McNeill,2020-06-01 In Farm Joyce Kinkead Evelyn Funda and Lynne S McNeill explore the culture of agriculture through a diverse and multicultural collection of fiction poetry essays art recipes and folklore This reader views farming through a variety of lenses asking students to consider what farms farming and farmers mean and have meant to culture in the United States In the text readers are guided through the Jeffersonian idealism of the yeoman farmer cultivators of the earth are the chosen people of God to literature of the nineteenth and twentieth centuries Thoreau s The Bean Field Cather s prairie trilogy Steinbeck s The Grapes of Wrath and Carpenter s Farm City Contributors provide historical context for the literary texts such as discussion of sharecropping vs plantation systems the rise of agribusiness and chemical farming and Teddy Roosevelt s Country Life Commission Written visual and oral texts ask readers to consider the farm in art Grant Wood ecology Rachel Carson s Silent Spring children s and young adult literature classic children s books YA novels nonfiction and poetry advertising from early boosterism to Chipotle videos print culture farmers market and victory garden posters from both world wars folklore food culture vintners and veterinarian practices popular culture Farm Aid concerts and much more Each reading is supported by activities exercises projects and visual rhetorical elements that further connect students to agriculture and the essential work of farmers Land Justice: Re-imagining Land, Food, and the Commons Justine M. Williams,Eric Holt-Giménez,2017-06-22 In recent decades the various strands of the food movement have made enormous strides in calling attention the many shortcomings and injustices of our food and agricultural system Farmers activists scholars and everyday citizens have also worked creatively to rebuild local food economies advocate for food justice and promote more sustainable agroecological farming practices However the movement for fairer healthier and more autonomous food is continually blocked by one obstacle land access As long as land remains unaffordable and inaccessible to most people we cannot truly transform the food system The term land grabbing is most commonly used to refer to the large scale acquisition of agricultural land in Asian African or Latin American countries by foreign investors However land has and continues to be grabbed in North America as well through discrimination real estate speculation gentrification financialization extractive energy production and tourism This edited volume with chapters from a wide range of activists and scholars explores the history of land theft dispossession and consolidation in the United States It also looks at alternative ways forward toward democratized land justice based on redistributive policies and cooperative ownership models With prefaces from leaders in the food justice and family farming movements the book opens with a look at the legacies of white settler colonialism in the southwestern United States From there it moves into a collectively authored

section on Black Agrarianism which details the long history of land dispossession among Black farmers in the southeastern US as well as the creative acts of resistance they have used to acquire land and collectively farm it The next section on gender explores structural and cultural discrimination against women landowners in the Midwest and also role of womanism in land based struggles Next a section on the cross border implications of land enclosures and consolidations includes a consideration of what land justice could mean for farm workers in the US followed by an essay on the challenges facing young and aspiring farmers Finally the book explores the urban dimensions of land justice and their implications for locally autonomous food systems and lessons from previous struggles for democratized land access Ultimately the book makes the case that to move forward to a more equitable just sustainable and sovereign agriculture system the various strands of the food movement must come together for land justice

**A Boy in the South** Arthur J. Solomon, 2021-02-16 Sometimes life is like a revolving door As a teenager when I left Georgia to pursue a better life and to see the world I told myself I would never live here again 70 years later after all my travels and being in so many places I accomplished my dream with many prayers I was determined not to return but somehow I found myself back in Georgia where I started Life has changed a great deal since my younger days Many loved ones the homes where I lived and the places I use to go are gone One thing that remains is my memory of them and the times we shared I still enjoy a drive to the country visiting the old places and on occasion I take my children and grandchildren with me on those rides and tell them stories about the little boy who grew up in the south

**If You Doubt Me** Steven D. Tomlinson, 2022-04-14 During the 18th century there arose one diminutive man who believed in God his Quaker upbringing and who during the American rebellion against the British found his own path to making a difference during a time of war But beyond the war his faith guided him to find the love of his life in a woman who was as strong as he in her faith and her actions

