Stanley Ott, 2004 The concept of ministry teams is rapidly taking hold in churches but just what are they and how do they work Transform Your Church with Ministry Teams outlines what effective ministry teams look like describes what they can offer local congregations and gives concrete step by step suggestions for making them happen The power of ministry teams lies in their unique capacity to generate genuine Christian fellowship nurture disciples develop leaders and mobilize people for ministry While traditional church leadership organizations concentrate almost exclusively on task policy and program ministry teams are designed to enhance faith development and thus ministry effectiveness E Stanley Ott explores three main areas of ministry team development First he explains the philosophy behind ministry teams and discusses the issues involved in shifting from committee based to team based ministry Second he tells how to begin ministry teams including how to identify team leaders and members and how to determine their roles Third he looks at the details of ministry team life including ways to build team fellowship foster discipleship and communication within teams and accomplish specific ministry tasks Filled with wise time tested advice including four how to appendixes this book will help pastors and lay leaders transform the life of their church or Christian organization *4 Chair Discipling* Dann Spader, 2014-08-01 Dann Spader is a disciple maker who has spent his adult life exploring what it means to take someone from being a seeker to making disciples themselves Over 750 000 people in 80 countries have been trained to make disciples through organizations he has led Through studying the life of Christ and His disciple making methods Dann developed 4 Chair Discipling a simple picture for others to follow Jesus last words on earth had a few very specific instructions Go make disciples baptize and teach But what

does that mean for us today Well it s not easy But it is simple Teacher and leader Dann Spader explains disciple making as a process of moving people through four chairs from someone seeking to know more about Christ to someone who makes disciples themselves Chair 1 Come and See John 1 39 Chair 2 Follow Me John 1 43 Chair 3 Become a Fisher of Men Matthew 4 19 Chair 4 Go and Bear Fruit John 15 16 In the process of His four year ministry Jesus realized that different people are at different stages of growth and development and He works to challenge each of them to the next level In 4 Chair Discipling you ll get a clear and simple picture of how to follow in Jesus footsteps and do the same thing The Next Step Stanley P. Johnson,2014-06-27 Once you come to know Jesus Christ as your Savior and Lord what is the next step If you have been a believer for a while and want to grow further what is the next step If you have grown in your faith and want to learn how to help other believers grow in theirs what is the next step This book will begin to answer these important questions In Peter s second letter to scattered believers he challenges us to add seven character qualities to our faith that will help us grow to be more like Christ The Next Step looks at these seven character qualities along with God s corresponding attributes to help us grow in these qualities as we grow in our understanding of God s character In every chapter Johnson introduces readers to prayer grace and practical ways to begin reaching out to the people God places in our lives The Next Step will help you grow in your daily walk with the Lord and will launch you on a lifelong journey of investing in others to help them walk with Christ

Vital Jorge Acevedo, 2013-01-01 What behaviors do highly vital congregations have in common How can all congregations move toward greater vitality In *Vital Churches Changing Communities and the World* Jorge Acevedo passionately and effectively reveals how Grace Church in Cape Coral Florida has developed behaviors that result in vital and fruitful ministry Focusing on spiritual pastoral leadership lay leadership development worship small groups and service and mission Acevedo both inspires and coaches He helps leaders of congregations act in their own contexts to develop behaviors essential to vitality as identified by the recent study of 32 000 United Methodist congregations The book includes brief summaries of learnings from the research and stories from other congregations illustrating vital behaviors in different settings Approximately 15% of the 32 228 churches 4 961 churches scored high in vitality based on the vitality index What this means is that 15% of our churches have figured out some way to remain highly vital in spite of the fact that 85% have not What this means is that we cannot assign all the blame for our congregational demise at the feet of the institution of the church 4961 congregations have figured out ways to prevail in spite of our denominational condition To me this is hopeful and promising This book is my best attempt for us to learn from the 15% of United Methodist Churches that are vital growing and prevailing Jorge Acevedo *Building a Youth Ministry that Builds Disciples* Duffy Robbins, 2012-01-24 While most youth pastors are being regularly evaluated or even scrutinized for what they're doing right now in the youth group the reality is that the most important thing they are doing won't actually be evident until much later That's because the biggest challenge for any youth ministry is helping teens embrace a whole hearted devotion to God that lasts far beyond their years in the youth room Unfortunately much of youth ministry seems to be designed on the model of setting teenagers up for a date with God a delightful evening that involves music laughter food and light conversation But what scripture calls us to is not a one night stand with God but a lifelong love of God that endures Youth ministry educator and veteran Duffy Robbins offers youth workers a blueprint for building that kind of faith in teenagers In this concise book ideal for busy youth workers they'll be

equipped to build a youth ministry that instills that lasting faith in its students

Mobilizing Men for One-on-One

Ministry Steve Sonderman, 2010-09-01 Men's breakfasts, golf outings and other events still have a place in men's ministry. But Steve Sonderman is finding that the most effective ministry is relational rather than programmatic. Drawing from the successes at his church and others, Sonderman shows leaders how to motivate and mobilize their men to minister to each other. Readers learn what men are looking for today, how men grow spiritually and how to develop a leadership pipeline in their church.

