necesarios para enfrentar directamente al enemigo Transnational Philippines Rocío Ortuño Casanova, Axel Gasquet, 2024-02-27 Transnational Philippines Cultural Encounters in Philippine Literature in Spanish approaches literature that has been forgotten or neglected in studies on other literatures in Spanish due in part to the fact that today Spanish is no longer spoken in the Philippines or in Asia However isolation has not always been the case and by omitting Philippine literature in Spanish from the picture of world literatures and Spanish language literatures the landscape of these disciplines is incomplete Transnational Philippines studies how this literary production stemmed from its relationship with other cultures literature and arts It attempts to break this literature's isolation and show how it is part of the broad literary system of literature written in Spanish Yet Transnational Philippines also questions the constraints of traditional literary genres in order to make room for Philippine texts and other colonial and postcolonial texts so that those texts can be taken into consideration in literary studies Its chapters elaborate on the problems surrounding the cultural and identity relations of the Philippines with other regions and the literary nature of Philippine texts By addressing the need for a postnational approach to Spanish language Philippine literature the book challenges the Spain Latin America dichotomy existing in Spanish language literary studies and leans toward a global conception of the Hispanophone **Críticas**, 2001 **Religious and Theological Abstracts**, 2000 *World Literature in Spanish* Maureen Ihrie, Salvador Oropesa, 2011-10-20 Containing roughly 850 entries about Spanish language literature throughout the world this expansive work provides coverage of the varied countries ethnicities time periods literary movements and genres of these writings Providing a thorough introduction to Spanish language literature worldwide and across time is a tall order However *World Literature in Spanish* An Encyclopedia contains roughly 850 entries on both major and minor authors themes genres and topics of Spanish literature from the Middle Ages to the present day affording an amazingly comprehensive reference collection in a single work This encyclopedia describes the growing diversity within national borders the increasing interdependence among nations and the myriad impacts of Spanish literature across the globe All countries that produce literature in Spanish in Europe Africa the Americas and Asia are represented covering both canonical authors and emerging contemporary writers and trends Underrepresented writings such as texts by women writers queer and Afro Hispanic texts children's literature and works on relevant but less studied topics such as sports and nationalism also appear While writings throughout the centuries are covered those of the 20th and 21st centuries receive special consideration **Companion to Spanish Surrealism** Robert Havard, 2004 A comprehensive introduction to Surrealism in Spain with focus on poetry art drama and film *Binominal Quantifiers in Spanish* Katrien Dora Verveckken, 2015-07-24 Quantification is central to human experience cf Aristotle's *Organon* the most basic aspects of human life and reasoning involve quantity assessment This study sheds lights on a highly frequent way to express quantification in Spanish viz the binominal quantifier e.g. un aluvi nN1 de llamadasN2 a flood of calls which assesses the quantity of N2 in terms of N1 This volume offers a corpus based cognitive functional analysis of binominal

quantifiers BQ in Spanish The first part is dedicated to the development of BQs and starts from the assumption that BQs are cross linguistically involved in grammaticalization This monograph frames the history of BQs in Spanish in terms of constructional levels of change and highlights the complex interplay between analogical thinking and conceptual persistence The second part motivates both the ample variation in the paradigm of quantifying nouns and their combinatorial pattern by the very same mechanism of conceptually driven analogy The study thus yields an innovative functional model of BQs in Spanish in synchrony and in diachrony with major implications for reference grammars and theory building

Major Concepts in Spanish Feminist Theory Roberta Johnson, 2019-05-09 Major Concepts in Spanish Feminist Theory is the first book in English to offer a substantial overview of Spanish feminist thought It focuses on six concepts solitude personality social class work difference and equality and distinguishes Spanish feminist theory from that of other countries Roberta Johnson employs a chronological format to highlight continuity and polemics in Spanish feminist thinking from the eighteenth century to the present She brings together arguments from well known names such as Benito Jerónimo Feijoo Concepción Arenal Emilia Pardo Bazón María Martínez Sierra Carmen de Burgos and Carmen Laforet as well as less familiar figures such as the Countess Campo Alange María Laffitte and Lili Álvarez who defied restrictions on feminist activity during the Franco dictatorship to publish feminist books The topics of difference and equality are explored and the book recounts the long tension between theorists of each persuasion a tension that erupted publicly during Spain's democratic era Each theorist's arguments are laid out in straightforward non-jargonistic prose making this book a useful classroom tool for courses on Spanish women writers Spanish culture and cross-cultural feminist studies

A New History of Iberian Feminisms Silvia Bermúdez, Roberta Johnson, 2018-01-01 A New History of Iberian Feminisms is both a chronological history and an analytical discussion of feminist thought in the Iberian Peninsula including Portugal and the territories of Spain the Basque Provinces Catalonia and Galicia from the eighteenth century to the present day The Iberian Peninsula encompasses a dynamic and fraught history of feminism that had to contend with entrenched tradition and a dominant Catholic Church Editors Silvia Bermúdez and Roberta Johnson and their contributors reveal the long and historical struggles of women living within various parts of the Iberian Peninsula to achieve full citizenship A New History of Iberian Feminisms comprises a great deal of new scholarship including nineteenth-century essays written by women on the topic of equality By addressing these lost texts of feminist thought Bermúdez Johnson and their contributors reveal that female equality considered a dormant topic in the early nineteenth century was very much part of the political conversation and helped to launch the new feminist wave in the second half of the century
