Ellsworth Kalas, 2013-04-01 Growing older is a process Growing old is a conclusion If you're growing older you see some hope because you have perspective and you keep learning If you've grown old you may cynically think that times have never been as bad as they are now and that they can only get worse This book is about learning how to make peace with where you are right now It's about learning from the past and then moving past it It's about growing personally spiritually and in our relationships with God and with others If we think properly about growing older we'll never have to grow old A discussion guide is included *What Does It Mean to Grow Old?* Thomas R. existence The book thus begins with the primary meaning that ageing has in developmental terms and ends with a consideration of the human being as co creator in cosmic processes and with our capacity to become increasingly conscious of the tasks this implies These key texts by Rudolf Steiner show how spiritual knowledge can broaden the current debate on the study of old age the process of ageing and the particular problems faced by older people Concerns about our ageing population can be seen in a broader context that recognizes the fruits of old age The productive relationship between childhood and old age a running theme throughout this volume is one example If we grow old consciously viewing ageing not only as a period of physical decline but as a time when we can actively participate in shaping life then we can begin to find greater meaning in it Chapters include The Core Messages of Ageing Fundamental Principles of Gerontology Ageing as a Developmental Process Ageing the Risks and Opportunities The Art of Growing Old Old Age and Death Growing Old A Challenge for Education The Cosmological Dimensions of Ageing     *Reclaim Your Right To Grow Old* Kathleen O'Brien,2021-03-13 Thank heaven youth and middle age are behind you Now you can concentrate on yourself And celebrate indulge in and be enthralled by the most significant experience you will have as a human being the process of growing old Our culture says the best way to deal with aging is to fight it Look young act young feel young they tell you for as long as you can But when it comes to crafting a blueprint for successful aging society seems to be lagging behind modern science and way behind the philosophies of our ancestors Leading edge gerontologists are now discovering wisdom revealed centuries ago that old age may be the most important stage in the human life cycle To miss out on it by chasing after your younger self means forgoing some of life s most meaningful moments In *Reclaim Your Right to Grow Old* Kathleen O'Brien takes you on her journey into ancient philosophy ground breaking science and our culture s misconceptions about aging Her advice Tell people your age expect young people to respect you be eccentric never age gracefully Kathleen reminds you that empowerment peace and self knowledge unfold effortlessly when you age the way nature intended Your later years are like no other You are meant to experience them so you can uncover the reasons we grow old in the first place Don t let this remarkable time pass you by Old age only comes around once     **Words to the Wise 2** Darlene Slaughter,2012-05-14 Lessons I send a greetings to you all Ms Darlene or Ms Slaughter I am called I m a caring person I would say Who ve experience life in many ways Good bad happy and sad On occasions I got mad As a child I was alright I had arguments and petty fights As a teen and adult I experience lots of things Like from love sometimes heartache it brings Never married had no kids But I worked with hundreds yes I did My job was to help them out Give them support it was about Some became productive like Charlene Some gave up but not Ms Darlene I always remember to pray Lord help us not to go astray From life experiences we learn A sense of wisdom will be earned We must strive to achieve our goals We might walk down rocky roads Life lessons that we face Are growing lessons we must embrace Take lessons and learn from them all Forbid failure to be our downfall Through life lessons God is there The best lessons are written in the Lord s Prayer     **Jewish Wisdom for**
