Gone Native An Ncos Story:

Gone Native Alan Cornett, 2007-12-18 On his first combat assignment Cornett accompanied the Vietnamese Rangers on a search and destroy mission near Khe Sang There he gained entree into a culture that he would ultimately respect greatly and admire deeply Cornett's most challenging military duty began when he joined the Phoenix Program As part of AK squad he dressed in enemy uniform and roamed the deadly Central Highlands capturing high ranking VC officers in hot firefights and ambushes It was there deep in enemy territory where the smallest mistake meant sudden death that the Vietnamese fighting men earned his utmost respect While offering rare glimpses of an aspect of the war most of the military and media never saw Cornett tells the full gut wrenching story of his Vietnam He also gives an unsparing view of himself telling a no holds barred story of an American soldier who made sacrifices far beyond the call of duty a soldier who in defiance of the U S government refused to turn his back on the Vietnamese

Historical Dictionary of the War in Vietnam Ronald B. Frankum Jr., 2011-06-10 For Southeast Asia the Vietnam War altered forever the history topography people economy and politics of the Democratic Republic of Vietnam DRV the Republic of Vietnam RVN Cambodia and Laos That the war was controversial is an understatement as is the notion that the war can be understood from any one perspective One way of understanding the Vietnam War is by marking its time with turning points both major and minor that involved events or decisions that helped to influence its course in the years to follow By examining a few of these turning points an organizational framework takes shape that makes understanding the war more possible Historical Dictionary of the War in Vietnam emphasizes the international nature of the war as well as provide a greater understanding of the long scope of the conflict The major events associated with the war will serve as the foundation of the book while additional entries will explore the military diplomatic political social and cultural events that made the war unique While military subjects will be fully explored there will be greater attention to other aspects of the war All of this is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the Vietnam War
