Homeschooling 101 Mark Field, Christine Field, 2007-04-01 Where to begin and how to continue. Homeschooling 101 will help potential and current homeschooling parents caught between a proverbial rock—the expectations of the world when it comes to education—and a hard place—honoring God through the raising and teaching of their children. Veteran homeschool couple Mark and Christine Field write from experience about why homeschooling is best for children and how to make the process a complete success at every step. Chapters include discussions on the uniqueness of each child, practical advice on teaching children of different ages at the same time, the centrality of the Bible in the education process, and approaches to teaching various subjects and much more. **Homeschooling 101** Janet Evans, 2014-06-26 There is a certain stigma when it comes to home schooling, but there are a lot of benefits with home schooling that most people do not even know. Absolute beginners guide to homeschooling will help you decide if homeschooling is the best choice for your children's education. **A Parent's Guide to Home Schooling** Tamra Orr, 2002. Provides answers and resources for questions about topics including legal requirements, use of public school facilities, and providing both a social and academic education while home schooling. [The Complete Idiot's Guide to Evangelical Christianity](#) David Cobia, D.Min., 2007-04-03. The word on spreading the word: The Evangelical Christian movement is the fastest growing segment of American religion, with 42% of all Christians in America identifying themselves as Evangelicals. Now Evangelical Pastor David Cobia shares the genesis, history, and culture of this religion in America with a balanced, accessible tone. He also touches upon the controversies it's spawned regarding such topics as school curriculum, abortion, gay rights, and family structure. Written both for those inside the movement and those wanting to know more, it gives a clear, factual portrait of what this growing Christian movement is all about. Balanced, positive, yet objective tone and presentation of information. Provides a complete history of the movement, details about specific services and rituals, and interviews with Evangelical Christians about their beliefs and lifestyles. Discusses controversial topics and how Evangelical Christians feel about them. **Home Schooling** Frederick M. Lawrence, 2007. From left to right on the political spectrum, there is at least one note of agreement: the nation's school system has not delivered universal quality education. Accordingly, debate has raged over how to rectify this situation. Should the government increase funding, encourage privatisation, some of both? Another

option though has emerged and is seemingly gaining popularity home schooling Citing both substandard education and displeasure with school environments and curricula many parents have decided to teach their own children Supporters say it is well within their rights to raise their children as they see fit and that at home learning is superior to the public system Detractors claim that home schooled children are deprived of social interaction and the broad based education provided by the system Neither side wants to cede ground making the issue of home schooling an integral part of a wider national debate on education In this book the specific topic of home schooling is presented from all relevant sides to give a complete picture of the present status of the issue and its potential for future resolution Following this overview is a thorough and carefully selected bibliography of literature about home schooling from all viewpoints Easy access to this important resource is then provided via author title and subject indexes

Hybrid Homeschooling Michael Q. McShane, 2021-03-14 All across the country in traditional public public charter and private schools entrepreneurial educators are experimenting with the school day and school week Hybrid Homeschools have students attend traditional classes in a brick and mortar school for some part of the week and homeschool for the rest of the week Some do two days at home and three days at school others the inverse and still others split between four days at home or school and one day at the other This book dives deep into hybrid homeschooling It describes the history of hybrid homeschooling the different types of hybrid homeschools operating around the country and the policies that can both promote and thwart it At the heart of the book are the stories of hybrid homeschoolers themselves Based on numerous in depth interviews the book tells the story of hybrid homeschooling from both the family and educator perspective

Patriarchal Lineages in 21st-Century Christian Courtship Elizabeth L. Shively, 2020-08-10 Drawing from a study of courtship media and ethnographic work at purity retreats and home school conventions across the Midwest this is the first inquiry into modern Christian courtship an alternative to dating that asks young people to avoid both romance and sex until they are ready to be married Bridging sociological and historical studies of American Christianity with youth and girlhood studies literatures Elizabeth Shively finds that the courtship system is designed to shore up the patriarchal nuclear family structure at the center of conservative Christianity and ensure predictability in the face of emerging adulthood single young women work to embody ideals of luminous femininity and model themselves after archetypes such as the Proverbs 31 woman the stay at home daughter and the mission minded girl and courting couples strive to guard their hearts against premature emotional intimacy Nonetheless participants report that courtship like other relationships inevitably carries an element of risk and it ultimately fails to offer a substantial challenge to the to the sexist realities of youth dating culture
