- Goods or Service? #2 (PDF)

Introduction (5 minutes)

- Writing the terms "Goods and Services" on the board, ask students to brainstorm definitions for each.
- After student sharing, provide and write a definition for each on the board. **Goods** are things you can buy and hold. **Services** are things that people do for others.
- Show students the front cover of the book *On Market Street*. Tell students that in this story a little boy goes shopping, and that you want them to pay close attention to the goods he buys on Market Street.

Explicit Instruction/Teacher modeling (10 minutes)

- Read *On Market Street*.
- During the read aloud, find a good stopping point and ask the students what some goods the little boy bought are.
- Creating a t-chart on goods and services, write a few of their responses underneath the "Goods" category. Continue the read aloud.
- After you have finished the book ask the students again what some goods the little boy bought on Market Street.
- Write a few of these items underneath the "Goods" category.
- Next, remind students that all the items listed under the Goods category are things you can buy and hold. To check for student understanding, ask students to name goods they see in the classroom. Examples may include: chairs, desks, pencils, paper, etc.
