The Gift of an Angel Wendy Jane Erlick, 2016-05-27 This is a book about angels and angelic verification It contains a true story and a channelled vibration of comfort and love It has been channelled and written to assist with the realignment and the post 2012 great shift we are currently undertaking This is also a book about the process of being able to channel messages and verify them to have faith and surrender It is about being on a spiritual path about finding your life's work about being free but also having fun it is about taking responsibility to be able to laugh at absurdity and not taking all of this too seriously on the one hand and taking it very seriously indeed on the other For being on a spiritual path is a journey to integration and joy a journey in which we are the hero or heroine however unlikely a label that may seem And if it is as serious as that it is also as joyous and wild as that The Gift of An Angel will inspire and assist anyone setting out on their own spiritual journey especially if this includes the desire to connect to angelic realms

Shards For His Gift Melinda Kucsera, Some presents should stay wrapped and some adventures should stay in the past. While Sarn recuperates from his wounds and deals with his sentient magic, a strange gift arrives without any information about who sent it or why. Only a handful of people know where he's staying now, and none would send him a gift. For his son Ran, this present is a mystery that must be solved if he could just get his hands on it. But everyone conspires to keep it away from him until the commander of the Rangers goes in search of the dragons under the mountain. Then everyone has larger problems than where the mysterious crystal came from. Ran gets more than he bargained for when the gift does a lot more than glow. Once again, Sarn must rise from his sickbed and save his son this time from the clutches of a magical crystal. This cozier fantasy adventure picks up where *Curse Breaker Revealed* leaves off and answers the question: what will happen now that Sarn's biggest secret is revealed?
