Home Economics Nationalism And The Making Of Migrant Workers In Canada

Katherine Tonkiss, Tendayi Bloom

Home Economics Nationalism And The Making Of Migrant Workers In Canada:

Home Economics Nandita Rani Sharma, 2006-01-01 Home Economics is an urgent and much needed reminder that society must pay careful attention to how nationalist ideologies construct homelands that essentially leave the vast majority of the world's migrant peoples homeless *Migration in the 21st Century* Pauline Gardiner Barber, Winnie Lem, 2012 This edited collection focuses on global migration in its inter regional international and transnational variants and argues that contemporary migration scholarship is significantly advanced both within anthropology and beyond it when ethnography is theoretically engaged to grapple with the social consequences and asymmetries of twenty first century capitalism's global modalities Drawn from settings across the globe case studies explore the nuanced formations of class and power within particular migration flows while addressing the complex analytics of a contemporary critical political economy of migration Subjects include global migrants as capitalists entrepreneurs and cosmopolitans as well as workers and immigrants who are subject to varying degrees of precariousness under intensified competition for profits within contemporary global economies By re-addressing the question of the relationship between changes in global capitalism and migration the book aims for a timely intervention into the debates on migration which have come to be one of the most contentious emotionally fraught issues in North America and Europe *Beyond Colonialism, Development and Globalization* Dominique Caouette, Dip Kapoor, 2015-12-15 Development studies is in a state of flux A new generation of scholars has come to reject what was once regarded as accepted wisdom and increasingly regard development and globalization as part of a continuum with colonialism premised on the same reductionist assumption that progress and growth are objective facts that can be fostered measured assessed and controlled Drawing on a variety of theoretical perspectives and approaches this book explores the ways in which social movements in the Global South are rejecting Western centric notions of development and modernization as well as creating their own alternatives By assessing development theories from the perspective of subaltern groups and movements the contributors posit a new notion of development from below one in which these movements provide new ways of imagining social transformation and a way out of the developmental dead end that has so far characterized post development approaches Beyond Colonialism Development and Globalization therefore represents a radical break with the prevailing narrative of modernization and points to a bold new direction for development studies *Handbook of Migration and Health* Felicity Thomas, 2016-12-30 Migration is now firmly embedded as a leading global policy issue of the twenty first century Whilst not a new phenomenon it has altered significantly in recent decades with changing demographics geopolitics conflict climate change and patterns of global development shaping new types of migration Against this evolving backdrop this Handbook offers an authoritative overview of key debates underpinning migration and health in a contemporary global context Theorising Noncitizenship Katherine Tonkiss, Tendayi Bloom, 2018-09-03 Noncitizenship if it is considered at all is generally seen only as the negation or deprivation of citizenship It is rarely examined in its own right whether in relation to

States to noncitizens or citizens This means that it is difficult to examine successfully the status of noncitizens obligations towards them and the nature of their role in political systems As a result not only are there theoretical black holes but also the real world difficulties created as a result of noncitizenship are not currently successfully addressed In response Theorising Noncitizenship seeks to define the theoretical challenge that noncitizenship presents and to consider why it should be seen as a foundational concept in social science The contributions from leading scholars in the field and across disciplinary backgrounds capture a diversity of perspectives on the meaning position and lived experience of noncitizenship They demonstrate that we need to look beyond citizenship in order to take noncitizenship seriously and to capture fully the lived realities of the contemporary State system This book was previously published as a special issue of Citizenship Studies

Global Reconstructions of Vocational Education and Training James Avis, 2016-04-08 Vocational education and training VET can be difficult to define since it is set in a turbulent and volatile environment marked by national and regional specificities It can be delivered at different levels and by a variety of providers including community colleges colleges of further education polytechnics and universities as well as importantly private providers This collection reflects the shifting and often messy conceptualisations of VET On one level VET can be associated with the education and training of craft skilled workers or of those who are being prepared for a particular occupational destiny and specific position in the labour market In this instance notions of skill knowledge and dispositions are significant On another level it can raise questions over power and class formation in addition to the way in which these are mediated or intersect with race and gender Moreover there are important political questions addressing the significance of VET in furthering social cohesion and economic regeneration in times of austerity when neoliberalism is hegemonic The chapters in this book are not all of a piece but each in its turn raises important questions about VET its relationship to the economy as well as its global setting This book was originally published as a special issue of Globalisation Societies and Education

