that improve educational outcomes for all children especially those most marginalized in PreK 20 classrooms The volume bridges the gap between the theoretical foundations of critical race theory and its application in formal and informal learning environments To promote an active and interdisciplinary engagement of critical race praxis it illuminates the pedagogical possibilities of using CRT while explicitly addressing grade span specific content area standards and skills Each chapter explores how educators use a critical race theory lens to deepen student learning teach honestly about racism and white supremacy and actively prepare learners to equitably participate in a multiracial democracy Written for pre and in service teachers teacher educators and anti racist community stakeholders the text addresses the applicability of CRT as a pedagogical practice for PreK 20 educators seeking to meaningfully combat intersectional racial injustice and to create a more just democracy This book is necessary reading for educators and courses in Educational Foundations Anti Racist Education Social Justice Education Curriculum Studies Educational Leadership and Multicultural Education Social Studies for a Better World Noreen Naseem Rodriguez,Katy Swalwell,2023-09-01 Plan and deliver a curriculum to help your students connect with the humanity of others In the wake of 2020 we need today s young learners to be prepared to develop solutions to a host of entrenched and complex issues including systemic racism massive environmental problems deep political divisions and future pandemics that will severely test the effectiveness and equity of our health policies What better place to start that preparation than with a social studies curriculum that enables elementary students to envision and build a better world In this engaging guide two experienced social studies educators unpack the oppressions that so often characterize the elementary curriculum normalization idealization heroification and dramatization and show how common pitfalls can be replaced with creative solutions Whether you re a classroom teacher methods student or curriculum coordinator this is a book that can transform your understanding of the social studies disciplines and their power to disrupt the narratives that maintain current inequities Literature for Young Adults Joan L. Knickerbocker,2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives and the books discussed throughout Literature for Young Adults have the potential to make that connection and motivate them to read It explores a great variety of works genres and formats but it places special emphasis on contemporary works whose nontraditional themes protagonists and literary conventions make them well suited to young adult readers It also looks at the ways in which contemporary readers access and share the works they re reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs In addition to traditional genre chapters Literature for Young Adults includes chapters on literary nonfiction poetry short stories and drama cover art picture books illustrated literature and graphic novels and film It recognizes that while films can be used to complement print literature they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with The book s discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a

literary conversation with their students and others when communicating about books It will help readers teach young adults the language they need to articulate their responses to the books they are reading **Catalog of Copyright Entries, Third Series** Library of Congress.
