Each answer begins with quick response to give readers the key concept then followed by elaboration and more supplementary information This structure is clear and easy to follow What I appreciate the most is that it does not merely lay out a pile of data and evidence but also shares ministry tips at the end of some answers so that readers can break through the frame of merely knowledge thinking and critique and more important they can learn how to bridge the gap between the LGBTQ and us counsel and serve LGBTQ community Whether you want to know more the issue or feel the burden to serve the LGBTQ community this book is worth to read Bishop Dr Titus Chung Anglican Diocese of Singapore President National Council of Churches of Singapore **The Wheat and Tares and the Ten Virgins** James Elliott, 2021-10-18 The Wheat and Tares and

the Ten Virgins are two parables that are not often talked about by theologians bishops and the fivefold ministry of apostles prophets evangelists pastors and teachers And this is due in part in my opinion because there is an obscurity as to who are the tares and the five foolish virgins in those parables that the Lord Jesus is referring to who are not only in the world but also who call the Lord Jesus as their Savior So the tares that I m going to put a spotlight on are those preachers and false teachers of God s word be they called Pastor Bishop Apostle Elder Father Minister Reverend Dr Reverend Reverend Dr whatever title these tare preachers and false teachers of God s word prefer And of the doctrines the devils that have been sown through them into the body of Christ as well as who are the five foolish virgins out of the Ten who got left behind

Theology and Violent Rhetoric Examined in a Queer Womanist Critical Ethnography Teresa L. Smallwood, 2025-01-23 Public theology is an emerging constructive tool In its inception public theology was largely contextualized as the public church However this thoughtful and empathetic book situates our publics everywhere Smallwood contends that those who have been harmed by violent rhetoric from speech actors who would other them retain the capacity to have and hold a theology This different entry point allows for people of faith those who are and those who are not associated with a particular communion of faith or denominational affiliation to claim public space for theologizing Here public theology is about the capacity of those who are othered to affirmatively express their faith and to critically engage with those who would deny and denigrate their ontology Enduring hardship as a good soldier does not mean exposing oneself to verbal abuse week after week Many LGBTQIA persons are assaulted degraded humiliated and derogated from the pulpits and podiums of places of worship This abuse caused many to turn away from their faith Those who withstood protracted verbal abuse turned it inward and began to hate themselves Through ethnography Smallwood tackles these tough truths and engages with LGBTQIA persons This book critically examines both the harm done to them and the help that is to come from a paradigmatic shift in care Smallwood emphasises how spiritual self assessment ritual and indigenous spiritual practices offer a way to wholeness and healing Drawing from Yoruba epistemology this work offers a framework for rebirth renewal and reclamation **A Homosexual**

The Holy Vote Sarah Diefendorf, 2023-02-07 Based on two years of ethnographic fieldwork at a megachurch sociologist Sarah Diefendorf investigates the ways in which evangelicals are working to grow as an institution during a time of cultural shifts that are leading young people to leave the faith In order to grow the church needs to reapproach topics long understood as external threats to the organization such as feminism gender equality racial inclusivity and queerness topics that Diefendorf classifies as the imagined secular in the mind of evangelicals She finds that the church's ways of reworking their messages to appear more welcoming still uphold already privileged identities