Gigs, Hustles, & Temps Jason Foster, 2023-04-25 Precarious work contributes to rampant inequality increased insecurity and the crisis of public and mental health Gigs Hustles and Temps explains why In this profoundly troubling and incisive look at the state of work and welfare in Canada Jason Foster reveals the long often hidden process that has left our jobs less secure our livelihoods more uncertain and the pockets of Canada s wealthy fatter than ever This phenomenon the rise of precarious work touches the entire economy and contributes to levels of income inequality unseen since the early 20th century Our world is less secure than it has been in generations Gigs Hustles and Temps describes how we got here and why Jobs across the economy are increasingly more precarious and they share similar characteristics impermanence little to no benefits and no union representation Uber Starbucks and Amazon have led the way Governments are contracting out more labour than ever before Tech companies hire workers on flexible contracts without the prospect of long term employment Migrant workers too are working without a safety net figuratively and literally No matter where you fall on the socio economic ladder your life is

probably more precarious than your parents once was Foster offers insights into the many consequences of our increasingly precarious world He also details some of the less obvious repercussions of precarious work including its contribution to the crisis of mental and public health across Canada Foster argues that the rise of precarious work is more a return to normal for capitalist economies But there is a flip side advances in worker welfare have come through solidarity struggle and negotiation with the forces currently promoting precarious work across Canada s economy Things don t have to be the way they are Gigs Hustles and Temps is a comprehensive accessible and essential guidebook on the road to a better world

Alberta Oil and the Decline of Democracy in Canada Meenal Shrivastava,Lorna Stefanick,2015-10-01 In Democracy in Alberta The Theory and Practice of a Quasi Party System published in 1953 C B Macpherson explored the nature of democracy in a province that was dominated by a single class of producers At the time Macpherson was talking about Alberta farmers but today the province can still be seen as a one industry economy the 1947 discovery of oil in Leduc having inaugurated a new era For all practical purposes the oil rich jurisdiction of Alberta also remains a one party state Not only has there been little opposition to a government that has been in power for over forty years but Alberta ranks behind other provinces in terms of voter turnout while also boasting some of the lowest scores on a variety of social welfare indicators The contributors to Alberta Oil and the Decline of Democracy critically assess the political peculiarities of Alberta and the impact of the government s relationship to the oil industry on the lives of the province s most vulnerable citizens They also examine the public policy environment and the entrenchment of neoliberal political ideology in the province In probing the relationship between oil dependency and democracy in the context of an industrialized nation Alberta Oil and the Decline of Democracy offers a crucial test of the oil inhibits democracy thesis that has hitherto been advanced in relation to oil producing countries in the Global South If reliance on oil production appears to undermine democratic participation and governance in Alberta then what does the Alberta case suggest for the future of democracy in industrialized nations such as the United States and Australia which are now in the process of exploiting their own substantial shale oil reserves The environmental consequences of oil production have for example been the subject of much attention Little is likely to change however if citizens of oil rich countries cannot effectively intervene to influence government policy

Policing Black Lives Robyn Maynard,2025-08-22 This revised and expanded edition of Robyn Maynard s bestselling Policing Black Lives offers a comprehensive account of policing Black life in Canada Maynard documents how a half a century of police reforms have expanded the scope and scale of policing and perpetuated anti Black violence Offering a compelling vision for making policing obsolete in the wake of global Black uprisings in 2020 this essential text will guide and inspire activists students scholars and all those working toward Black futures beyond surveillance and confinement

Beyond Binaries and Polarization? Elke Winter,2025-06-30 This book explores what lies between the statuses of insider and outsider in immigrant nations It asks Who is conditionally included excluded in relation to whom and for what reasons What does this conditional

inclusion exclusion entail in terms of citizenship material resources and sense of belonging How does it affect the cultural and economic well being of refugees migrants and the host society The focus is on Canada which is often described as the quintessential immigrant nation The chapters in this book provide new insights into several hotly contested issues the overlapping cultural and economic logics of nationalist inclusion exclusion the growing prevalence of temporary and two step migration regimes the importance of cities in managing multiculturalism the need to disaggregate minority groups and the intersections of race class and gender in narratives of nationhood By shifting the focus of research from us them binaries to the study of relational inclusion exclusion involving three or more actors or groups this book highlights the often overlooked conditionality and temporality of immigrant inclusion the messiness of policies aimed at ethnic diversity and the uneven distribution of attitudes among members of minority groups This book will be valuable for scholars students and policymakers in the fields of sociology political science migration studies and Canadian studies The chapters in this book were originally published as a special issue of *Nationalism and Ethnic Politics* and are accompanied with a new Foreword a comprehensive glossary and critical engagement questions

