Propp, 2008-12-16 Its 1976 and Janet Tanhurst is a teenager who feels stifled by life with her strict mother and the
authoritarian church she must attend Once out of high school however Janet is initiated into a fascinating new world of
Astrology Tarot cards and Spirit Mediums Next she encounters the mysterious world of UFOs a bewildering and sometimes
frightening realm encompassing ancient astronauts alien abductions and shadowy government conspiracies As the 1980s
arrive the Christian dominated Piscean Age seems to be giving way to a long anticipated Aquarian Age with its hope for a
coming revolution in higher consciousness There are new paradigms in philosophy and science promoting a holographic
conception of the universe as engaged in a Cosmic Dance along with the emergence of an introspective type of instrumental
music known as New Age With the help of bookstore owner Whisper Wynn Janet investigates subjects such as reincarnation

book is the ultimate animal rights encyclopedia chock full of facts and resources that will guide you at home in the
marketplace in life Woody Harrelson With more than two million members and supporters People for the Ethical Treatment
of Animals PETA is the world s largest animal rights organization and its founder and president Ingrid Newkirk is one of the
most well known and most effective activists in America She has spearheaded worldwide efforts to improve the treatment of
animals in manufacturing entertainment and elsewhere Every day in laboratories food factories and other industries animals
by the millions are subjected to inhumane cruelty In this accessible guide Newkirk teaches readers hundreds of simple ways

to stop thoughtless animal cruelty and make positive choices For each topic Newkirk provides hard facts personal insight inspiration ideas and resources including How to eat healthfully and compassionately How to adopt animals rather than support puppy mills How to make your vote count and change public opinion How to switch to cruelty free cosmetics and clothing How to choose amusements that protect rather than exploit animals With public concern for the well being of animals greater than ever particularly among young people this timely practical book offers exciting and easy ways to make a difference Furnishes information useful to even experienced activists Newkirk writes in direct and conversational prose that disarms while it educates Library Journal A terrific book that uplifts you by showing you there are easy sensible clear ways to help animals that you might never have dreamt of Martin Sheen

The Routledge Handbook of Religion and Animal Ethics Andrew Linzey, Clair Linzey, 2018-09-29 The ethical treatment of non human animals is an increasingly significant issue directly affecting how people share the planet with other creatures and visualize themselves within the natural world The Routledge Handbook of Religion and Animal Ethics is a key reference source in this area looking specifically at the role religion plays in the formation of ethics around these concerns Featuring thirty five chapters by a team of international contributors the handbook is divided into two parts The first gives an overview of fifteen of the major world religions attitudes towards animal ethics and protection The second features five sections addressing the following topics Human Interaction with Animals Killing and Exploitation Religious and Secular Law Evil and Theodicy Souls and Afterlife This handbook demonstrates that religious traditions despite often being anthropocentric do have much to offer to those seeking a framework for a more enlightened relationship between humans and non human animals As such The Routledge Handbook of Religion and Animal Ethics is essential reading for students and researchers in religious studies theology and animal ethics as well as those studying the philosophy of religion and ethics more generally

World Peace Diet, the (Tenth Anniversary Edition) Tuttle Will, Will M. Tuttle, 2016 New Tenth Anniversary Edition What is so simple as eating an apple And yet what could be more sacred or profound Food is our most intimate and telling connection both with the natural order and with our cultural heritage But it is increasingly clear that the choices we make about food today are leading to environmental degradation enormous human health problems and unimaginable cruelty toward our fellow creatures The World Peace Diet presents the outlines of a more empowering understanding of our world based on comprehending the far reaching implications of our food choices Incorporating systems theory teachings from mythology and religions and the human sciences Will Tuttle offers a set of universal principles for all people of conscience from any religious tradition that show how we as a species can move our consciousness forward allowing us to become more free more intelligent more loving and happier in the choices we make Since it was published in 2005 The World Peace Diet and author Will Tuttle have reached hundreds of thousands of people around the globe and created a whole new movement of people making a conscious connection with a healthful diet and cruelty free living and committing spiritually psychologically and socially to nonviolence

and genuine sustainability This tenth anniversary edition contains a new foreword new resources including recipes and a study guide

