Growing Vegetables Combo Expanded Combination:

Growing Vegetables in an RS Combo Norman J. Stone, 2015-12-01 New and Expanded Growing Vegetables In a Raised Bed and Straw Bale Garden combination The R S Combo Previous Version buyers please note this is a significantly expanded edition of the previous book of similar title Over 20% new material and over 40 pictures and illustrations are included within Growing vegetables organically by sustainable means is taken to a new level with this concept of an RS Combo Raised Bed Straw Bale Combination By combining these two popular gardening techniques you can have the best of both worlds and grow a virtually limitless array of vegetables and other plants The inherent weakness of growing veggies in straw bales is the fact that they will only last 1 season or 2 at most Growing perennials such as rhubarb strawberries Asparagus or berry bushes is also a no no because of this short lived aspect With Raised Beds they can be expensive to build and fill with compost regularly as the material reduces through natural depletion However combine the two forming an RS Combo and you have a gardening revolution As you will learn from this book incorporating the idea of the RS Combo means that each concept compliments the other very well The RS Combo TM combines the strengths and effectively neutralises the weakness of the individual ideas to produce an all round vegetable gardening solution to suit every need Click on the Buy Now to see how you can benefit from this New vegetable gardening revolution