Change and Continuity Mark P. Thomas, Leah F. Vosko, Carlo Fanelli, Olena Lyubchenko, 2019-08-28 In a period characterized by growing social inequality precarious work the legacies of settler colonialism and the emergence of new social movements *Change and Continuity* presents innovative interdisciplinary research as a guide to understanding Canada's political economy and a contribution to progressive social change Assessing the legacy of the Canadian political economy tradition a broad body of social science research on power inequality and change in society the essays in this volume offer insight into contemporary issues and chart new directions for future study Chapters from both emerging and established scholars expand the boundaries of Canadian political economy research seeking new understandings of the forces that shape society the ensuing conflicts and contradictions and the potential for social justice Engaging with interconnected topics that include shifts in immigration policy labour market restructuring settler colonialism the experiences of people with disabilities and the revitalization of workers movements this collection builds upon and deepens critical analysis of Canadian society and considers its application to contexts beyond Canada The latest in a series of related volumes on Canadian political economy *Change and Continuity* explores the past present and potential futures of the discipline in a global context offering insight into some of the most pressing issues of our time

Research Handbook on Transnational Labour Law Adelle Blackett, Anne Trebilcock, 2015-09-25 The editors substantive introduction and the specially commissioned chapters in the Handbook explore the emergence of transnational labour law as a field along with its contested contours The expansion of traditional legal methods such as treaties is juxtaposed with the proliferation of contemporary alternatives such as indicators framework agreements and consumer led initiatives Key international and regional institutions are studied for their coverage of such classic topics as freedom of association equality and sectoral labour standard setting as well as for the space they provide for dialogue The volume

underscores transnational labour law's capacity to build bridges including on migration climate change and development

Immigration, Racial and Ethnic Studies in 150 Years of Canada, 2019-01-21 Canada's history since its birth as a nation one hundred and fifty years ago is one of immigration nation building and contested racial and ethnic relations In Immigration Racial and Ethnic Studies in 150 Years of Canada Retrospects and Prospects scholars provide a wide ranging overview of this history with a core theme being one of enduring racial and ethnic conflict and inequality The volume is organized around four themes where in each theme selected racial and ethnic issues are examined critically Part 1 focuses on the history of Canadian immigration and nation building while Part 2 looks at situating contemporary Canada in terms of the debates in the literature on ethnicity and race Part 3 revisits specific racial and ethnic studies in Canada and finally in Part 4 a state of the art is provided on immigration and racial and ethnic studies while providing prospects for the future Contributors are Victor Armony David Este Augie Fleras Peter R Grant Shibao Guo Abdolmohammad Kazemipur Anne Marie Livingstone Adina Madularea Ayesha Mian Akram Nilum Panesar Yolande Pottie Sherman Paul Pritchard Howard Ramos Daniel W Robertson Vic Satzewich Morton Weinfeld Rima Wilkes Lori Wilkinson Elke Winter Nelson Wiseman Lloyd Wong and Henry Yu Indigenous Women, Work, and History Mary Jane Logan McCallum, 2014-05-02 When dealing with Indigenous women's history we are conditioned to think about women as private sphere figures circumscribed by the home the reserve and the community Moreover in many ways Indigenous men and women have been cast in static pre modern and one dimensional identities and their twentieth century experiences reduced to a singular story of decline and loss In Indigenous Women Work and History historian Mary Jane Logan McCallum rejects both of these long standing conventions by presenting case studies of Indigenous domestic servants hairdressers community health representatives and nurses working in modern Native ways between 1940 and 1980 Based on a range of sources including the records of the Departments of Indian Affairs and National Health and Welfare interviews and print and audio visual media McCallum shows how state run education and placement programs were part of Canada's larger vision of assimilation and extinguishment of treaty obligations Conversely she also shows how Indigenous women link these same programs to their social and cultural responsibilities of community building and state resistance By placing the history of these modern workers within a broader historical context of Aboriginal education and health federal labour programs post war Aboriginal economic and political developments and Aboriginal professional organizations McCallum challenges us to think about Indigenous women's history in entirely new ways Liberating Temporariness? Leah F. Vosko, Valerie Preston, Robert Latham, 2014-06-01 Liberating Temporariness explores the complex ways in which temporariness is being institutionalized as a condition of life for a growing number of people worldwide The collection emphasizes contemporary developments but also provides historical context on nation state membership as the fundamental means for accessing rights in an era of expanding temporariness in recognition of why pathways to permanence remain so compelling Through empirical and theoretical analysis contributors

explore various dimensions of temporariness especially as it relates to the legal status of migrants and refugees to the spread of precarious employment and to limitations on social rights While the focus is on Canada a number of chapters investigate and contrast developments in Canada with those in Europe as well as Australia and the United States Together these essays reveal changing and enduring temporariness at local regional national transnational and global levels and in different domains such as health care language programs and security The question at the heart of this collection is whether temporariness can be liberated from current constraints While not denying the desirability of permanence for migrants and labourers *Liberating Temporariness* presents alternative possibilities of security and liberation

