## **Guardian Lake Kambarington Saga :**

**The Guardian of the Lake** Loki Wytehart,2015-03-25 This is the FULL color version Recommended for the collectors out there The world of Kambarington is a world that was created during my creation of a play by email game Loki s Quest This game with the help of a few close friends allowed me to share an idea with players from across the globe role playing could be done without the confines of everyone being in the same room nor do you need to be connected to the internet playing a mass multi player game to enjoy the freedom that role playing can give you It also laid the ground work for this story as it gave me characters plots locations and a place to let my alter ego roam free a place to explore and live To me Kambarington and the Lake are real On a quiet night or day if I can close my eyes I can smell the different smells of the cities the smells of the bakeries the blacksmiths the harbor with its fishing boats as well as the stables I can hear the voices of the citizens going about their day hawking their wares chatting with their friends the sounds of children playing in the streets I can feel the wet breeze coming off the sea as well as the cool breeze of the mountains or the warm breeze of the plains I can taste the life that is new around me though this world is quite old I can taste the strong bitter lagers in the taverns of Sunnaria or the sweet wines of Ippswich the heavy meads of Caraway and the light ales of Susquehonia It is a world that I know as if it were my home but then maybe it is      *The Guardian of the Lake* R. J. Capone,2015-12-24 Sitting on the porch of the cabin Loki was enjoying the first rays of the new day It promised to be a warm day and with the absence of clouds rain was not going to factor into the weather Loki liked sitting here in the morning watching the dawning of the new day in the little hamlet that made up the valley of the Lake The Druid Lake hamlet was made up of folks of all races that decided to join Loki here and to make a go of it These were his friends his neighbors and his family The hamlet started with four families traveling to this valley to assist Loki in his task as Guardian and has since grown to forty families from all walks of life Life in the valley was good Good morning Loki isn t it a beautiful day said Syrus in his unusually happy voice Syrus I have found that most mornings here are beautiful but then I m partial to waking up in Kambarington replied Loki Though it had been over ten years since he had first returned here Loki never seemed more at home than he felt in this land Drake had just arrived up the hill coming from the main road leading to the Guardians home puffing from the long incline Not even summer yet and it s hotter than a devil s convention in Las Vegas Not sure I ll ever get used to the weather here Drake you know the weather here is just as it was back in Pennsylvania just not as extreme chided Syrus I myself like it And besides there are no driveways to shovel and the grass is easy to keep after Gentlemen you know that we do not speak of life on the other side reminded Loki Besides now that you are both here we need to discuss the issue of the hamlet and how to handle its expansion      **The Guardian of the Lake** Loki Wytehart,2015-03-27 Travel to the fantasy world of Kambarington where the Elves Dwarves Half Elves and Humans must band together to defeat an old nemesis Baltazor Our heroes travel from the Other Place where they were exiled after the Great War to the fantasy world of Kambarington in order to form a coalition of

the races to face the Horde Lord and his minions      The Lost Guardian R. Capone, 2016-05-16 An epic fantasy about four friends from modern day Pennsylvania that travel to a fantasy world and a home that they forgot was theirs This is book three in the saga Excerpt from The Lost Guardian The sun was shining when he opened his eyes Outside the window next to his bed he could make out the oak tree right outside his window and birds were singing it looked to be a beautiful day The man took in the room trying to figure out why he couldn't see the alarm clock that was beeping Nothing looked familiar in the room A couple of sitting chairs were near the bed a flat screen TV was mounted on the wall across from his bed A bed tray next to his bed had the remote for the TV and a cup with a straw in it A curtain was hung so as it could totally close in his bed Turning his head to see if he could make out anything familiar he saw a woman standing by the head of the bed writing in a chart like a nurse She was reading the info from the monitor he was hooked up to and relaying those numbers to the chart When she finished she turned and noticed that he was awake Well hello there stranger Weren't sure you were ever going to come back to us said the woman The man looked at the woman and saw the name plate that said her name was Nurse Martin why did she look familiar Where am I he asked and how long have I been here Well to answer your first question you are at United Memorial Hospital and you have been out for about two weeks Two weeks I don't remember coming here wherever here is and for two weeks I've been out as in a coma The nurse could see that the man was becoming riled so she touched his arm and told him to relax while she went and got the doctor who would be able to answer all of his questions and even had a few of his own Her soothing smile flicked a brief memory and then it was gone She told him that she would be right back with the doctor Just try to relax everything will be fine you'll see she said as she turned to leave the room The man tried to relax yeah that wasn't happening right away and he tried to remember what could have brought him to the hospital He saw bandages on his arms and felt the bandage on his head Nothing came to mind and where was United Memorial as that name meant nothing to him The door to his room opened and a familiar looking man walked in and then the memory was gone The man looked at the name plate Dr Lucian Turner why does that sound familiar I'm told that my least complaining patient is finally awake began the doctor and I hear that you have some questions he said as he began checking pupils and pulse as well as the monitor behind the man Everything looks normal the doctor began so let's begin with some easy questions before I tell you what we know so far Okay First can you tell me your full name as we have you listed as John Doe My name is Loki Wytehart replied the man Okay and where is your home Mr Wytehart I live in Kambarington at Druid Lake in the Sunnaria region replied the man Okay and what brings you to Ponca City asked the doctor Where is Ponca City Ponca City is in Oklahoma northeast of Oklahoma City and just south of the Kansas border What the heck am I doing in Oklahoma The doctor smiled and said That is what we are trying to find out Just a few more questions and then we can chat Travel with us as we explore this saga and come visit Druid Lake the home of the Spirit of the Lake
