Catalog of Copyright Entries, Fourth Series Library of Congress. Copyright Office, 1978 *Handbook of Demonstrations and Activities in the Teaching of Psychology* Mark E. Ware, David E. Johnson, 2013-09-05 For those who teach students in psychology education and the social sciences, the Handbook of Demonstrations and Activities in the Teaching of Psychology, Second Edition, provides practical applications and rich sources of ideas. Revised to include a wealth of new material, 56% of the articles are new. These invaluable reference books contain the collective experience of teachers who have successfully dealt with students' difficulty in mastering important concepts about human behavior. Each volume features a table that lists the articles and identifies the primary and secondary courses in which readers can use each demonstration. Additionally, the subject index facilitates retrieval of articles according to topical headings, and the appendix notes the source as it originally appeared in Teaching of Psychology, especially useful for users needing to cite information. The official journal of the Society for the Teaching of Psychology, Division Two of the American Psychological Association, Teaching of Psychology is a highly respected publication devoted to improving teaching and learning at all educational levels. Volume II consists of 99 articles about teaching physiology, perception, learning, memory and developmental psychology. Divided into eight sections, four devoted to developmental psychology and one for each of the other specialties, the book suggests ways to stimulate