Ghost Citizens Jamie Chai Yun Liew, 2024-02-22T00:00:00Z *Ghost Citizens* is about in situ stateless people persons who live in a country they consider their own but which does not recognize them as citizens Liew develops the concept of the ghost citizen to understand a global experience and a double oppression of being invisible and feared in law The term also refers to two troubling state practices ghosting their own citizens and conferring ghost citizenship casting persons as foreigners without legal proof Told through an examination of law legal processes and interviews with stateless persons and their advocates this deeply researched book examines international and domestic jurisprudence as well as administrative decision making to show an emerging practice where states are pointing to a mother figure constructed in law as racialized foreign and potentially disloyal to depict persons as not kin and therefore the responsibility of other states By tracing British colonial legal vestiges in the case study of Malaysia Liew shows how contemporary post colonial democratic and multi juridical states deploy law and its processes and historical ideas of racial categories to create and maintain statelessness This book challenges established norms of state recognition and calls for a discussion of ideas borrowed from other areas of law including Indigenous legal traditions and family law on how we should organize our communities with more respectful relations and treatment among kin

The Elgar Companion to Valleys Luis LM Aguiar, Donna Senese, Diana E. French, 2023-11-03 This unique Companion showcases the importance of valleys and their socio economic physical and cultural landscapes across three continents Expert scholars in the field offer a broad range of disciplinary perspectives on the topic discussing key historical and contemporary issues governing and transforming valleys

Power and Everyday Practices, Second Edition Deborah Brock, Aryn Martin, Rebecca Raby, Mark Thomas, 2019-08-22 This unique and innovative text provides undergraduate students with tools to think sociologically through the lens of everyday life Normative social organization and taken for granted beliefs and actions are exposed as key mechanisms of power and social inequality in western societies today By unpacking the centre students are encouraged to turn their social worlds inside out and explore alternatives to the dominant social order The text is divided into three parts In Part One students learn how to use theory and methodology which are blended seamlessly throughout the text It shows how to position Michel Foucault as a companion to theorists such as Karl Marx and Stuart Hall while signaling the importance of non western and Indigenous knowledges experiences and

rights In Part Two students explore and challenge normativity the normal body heterosexuality whiteness the two gender system aging and the under side of citizenship In Part Three shorter chapters critique everyday practices such as thinking scientifically practicing self help going shopping managing money buying coffee being a tourist and marginalizing Indigeneity Each chapter includes intriguing exercises study questions and key terms that link to the volume s comprehensive glossary Instructors are provided PowerPoint slides test banks and multimodal supplementary resources that make the book adaptable to blended and online learning environments Essay style lectures are also available to accompany the textbook

Temporary Labour Migration in the Global Era Joanna Howe, Rosemary Owens, 2016-11-17 In the global era controversies abound over temporary labour migration however it has not previously been subjected to a sustained socio legal analysis on a comparative basis critiquing the underpinning concepts conventionally accepted as fundamental in this area This collection of essays aims to fill that void Complex regulatory challenges arise from temporary labour migration This collection examines these challenges and the extent to which temporary labour migration programmes can be ethical equitable and efficacious and so deliver decent work for workers Whilst the tendency for migration law to divide labour law s worker protective mission has been observed before the authors of the chapters comprising this collection seek not only to interrogate why and how this is so but to go further in examining the implications and effects of a wide range of regulatory mechanisms on temporary labour migration

Immigrant Experiences in North America Harald Bauder, John Shields, 2015-05-01 Immigration settlement and integration are vital issues in the twenty first century they propel economic development transform cities and towns shape political debate and challenge established national identities This original collection provides the first comprehensive introduction to the contemporary immigrant experience in both the United States and Canada by exploring national regional and metropolitan contexts With essays by an interdisciplinary team of American and Canadian scholars this volume explores major themes such as immigration policy labour markets and the economy gender demographic and settlement patterns health well being and food security education and media Each chapter includes instructive case examples recommended further readings links to web based resources and questions for critical thought Engaging and accessible *Immigrant Experiences in North America* will appeal to students and instructors across the social sciences including geography political science sociology policy studies and urban and regional planning

Home Economics Nationalism And The Making Of Migrant Workers In Canada Introduction

In the digital age, access to information has become easier than ever before. The ability to download Home Economics Nationalism And The Making Of Migrant Workers In Canada has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Home Economics Nationalism And The Making Of Migrant Workers In Canada has opened up a world of possibilities. Downloading Home Economics Nationalism And The Making Of Migrant Workers In Canada provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Home Economics Nationalism And The Making Of Migrant Workers In Canada has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Home Economics Nationalism And The Making Of Migrant Workers In Canada. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Home Economics Nationalism And The Making Of Migrant Workers In Canada. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the

efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Home Economics Nationalism And The Making Of Migrant Workers In Canada, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Home Economics Nationalism And The Making Of Migrant Workers In Canada has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Home Economics Nationalism And The Making Of Migrant Workers In Canada Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Home Economics Nationalism And The Making Of Migrant Workers In Canada is one of the best book in our library for free trial.
