## **Gospel Deeps Reveling In The Excellencies Of Jesus:**

**Gospel Deeps** Jared C. Wilson, 2012 Award winning writer and popular pastor Jared Wilson helps readers to see the pertinence and profundity of the gospel as he examines the astonishing things God has done in and through Christ **Gospel Deeps** Jared C. Wilson, 2012-09-30 While pastoring for the past fifteen years Jared Wilson has become known in contemporary evangelicalism for his passionate gospel centered writing and teaching Following Wilson's well received publication of *Gospel Wakefulness* he writes *Gospel Deeps* as a next step to establishing the need for astonishment which begins by looking at the astonishing things God has done in and through Christ Wilson holds up the gospel like a diamond and examines it facet by facet demonstrating the riches of its implications This book serves as a valuable contribution to the emerging canon of gospel centered literature in the spirit of John Piper's *Pleasures of God* and Tim Keller's emphasis on a robust gospel and continues in the glory reveling legacy left by Jonathan Edwards John Owen and the like The distinctiveness of *Gospel Deeps* is found in Wilson's winsome and frequently ecstatic writing voice as well as his unique approach to showcasing the gospel's beauty **Gospel Formed** J.A. Medders, 2014-11-27 Christianity is based on the foundation of the good news of the gospel Yet how many Christians truly find their identity there How many are thriving in a community clinging to the gospel How many forget about the wondrous glory of Jesus J A Medders is on a mission to help Christians remember that the power that raised Jesus from the dead is also the power for our everyday life in Christ Yet living a gospel centered life does not always come easily The biblical meditations in *Gospel Formed* help to kindle or rekindle the passion to live a grace addicted truth filled Jesus exalting life by constantly driving the reader back to the power of the cross and the empty tomb Funny punchy and theologically accessible readers will be encouraged challenged and ultimately reoriented to the true North of Christianity Christ Himself **The Storytelling God** Jared C. Wilson, 2014-02-28 The prodigal son The good Samaritan A treasure hidden in a field Most of us have heard these parables before Yet if these oft repeated stories strike us as merely sweet heartwarming or sentimental we can be sure we've misread them Jesus's parables are simultaneously working to conceal and reveal profound spiritual truths about God humanity the world and the future and we must learn to plumb their depths A careful reading of the biblical text reveals the surprising ways in which such seemingly simple stories rebuke subvert and sabotage our sinful habits perspectives and priorities Discarding the notion that Jesus's parables are nothing more than moralistic fables Jared Wilson shows how each one is designed to drive us to Jesus in awe need faith and worship **The Gospel-Driven Church** Jared C. Wilson, 2019-03-12 Many evangelical churches face the problem of the open back door even as new people arrive older members are leaving looking for something else Combined with this problem is the discipleship deficit the difficult truth that most evangelicals are not reaching the unchurched at the rates they think they are In fact many of the metrics that we often count in the church to highlight success really don't tell us the full story of a church's spiritual state Things like attendance decisions dollars and experiences can tell us something about a church but not everything To

cultivate a spiritually healthy church we need a shift in our metrics a grace shift that prioritizes the work of God in the lives of people over numbers and dollars Are people growing in their esteem for Jesus Is there a dogged devotion to the Bible as the ultimate authority for life Is there a growing interest in theology and doctrine A discernible spirit of repentance And perhaps most importantly is there evident love for God and for our neighbors in the congregation Leading a church culture to shift from numerical success to the metrics of grace can be costly but leaders who have conviction courage and commitment can lead while avoiding some of the landmines that often destroy churches Wilson includes diagnostic questions that will help leaders measure and lead team transparency in measuring as a group the relative spiritual health of their church as well as a practical prescriptive plan for implementing this metric measuring strategy without becoming legalistic Most attractional church models can lean heavily on making changes to the weekend worship gatherings And while some of these changes can be good thriving grace focused churches are driven by a commitment to the gospel allowing the gospel to inform and shape the worship service and the various ministries of the church

*The Wonder-Working God* Jared C. Wilson, 2014-07-31 Do you believe in miracles Walking on water Multiplying the fish and the loaves Raising Lazarus from the dead The miracles of Jesus may be well known but they re often misunderstood In *The Wonder Working God* pastor Jared Wilson wants to help us see that there s more than meets the eye when it comes to the miraculous events recorded in the Gospels From the humble wonder of the incarnation to the blinding glory of the transfiguration this book shows how Jesus s miracles reveal his divinity authority and ultimate mission restoring us and this world to a right relationship with God

