Guardians Of The Sky Ufo Conspiracy Files 1:

Guardians of the Sky Gary Jonas, 2016 WE ARE NOT ALONE When Steve Riley stops for a burger on a road trip a dying man hands him a file that proves the US government has aliens in captivity Before he can even process that information he is thrown into an ongoing battle between a secret breakaway group within the government a private organization investigating UFOs and different contingents of aliens from outer space who have been visiting Earth for millennia and are on the verge of war But what can one man do With Men in Black trying to kill him a private group trying to recruit him and aliens with their own agenda Steve must find a way through the intricate web of conspiracies or die trying **Guardians of the Sky** Gary Jonas, 2017-11-17 WE ARE NOT ALONE When Steve Riley stops for a burger on a road trip a dying man hands him a file that proves the US government has aliens in captivity Before he can even process that information he is thrown into an ongoing battle between a secret breakaway group within the government a private organization investigating UFOs and different contingents of aliens from outer space who have been visiting Earth for millennia and are on the verge of war But what can one man do With Men in Black trying to kill him a private group trying to recruit him and aliens with their own agenda Steve must find a way through the intricate web of conspiracies or die trying *Search for the Unknown* Matthew Hayes, 2022-04-15 Beginning in the 1950s alleged sightings of unidentified flying objects in Canadian skies bred tension between the state and its citizens While the public demanded to know more about the phenomenon government officials appeared unconcerned and unresponsive Suspicion of government deepened among certain sectors of Canadian society in the decades that followed leading to demands for greater public transparency and a new kind of citizen activism In *Search for the Unknown* Matthew Hayes uncovers the history of the Canadian government's investigations into reports of UFOs revealing how these reports were handled deflected and defended from 1950 to the 1990s During this period Canadians filed more than 5 000 reports of UFO sightings many with striking descriptions and illustrations with branches of government and law enforcement Although the government conducted some exploratory studies officials were unable to solve the mystery of UFOs or provide satisfactory answers about their alleged existence and they soon declared the matter closed Dissatisfied citizens responded by taking matters into their own hands starting UFO clubs and civilian investigation groups and accusing the government of a cover up A mutual mistrust developed between citizens who were suspicious of their government and officials who dismissed their fears and anxieties This provided fertile ground for anti authoritarian attitudes and the cultivation of conspiracy theories In an era of political division and amid heightened awareness of states responsibilities for their citizens *Search for the Unknown* reveals the challenges that governments face in responding to public anxieties and preserving trust in public institutions **Top Secret Government Archives** Nick Redfern, 2014-12-15 This compelling volume tackles the topic of the classified files that government agencies choose not to release under the terms of the Freedom of Information Act Many of these documents supposedly cannot be found or are Top Secret files that the agencies

admit exist but that they have decided to keep the public from seeing The reason for the missing files is to stop the truth about some of the world s greatest conspiracies from ever becoming known such as the Roswell UFO crash the JFK assassination Project MKUltra the CIA s mind control operation and a secret U S base on the moon *Captured by Aliens?* Nigel Watson,2020-05-22 New Hampshire couple Betty and Barney Hill provided Americans with what is essentially the original alien abduction story Since their story became public in the early 1960s many thousands of Americans have likewise come forward with similar stories of traumatic experiences Sometimes the abductee has little conscious recollection of these events but through nightmares dreams flashbacks and hypnosis they eventually learn more Sometimes the participants are bewildered To get a better understanding of the opposing viewpoints of skeptic and believer the Betty and Barney Hill case is used to examine the wider context of such encounters their historical origins media influences and the latest extraterrestrial psychological paranormal conspiracy and sociological theories that surround them Secret History Nick Redfern,2015-04-20 A guide to the hidden mysteries and secrets of the world from an established author and expert on conspiracies the unexplained and the paranormal History is written by the winners and the powerful but how much of it is fiction And who is really in control today From the dawn of civilization to the 21st century from ancient aliens to the New World Order Secret History Conspiracies from Ancient Aliens to the New World Order examines explores and uncovers the hidden overlooked and buried history of civilization The book moves from biblical Egyptian Mayan Greek and early mysteries of antiquity to the clandestine doings of the Nazis and the Masons and assassination plots of the more recent past to the surveillance monitoring mind control and secret schemes of today Researcher Nick Redfern investigates the stories mythologies lore behind incredible events and clandestine groups of yesterday and today More than 60 entries dig deep into the manipulation of events by influential groups including Historical riddles revealing alien visitations space gods human alien crossbreeding and more Government cover ups exposing mind control murders scientists research secret agents agendas and more Powerful groups and intended consequences illuminating 9 11 new world order bird flu chemtrails and more Tracing the chilling and lasting effects of conspiracies cabals and plots Secret History Conspiracies from Ancient Aliens to the New World Order exposes their deep reach in shaping today s world Truly an eye opening read PC Mag ,1988-10-31 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology **Fact, Fiction, and Flying Saucers** Stanton T. Friedman,Kathleen Marden,2016-09-19 An excellent in depth book that gets to the heart of how and why the UFO subject has been smeared ridiculed and targeted by disinformation agents Nick Redfern author of Men in Black There is a clear conspiracy to deny the existence of UFOs The mainstream media has misinformed us for years about UFO studies conducted by highly regarded scientists associated with some of the finest universities in the country There is significant evidence that the US government has covered up the alien

presence through misinformation distortion obfuscation and ridicule Some prominent politically connected scientists have engaged in the cover up And a few professional writers have helped to successfully label any scientists who have been persuaded by the evidence and brave enough to take a stand as unscientific charlatans fanatics and kooks *Fact Fiction and Flying Saucers* examines the wealth of archival documents that clearly demonstrate this cooperative disinformation effort and refute the false claims made by these professional scoffers Friedman and Marden set the record straight by examining politically motivated misinformation and presenting the compelling evidence that separates fact from fiction They reveal The most compelling UFO evidence including a variety of large scale scientific studies The current state of UFOlogy and what the future holds The media s role in disclosure and denial The government scientists whose job it is to deny The Air Force FBI CIA and NSA s involvement **The Times Index** ,2008 Indexes the Times and its supplements Sight and Sound ,2007 *The Video Source Book* David J.
