Michael Desing

Gripping Beast Saga Rules:

A Wargamer's Guide to 1066 and the Norman Conquest Daniel Mersey, 2017-03-30 This is one of the first titles in an exciting new series of guides for wargamers Taking one of the most pivotal and famous episodes in British military history it gives a wargamers perspective of the dramatic events of 1066 and the Norman conquest up to around 1070 and advice on how to recreate these on the gaming table Advice is given on factors to consider when choosing an appropriate set of commercially available rules or devising your own to best suit the scale and style of battle you want and capture the flavor of the period The relevant ranges of figures and terrain pieces and buildings are also reviewed Analysis of the forces involved organization tactics and strategies will help with building your armies and there are interesting scenarios included Whether this is a new period for you or you are looking to refresh your existing interest in the period this handy guide is sure to hold much if interest for you

Wargaming Campaigns Henry Hyde, 2022-07-20 An authoritative reference guide to building wargaming campaigns featuring a full set of campaign rules tips on creating maps and more Most miniature wargames take the form of simulating a single battle with the opponents either winning or losing and that s that until the next game Such games can be a fun test of tactical skill but it can be even more rewarding if they form part of a wider campaign In a campaign the players commanding the forces have to make the decisions at the strategic level that determine the context of any battles that occur The outcome of these battles will in turn have strategic consequences for the ongoing campaign Although campaigns can be very rewarding many wargamers are deterred by the need to produce maps and devise mechanisms for strategic movement Intelligence logistics recruiting reinforcements keeping track of casualties etc Henry Hyde s excellent book greatly eases this task with masses of sound advice concrete suggestions and even a full set of campaign rules useful for any period Whatever historical or fantasy setting you prefer Henry shows that even simple campaigns can add extra fun to your gaming Praise for Wargaming Campaigns This big thick tome contains everything you d ever want to know about creating and running a wargame campaign Historical Miniatures Gaming Society

The Fundamentals of Tabletop Miniatures Game Design Glenn Ford, Mike Hutchinson, 2024-11-19 This book presents a much needed framework for the critical examination of miniatures games and their design It provides the reader with both a conceptual model for understanding how these games work as well as a toolbox of mechanical approaches to achieving a range of design outcomes and assessing the fit of any given approach within a specific design Though dating back to the 1820s tabletop miniatures games have been little explored critically and lack a conceptual vocabulary for their discussion Active practitioners in the miniature games design community Glenn Ford and Mike Hutchinson explore what defines these games proposing the term non discrete miniatures games to encapsulate the essence of these open and immersive hobby gaming experiences Discarding the term wargame they argue against limiting conceptions of these games to direct armed conflict and champion their diverse narrative potential The book provides a fresh conceptual framework for miniatures

games abstracting the concepts of positioning and moving markers non discretely across scale modelled environments into inclusive and generalised terminology untethering them from their roots as military simulations and providing the foundations for a fresh consideration of miniatures games design Written for game designers and with a foreword by Gav Thorpe *The Fundamentals of Tabletop Miniatures Game Design* is a handbook for those that wish to design better miniatures games

As Told in the Great Hall Martin Hackett, 2013-10-15 The second in Amberley Publishing's wargaming series covers the Dark Ages

Dictionary of the Middle Ages Joseph Reese Strayer, 1982 Arranged alphabetically this volume contains articles on various aspects of life in the Middle Ages from A D 500 to 1500 and covering a geographic area including the Latin West the Slavic world Asia Minor the lands of the caliphate in the East and the Muslim Christian areas of North Africa

The Thirteenth Virgin Film Guide , 2005 The critically acclaimed Virgin Film Guide makes every film count by providing more information on the films that matter from the 1930s to the present day It offers fuller credits longer synopses and reviews plus comprehensive Oscars information alternative titles a complete star rating and a comprehensive index of directors It also draws on the expertise of TV Guide's entire team of film experts each skilled in a different kind of film from classic Hollywood musicals to low budget cult favourites giving the reader more informed and opinionated critique than other books of this kind
