**The Grey Fairy Book** Andrew Lang, 2018-02-09 Andrew Lang's Fairy Books are a series of 25 collections of true and fictional stories for children published between 1889 and 1913. The best known books of the series are the 12 collections of fairy tales known as Andrew Lang's Coloured Fairy Books or Andrew Lang's Fairy Books of Many Colors. In all the volumes feature 798 stories besides the 153 poems in The Blue Poetry Book. Andrew Lang 1844-1912 was a Scots poet, novelist, and literary critic. He made most of the selections while his wife and other translators did a large portion of the translating and retelling of the actual stories as acknowledged in the prefaces. Four of the volumes from 1908 to 1912 were published by Mrs. Lang. According to Anita Silvey, the irony of Lang's life and work is that although he wrote for a profession literary criticism, fiction, poems, books, and articles on anthropology, mythology, history, and travel, he is best recognized for the works he did not write.

1. The 12 Coloured Fairy Books were illustrated by H. J. Ford. Henry Justice Ford, the first two volumes shared with G. P. Jacobson, Hood, and Lancelot Speed respectively, and the sequels alone.

2. A. Wallis Mills also contributed some illustrations.

**The Grey Fairy Book: Special Edition** Andrew Lang, 2018-06-22 The Fairy Books or Coloured Fairy Books is a collection of fairy tales divided into twelve books, each associated with a different colour. Collected together by Andrew Lang, they are sourced from a number of different countries and were translated by Lang's wife and other translators who also retold many of the tales. The collection has been incalculably important, and although he did not source the stories himself directly from the oral tradition, he can make claim to the first English translation of many.

First published in 1900, The Grey Fairy Book is the 6th volume in this series. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand-curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience.