Animals are the Issue Linda S Katz,2013-10-31 Supply your library with the best collection of resources on animal issues Animals are the Issue Library Resources on Animal Issues is a guide to books journals and Web sites on historic and modern animal treatment Expert librarians and scholars provide helpful resources showing what ideals and practical solutions exist in animal rights and welfare debates With this book students philosophers and politicians can find the best of written and electronic resources about the protection and ethical use of animals by humankind Animals are the Issue stands alone as a source for locating materials on animal protection and welfare This valuable guide will help librarians save time and money in locating diverse areas of information regarding animal consumption and exploitation The authors have noted what they consider to be the most essential resources for library collections This book offers references that discuss the utilization of animals by humans as companions in sports and entertainment in religion in science and education in industry in hunting Animals Are the Issue explores how animals are seen viewed and used by humans With bibliographies annotated lists and short commentaries by the authors on nearly every item you ll be able to supply your patrons with a highly effective animal rights welfare collection

Animals and World Religions Lisa Kemmerer,2012-01-05 Despite increasing public attention to animal suffering human beings continue to exploit billions of animals in factory farms medical laboratories and elsewhere This wide ranging study shows how spiritual teachings in seven major religious traditions can help people consider their ethical obligations towards other creatures

The World Peace Diet Will Tuttle,2007 Incorporating systems theory teachings from mythology and religions and the human sciences The World Peace Diet presents the outlines of a more empowering understanding of our world based on a comprehension of the far reaching implications of our food choices and the worldview those choices reflect and mandate The author offers a set of universal principles for all people of conscience from any religious tradition that they can follow to reconnect with what we are eating what was required to get it on our plate and what happens after it leaves our plates

Every Creature a Word of God Annika Spalde,2014-03-13 Not just a book about protecting animals also an inspiration towards living an all encompassing Christian spirituality with compassion at its heart

Main Street Vegan Victoria Moran,Adair Moran,2012-04-26 Hollywood celebrities are doing it Corporate moguls are doing it But what about those of us living in the real world and on a real budget Author and holistic health practitioner Victoria Moran started eating only plants nearly thirty years ago raised her daughter Adair vegan from birth and maintains a sixty pound weight loss In Main Street Vegan Moran offers a complete guide to making this dietary and lifestyle shift with an emphasis on practical baby steps proving that you don t have to have a personal chef or lifestyle coach on speed dial to experience the physical and spiritual benefits of being a vegan This book provides practical advice and inspiration for everyone from Main Street to Wall Street and everywhere between Finally a book that isn t preaching to the vegan choir but to the people in the pews and the ones who can t fit in those pews This is a book for the Main Street majority who aren t

vegans Once you read this you ll know it s possible to get healthy and enjoy doing it even if you live in Paramus or Peoria Michael Moore A great read for vegans and aspiring vegans Russell Simmons Yet another divine gift from Victoria Moran Main Street Vegan covers it all inspiration information and out of this world recipes This book is a gem Rory Freedman co author Skinny Bitch Main Street Vegan is exactly the guide you need to make changing the menu effortless Victoria Moran covers every aspect of plant based eating and cruelty free living with everything you need to make healthy changes stick Neal Barnard MD president Physicians Committee for Responsible Medicine and NY Times bestselling author of 21 Day Weight Loss Kickstart A great book for anyone who s curious about veganism It shows that not all vegans are weirdos like me Moby

The Routledge Handbook of Animal Ethics Bob Fischer,2019-12-06 There isn t one conversation about animal ethics Instead there are several important ones that are scattered across many disciplines This volume both surveys the field of animal ethics and draws professional philosophers graduate students and undergraduates more deeply into the discussions that are happening outside of philosophy departments To that end the volume contains more nonphilosophers than philosophers explicitly inviting scholars from other fields such as animal science ecology economics psychology law environmental science and applied biology among others to bring their own disciplinary resources to bear on matters that affect animals The Routledge Handbook of Animal Ethics is composed of 44 chapters all appearing in print here for the first time and organized into the following six sections I Thinking About Animals II Animal Agriculture and Hunting III Animal Research and Genetic Engineering IV Companion Animals V Wild Animals Conservation Management and Ethics VI Animal Activism The chapters are brief and they have been written in a way that is accessible to serious undergraduate students regardless of their field of study The volume covers everything from animal cognition to the state of current fisheries from genetic modification to intersection animal activism It is a resource designed for anyone interested in the moral issues that emerge from human interactions with animals

