central to her writing of gender class empire and the nation The discussion moves in and out of rooms from the focus on travel in Woolf s debut novel to the archival function of built space and literary heritage in *Night and Day* the university as a male space of learning in *Jacob s Room* the iconic *A Room of One s Own* and its historical readers interior space as spatial history in *The Years* and rooms as loci of memory in her unfinished memoir *Zink* masterfully shows the spatial formation of rooms to be at the heart of Woolf s interweaving of the political and the aesthetic revealing an understanding of space as dynamic and relational

The Femininity Puzzle Ulrike Brunotte,2022-09-01 In the Hobsbawmian long 19th century gender and processes of sexualization and feminization have been crucial in the construction of the Jewish Other Ulrike Brunotte explores how these processes came about by addressing imaginative aesthetic and epistemological questions She analyzes how literature psychoanalysis and the performing arts traverse and react to the ambivalence of racialized stereotypes The femininity puzzle presents itself in two ways first in the role of effeminization of the male Jew in antisemitic discourse and then in the transgressive forms of femininity connected to Jewish women especially the allosemitic orientalizations in the figure of the Beautiful Jewess

archaeologists ethnographers journalists and tourists to chart women's renderings of Modern Greece through a series of discursive lenses Mahn's offers insights into the importance of the Murray and Baedeker guidebooks how knowledge of Greece and Classical Studies were used to justify colonial rule of India at the same time that Agnes Smith Lewis and Jane Ellen Harrison used Greece as a symbol of women's emancipation British women's production of the first anthropological accounts of Modern Greece and fin de siècle women who asserted their right to see and claim antiquity at the same time that the safety of the independent lady traveler was being called into question by the media
