Good Fiction S To Read:

Reading Fictions, 1660-1740 Kate Loveman, 2008 Kate Loveman explores the ways in which seventeenth and eighteenth century reading habits were applied to and shaped genres Examining works by authors such as Defoe Swift Richardson and Fielding she recovers a lost critical discourse through which authors and readers interrogated mocked and elaborated fictions Her lively book offers a striking new approach to Restoration and eighteenth century literature and politics in particular to understanding the development of the novel [The Fictions of Stephen Graham Jones](#) Billy J. Stratton, 2016-12 The Fictions of Stephen Graham Jones offers the first collection of scholarship on Jones s ever expanding oeuvre *A Historical Study of Early Modern Chinese Fictions (1890—1920)* Pingyuan Chen, 2021-01-28 This book contains a classic guide to historical study of early modern Chinese fiction from the late Qing Dynasty till early republican China It does not merely study the new fiction writing in China which was strongly influenced by the western fiction but also draws a comparison between classical Chinese fiction and the early modern Chinese fiction This book is an excellent reference in the study of early modern Chinese literature since it conveys a point of view to the readers with abundant and solid historical materials At the heart of the book it is the matter of a specific value in trans cultural studies between the western world and China **Adventure Stories for Reading, Learning and Literacy** Mal Leicester, Roger Twelvetrees, 2010-07-09 Adventure Stories for Reading Learning and Literacy takes a unique approach to cross curricular teaching in the primary classroom Providing eight original adventure stories the authors build up a suite of resources and activities for teachers to use in the classroom providing cross curricular links in line with the PNS framework to literacy science PE design and technology numeracy geography and history Though the stories will interest both girls and boys they take special care to appeal to boys who are known to achieve less highly than girls in reading and writing and include themes such as cars football ghosts and ghouls heroic deeds space and aliens Each story is linked explicitly to moral and social values and can be used to reinforce citizenship PHSE and SEAL initiatives in primary schools With photocopiable resources for each story this book offers instant ideas which can be implemented easily in teacher s plans and in the classroom and assembly and will appeal to all busy teachers NQTs and teachers in training **Dangerous Fictions** Lyta Gold, 2025-10-14 In a political moment when social panics over literature are at their peak Dangerous Fictions is a mind expanding treatise on the nature of fictional stories as cultural battlegrounds for power Fictional stories have long held an uncanny power over hearts and minds especially those of young people In Dangerous Fictions Lyta Gold traces arguments both historical and contemporary that have labeled fiction as dark immoral frightening or poisonous Within each she asks How dangerous is fiction really And what about it provokes waves of moral panic and even censorship Gold argues that any panic about art is largely a disguised panic about power There have been versions of these same fights over fiction for centuries By exposing fiction as a social danger and a battleground of immediate public concern we can see what each side really wants the right to shape the future of a

world deeply in flux and a distraction from more pressing material concerns about money access and the hard work of politics From novels about people driven insane by reading novels to copaganda TV shows that influence how viewers regard the police Gold uses her signature wit research and fearless commentary to point readers toward a more substantial question Fiction may be dangerous to us but aren't we also dangerous to it
