who has spent the last ten years exploring ways to equip parents to meet their children's needs. She has experienced first hand the culture of criticism and anxiety that drains parental joy and leaves parents feeling bad about what they should or should not be doing with and for their children. She calls this the parenting ShouldStorm and this book is her invitation to escape that cycle and be the parent your child needs. In this game changing parenting book, Dr. Escalante outlines her 3 step science based approach to escaping the ShouldStorm and embracing should free mindful parenting. Going into detail about each step, she clearly explains how to implement this approach in everyday situations where parents may feel overwhelmed and shares real results from parents and children who use the technique SIGH. In moments of parental overwhelm, take a breath, all the way into your belly. Imagine it's a sigh of relief. Sighs help you stop and center yourself instead of reacting to the should in your head. SEE Notice what's going on. See your child. Are they happy? Are they close to tears? Are their fists balled in anger? START Then and only then start listening and start thinking about what an appropriate reaction would be. Do they need a hug? Some space? Something else? In the vein of Good Inside, this book offers a simple approach and practical proven strategies any parent can use. It also explores parenting culture and why it has become more and more intense over recent decades. For anyone who wants a proven toolkit for resisting a parenting culture that shames them when they can't meet unrealistic expectations, Sigh See Start is your new go to tool for joyful parenting.