Poetic Youth Ministry Jason Lief, 2015-04-22 Current research shows what many in the Christian community already know: young people are leaving the church. This raises important questions: Why are young people leaving? How can the church respond? Some have responded to this issue out of a posture of fear and anxiety, trying to find new ways to strengthen doctrinal beliefs or practices of faith formation and discipleship. What if the best response isn't to strengthen our theology or tighten our hold on the lives of young people? What if the best response is a posture of love that lets young people go? Using the insights of philosopher Charles Taylor and theologian Dietrich Bonhoeffer, *Poetic Youth Ministry* argues that the church must take seriously the formative power of social and cultural patterns that shape the social imaginaries of young people. Rather than seeing the problem as young people abandoning faith, the Christian community should see the issue as young people exchanging one form of faith for another. This allows the church to approach the issue from a posture of love, calling young people to embrace their identity in the new humanity revealed in the death and resurrection of Jesus Christ.

The Lost Art of Disciple Making LeRoy Eims, 2009-07-13 Every believer in Jesus Christ deserves the opportunity of personal nurture and development, says LeRoy Eims. But all too often the opportunity isn't there. We neglect the young Christian in our whirl of programs, church services and fellowship groups. And we neglect to raise up workers and leaders who can disciple young believers into mature and fruitful Christians. In simple practical and biblical terms, LeRoy Eims revives the lost art of disciple making. He explains: How the early church disciplined new Christians. How to meet the basic needs of a growing Christian. How to spot and train potential workers. How to develop mature, godly leaders. True growth takes time and tears and love and patience. Eims states: There is no instant maturity. This book examines the growth process in the life of a Christian and considers what nurture and guidance it takes to develop spiritually qualified workers in the church.

The Adventure of Discipling Others John Purvis, Ron and Mary Bennett, 2014-02-27 Just like Jesus, you can pour faith into believers, helping them grow spiritually and fulfill their unique niche in God's kingdom. In this handbook and Bible study, you'll learn: Why we are called to disciple believers. What topics lay a biblical foundation for new Christians. How to develop a discipling process.

From Social Media to Social Ministry Nona Jones, 2020-06-23 This book outlines digital discipleship principles for building an online community and provides practical instruction for how to do it, no matter how big or small a local church may be. There are more than 2.3 billion professing Christians in the world, and more and more new churches are launching globally, yet statistics show that in-person church attendance is declining or plateauing in every nation.

Although social technology has been around for more than two decades church leaders have long bristled at the idea of church online ranking it as the last concern on their minds in Barna's 2020 state of the church report published February 3 2020 And then three weeks later COVID 19 closed the doors of every church on earth and suddenly forced them entirely online Nona Jones a globally acclaimed thought leader on leveraging technology for ministry had been leading a movement and sounding the alarm for several years to make digital discipleship a central part of every church's ministry approach In *From Social Media to Social Ministry* she outlines her digital discipleship principles and provides practical instruction for how to do it no matter how big or small a local church may be There are plenty of books to help churches build a social media strategy but this is the first book of its kind that goes beyond digital marketing to digital ministry Readers will leave this book with Clarity on what discipleship truly is The data that underscores the urgency for digital discipleship Understanding of the resources required to do it well A step by step guide on how to implement digital discipleship into ministry plans Knowledge of the differences among and purposes of the most popular social platforms as well as the tools best positioned for digital ministry

Ask, Thank, Tell Charles R. Lane, 2006-01-01 The goal of this book says author Charles Lane is to perform a dramatic rescue of stewardship freeing it from any connection whatsoever to paying the bills When the Bible talks about stewardship it almost always talks about the intimate connection between how a person handles financial matters and that person's relationship with God Stewardship is an intensely spiritual matter that lies close to a disciple's relationship with Jesus The book is designed especially for use in congregational planning and study Congregational stewardship leaders will come back to three foundational verbs ask thank tell over and over as they help individuals experience the joy of giving generously The author makes the convincing case that there is little in life today that can help a disciple grow in relationship with Jesus more than a solid intentional biblical stewardship

Be a Motivational Leader LeRoy Eims, 2012-07-01 In today's tough business climate leaders are often driven by the bottom line But focusing on results can devalue the most critical part of success Your team So how can we shift our perspective from profits to people Simple We redefine what it means to lead This is a revolutionary and biblical guide to the art of leadership Developed by renowned leadership coach and author LeRoy Eims *Be A Motivational Leader* provides an insightful practical look at the 12 essential qualities of a leader You'll discover how to Build personal character to build your team Take responsibility in your life and job Cultivate both professional and personal success Mentor and develop new leaders Model achievement to those around you Throughout you'll be challenged to grow encouraged to lead with integrity and inspired to help your team catch a vision bigger than their own