Philosophies of Multiculturalism Luis Cordeiro-Rodrigues,Marko Simendic,2016-09-01 This edited collection offers a comparative approach to the topic of multiculturalism including different authors with contrasting arguments from different philosophical traditions and ideologies It puts together perspectives that have been largely neglected as valid normative ways to address the political and moral questions that arise from the coexistence of different cultures in the same geographical space The essays in this volume cover both historical perspectives taking in the work of Hobbes Tocqueville and Nietzsche among others and contemporary Eastern and Western approaches including Marxism anarchism Islam Daoism Indian and African philosophies

Animals and the Environment Lisa Kemmerer,2015-05-01 Contemporary Earth and animal activists rarely collaborate perhaps because environmentalists focus on species and ecosystems while animal advocates look to the individual and neither seems to have much respect for the other This diverse collection of essays highlights common ground between earth and animal advocates most notably the protection of wildlife and personal dietary choice If earth and animal advocates move beyond philosophical differences and

resultant divergent priorities turning attention to shared goals both will be more effective and both animals and the environment will benefit Given the undeniable seriousness of the environmental problems that we face including climate change and species extinction it is essential that activists join forces Drawing on a wide range of issues and disciplines ranging from wildlife management hunting and the work of NGOs to ethics ecofeminism religion and animal welfare this volume provides a stimulating collection of ideas and challenges for anyone else who cares about the environment or animals

Farmed Animals on Film Stephen Marcus Finn, 2023-03-03 This book aims to show how film can increase awareness of the plight of farmed animals without exploiting them Much has been written on the rights of animals be they in the wild or circuses hunted experimented on used for entertainment or slaughtered and consumed However there has been little that has examined in any detail the filming of farmed animals and nothing on a declaration of rights for such animals thus leaving them in a limbo of neglect Stephen Marcus Finn offers a manifesto on how to foster the rights of farmed animals in filming and sets out to rectify this lacuna

World Peace Diet (Tenth Anniversary Edition) Will Tuttle, 2016-04-01 The Tenth Anniversary Edition of the bestselling WORLD PEACE DIET includes a new preface new resources and a study guide The book presents the outlines of a more empowering understanding of our world based on the comprehending the far reaching implications of our food choices Tuttle offers a set of universal principles for all people of conscience that show how we as a species can move our consciousness forward

Ecotopia 2121 Alan Marshall, 2016-10-04 A 2016 Green Book Festival Future Forecasts Winner A stunningly original lushly illustrated vision for a Green Utopia published on the 500th anniversary of the original Big Idea Five hundred years ago a powerful new word was unleashed upon the world when Thomas More published his book Utopia about an island paradise far away from his troubled land It was an instant hit and the literati across Europe couldn't get enough of its blend of social fantasy with a deep desire for a better world Five hundred years later Ecotopia 2121 once again harnesses the power of the utopian imagination to confront our current problems among them climate change and offer a radical alternative vision for the future of our troubled planet Depicting one hundred cities around the globe from New York to San Francisco London Tokyo Sydney Rio de Janeiro Mexico City Beijing Vienna Singapore Cape Town Abu Dhabi and Mumbai Alan Marshall imagines how each may survive and prosper A striking full color scenario painting illustrates each city The chapters tell how each community has found either a social or technological innovation to solve today's crises Fifteen American cities are covered Around the world urban planners like to tailor scenarios for the year 2020 to take advantage of the metaphor of 20/20 vision In Ecotopia 2121 the vision may be fuzzy but its sharp insights captivating illustrations and playful storytelling will keep readers coming back again and again

Call to Compassion , Eating Earth Lisa Kemmerer, 2015 An examination of human dietary choice as a unifying cause for both the environmental and animal rights movements

Bear Necessities Lisa Kemmerer, 2015-09-01 This book is also available in paperback What is it like to rehabilitate sun bears in the rainforests of Malaysia Why are sloth bears trained to dance How is

traditional Chinese medicine implicated in the deaths of black bears in North America Bear Necessities answers all of these questions and many more Through the voices of activists scientists and educators readers walk alongside those who pull sun bears from Vietnamese bile farms track Andean bears in the rugged hills of Ecuador work to protect Montana s grizzlies in the courtroom and gently heal the many wounded bears who live in sanctuaries around the world Though almost every bear species is endangered or severely threatened Bear Necessities offers hope through knowledge and understanding which reside at the heart of change