Invisible Britain Sng, Paul, 2018-11-01 Invisible Britain Portraits of Hope and Resilience is a photographic ethnography book that features the stories and portraits of individuals across the UK who have been impacted by social issues such as austerity Brexit deindustrialisation nationalism and cuts to public services The book captures and shares 40 untold stories of hope and resilience from a diverse range of people many of whom feel misrepresented in the media and out of sync with the government and politicians Each story will be told in the individual's own words and is accompanied by a portrait from an accomplished documentary photographer

*Generation on Fire* Jeff Kisseloff, 2006-12-29 An invigorating collection of fifteen testimonials from counter culturists conscientious objectors and artists who came of age during the 60s Publishers Weekly Many of the freedoms and rights Americans enjoy today are the direct result of those who defied the established order during the Civil Rights Era It was an era that challenged both mainstream and elite American notions of how politics and society should function In *Generation on Fire* oral historian Jeff Kisseloff provides an eclectic and personal account of the political and social activity of the decade Among other things the book offers firsthand accounts of what it was like to face a mob's wrath in the segregated South and to survive the jungles of

Vietnam It takes readers inside the courtroom of the Chicago Eight and into a communal household in Vermont From the stage at Woodstock to the playing fields of the NFL and finally to a fateful confrontation at Kent State Generation on Fire brings the 60s alive again This collection of never before published interviews illuminates the ingrained social and cultural obstacles facing those working for change as well as the courage and shortcomings of those who defied acceptable conventions and mores Sometimes tragic sometimes hilarious the stories in this volume celebrate the passion courage and independent thinking that led a generation to believe change for the better was possible

**Urban Shrinkage, Industrial Renewal and Automotive Plants** Andreas Luescher,Sujata Shetty,2018-12-13 This book focuses on the relationship between the auto industry and the built environment at multiple scales a topic of particular interest now as the industry is going through a period of major transformation Drawing from multiple perspectives including architecture urban design and urban planning the authors examine the changing form of the auto factory itself the changing geography of auto production and the challenges faced by communities as the auto plants that once brought them prosperity and often a sense of identity leave town They examine four places that are dealing in different ways and with varying success with the aftermath of a decommissioned auto plant in their midst These are Janesville Wisconsin and Willow Run Michigan in the U S and Bochum Germany and Genk Belgium in Europe Together these four cases provide some clues about what the future might look like for places that were once intimately connected with the manufacture of cars

Virginia in the War Years, 1938-1945 Joseph P. Freitas,2014-08-13 Although World War II began as a war in Europe many in the United States foreseeing the inevitable began to prepare for war putting no faith in the Neutrality Act Preparations for war essentially ending the Great Depression affected the entire country with Virginia particularly playing a major role More than one million service men and women came to Virginia The sheer scope of the military development in Virginia of the Army Navy Coast Guard and Air Force providing training bases and support facilities underscores the national resolve to be prepared The book includes the Civil Air Patrol wartime industry POW camps U boat attacks the Beach Patrol and other Virginia related topics

**Acoustic Soul** Meredith,2022-08-17 This story is a biography of passion perseverance courage and destiny where a boy is suddenly transported onto a path that signifies a journey into manhood empowering him to live up to some of the ideals he d set for himself in an imagination stretched to serve God family and country It was high adventure being the son of a man educated by thousands of years of culture and tradition fighting for every breath of a brand new tomorrow With a sense of idealism and resilience Farooq would set his sights on a higher cause A person can never become great unless they re able to properly function under chaos With many trials and tribulations as personal tutors he had no choice but step out on faith and pave a better way for his family His constitution anchored itself to the evolution of Yemen s poetry His manner was peaceful With pain purpose and rebellious hope he looked into his future with all the clarity of a crystal ball He wasn t the kind of boy looking to grow up living inside his father s pockets He would prepare himself for the music of tomorrow His life had become

a powerful soundtrack to an acoustic soul So much to be had So much to be cherished So much to be thankful for So much to know
