Gordon Ramsay Jeanne Nagle, 2015-12-15 Although he started his life wanting to be a professional soccer player, Ramsay's competitive streak gave him a head start in a career as a chef and as the host of several television shows. But the Scottish-born chef is much more than a tough-as-nails television personality. Readers will learn about Ramsay's culinary career, rise to celebrity status, and personal life. They will also discover how to become a chef and get the chance to try some recipes inspired by him. *Gordon Ramsay* Neil Simpson, 2007

**Roasting in Hell's Kitchen** Gordon Ramsay, 2009-10-13 Everyone thinks they know the real Gordon Ramsay: rude, loud, pathologically driven, stubborn as hell. For the first time, Ramsay tells the full inside story of his life and how he became the world's most famous and infamous chef: his difficult childhood, his brother's heroin addiction, his failed first career as a soccer player, his fanatical pursuit of gastronomic perfection, and his TV persona. All of the things that made him the celebrated culinary talent and media powerhouse that he is today. In *Roasting in Hell's Kitchen*, Ramsay talks frankly about his tough and emotional childhood, including his father's alcoholism and violence and their effect on his relationships with his mother and siblings. His rootless upbringing saw him moving from house to house and town to town, followed by the authorities and

debtors as his father lurched from one failed job to another He recounts his short circuited career as a soccer player when he was signed by Scotland s premier club at the age of fifteen but then just two years later dropped out when injury dashed his hopes Ramsay searched for another vocation and much to his father s disgust went into catering which his father felt was meant for poofs He trained under some of the most famous and talented chefs in Europe working to exacting standards and under extreme conditions that would sometimes erupt in physical violence But he thrived with his exquisite palate incredible vision and relentless work ethic Dish by dish restaurant by restaurant he gradually built a Michelin starred empire A candid eye opening look into the extraordinary life and mind of an elite and unique restaurateur and chef Roasting in Hell s Kitchen will change your perception not only of Gordon Ramsay but of the world of cuisine **Gordon's Nuggets** Gordon