*The Gospel According to Satan* Jared C. Wilson, 2020-01-14 Not every lie sounds untrue Some lies are repeated so often they seem to be common sense That s why lies about God are so dangerous *The Gospel According to Satan* examines eight lies the enemy wants us to believe and provides eight lines of counterattack against them The lies include God just wants you to be happy you only live once you need to live your truth and just let go and let God Jared C Wilson reveals why these lies appeal to us shows how they harm us and provides ways to counteract them We can renounce Satan s counterfeit gospel but first we must see it for what it is Enumerates the major ways the Devil uses his cunning and calculating ways of luring us off the narrow road of God s grace We will all do well to read this book and confront the lies we are being sold Kyle Idleman senior pastor of Southeast Christian Church and author of *Not a Fan* and *Don t Give Up* A unique compelling and even witty look at the devil s current greatest hits lies we urgently need to unmask Sam Allberry speaker for Ravi Zacharias International Ministries and author of *7 Myths About Singleness* and *Why Does God Care Who I Sleep With* One of the most thought provoking writers in the Christian world today He doesn t just describe the tantalizing falsehoods of our age he exposes how they ve slithered into our hearts Matt Smethurst managing editor at *The Gospel Coalition* and author of *Before You Open Your Bible*

*The Story of Everything* Jared C. Wilson, 2015-10-14 Most of life is mundane work school home TV church sleep repeat Sometimes it seem as if there s no point to our normal lives But what we must remember is that we re actually part of something huge God s

story the greatest story ever told In *The Story of Everything* Jared Wilson takes readers on a journey that starts before the creation of the world and ends after everything has been made new Wilson shows us that the gospel isn't just a ticket to heaven but God's incredible and unstoppable vision for all of creation Looking at God's redemptive plan for humanity this book will help you understand what the gospel means for your life your home your pets your hobbies and more *Fight Your Fears* Kristen Wetherell, 2020-02-18 What are you afraid of You could probably fill this page with a list of your fears Fears about the future fears about your health job and family fears about inadequacy and failure and maybe success fears about how much fear itself seems to affect your decisions plans and growth in this life You might even fear what God thinks about your fears After all in his Word God commands us not to be afraid hundreds of times But how is this possible We're troubled by evil we're slammed with bad news and we can't know what tomorrow will bring How can we learn to trust God and not be afraid Kristen Wetherell is in the fight with you She is a fearful fellow traveler on the road of the Christian life making strides alongside you in this battle In *Fight Your Fears* she carefully searches 10 of God's great and precious promises equipping you with the practical tools to overcome the fears and anxious thoughts that are robbing you of your joy Each chapter ends with Scripture exercises a memory verse questions to ponder and a prayer Discover truths that will bring peace to your soul as you learn to fear God and nothing else *Discipleship* R L Coursey, 2018-03-05 As Satan tempted Christ so he tempts us today Pointing to the glory of the kingdoms of the world he says All these things I will give thee if thou wilt fall down and worship me Although always with an air of piety the consumer driven church is lured into following the counsel of Satan while rejecting the example of Christ He who is a deity emptied himself of his privileges and became a man And not just any man but the lowest of men a servant He died not just any death but the cruelest of deaths on a cross as a condemned criminal Such a vision of Christ's humiliation should consume all of our self interest and pour contempt on all our pride But the vision of the exalted Christ should all the more compel us to renounce our own self importance and self seeking The enslaving power of self love does not only attach itself to the church transforming its spiritual life into empty forms turning its so called good works into monuments of self glory and changing its sacred mission into a search for the significance and fulfillment of self It also enslaves the individual Christian by exalting the self to preeminence Thus it defeats real happiness by producing pride discontent envy bitterness unforgiveness ambition anxiety and a whole host of other destructive qualities that exist for no other reason than to defend and maintain the self that we have erroneously and to our own injury exalted to preeminence Self love will never be made subordinate until we get a glimpse by divine grace of something far lovelier Other idols may be replaced by even more enticing ones but the idol of the self can only be laid aside by the all entrancing vision of the loveliness of Christ [How to Ruin Your Life](#) Eric Geiger, 2018-04-03 You can blow up your life To bring strong and tall buildings to the ground demolition experts strategically place tiny explosives throughout the structure of a building so that the building will topple on itself Instead of destroying the building from the outside they destroy it from within In the same

way many great men and women have imploded and others are well on their way Author Eric Geiger offers a sobering reminder that many great and godly people have imploded and none of us are above the risk Looking at the story of David s infamous implosion readers will learn how to ruin our lives so we won t and also how to find hope if we do as all of us need His grace □□□ □□! □□□,2022-06-15 34 8 *El Evangelio según Satanás* Jared C.
