

Homosexuality In The Ancient World Homosexuality In The Ancient World

Merry Wiesner-Hanks

Homosexuality In The Ancient World Homosexuality In The Ancient World:

Homosexuality in the Ancient World Wayne R. Dynes, Stephen Donaldson, 1992 This book is a collection of essays focusing on homosexual behavior in Mesopotamia Egypt Ancient Greece and Ancient Rome **Bisexuality in the Ancient World**

Eva Cantarella, 1992-01-01 Bisexuality was intrinsic to the cultures of the ancient world In both Greece and Roman sexual relationships between men were acknowledged tolerated and widely celebrated in literature and art For the Greeks and Romans homosexuality was not an exclusive choice but alternative to and sometime simultaneous with the love of a woman

Jesus, the Bible, and Homosexuality Jack Bartlett Rogers, 2006-01-01 In this sure to be controversial book former seminary professor and church official Jack Rogers argues unequivocally for the ordination of homosexuals and for the extension of full and equal rights in society to all people who are homosexual Christianity he observes has moved through history in the direction of ever greater openness and inclusiveness Today s church is led by many of those who were once cast out people of color women and divorced and remarried people It is inevitable he believes that gay lesbian bisexual and transgender people will one day walk in the same steps as other Christian leaders Rogers an evangelical begins by discussing his own personal change of heart and mind on the issue a change that has moved him into the middle of this controversy in his own church the Presbyterian Church U S A He examines how the church misused the Bible to justify slavery and the denial of rights to women and links these efforts to efforts today to use biblical texts to deny equal rights to gays and lesbians He shows how neither the Bible nor the Confessions are opposed to homosexuality and debunks frequently used fundamentalist stereotypes and myths about gays and lesbians Rogers concludes with his thoughts on how the church can heal itself and move forward *Slaves, Women & Homosexuals* William J. Webb, 2009-08-20 This volume by William J Webb explores the hermeneutical maze that accompanies any treatment of these three controversial topics and takes a new step toward breaking down walls within the evangelical community related to them

Ancient Rome and the Construction of Modern Homosexual Identities Jennifer Ingleheart, 2015-10-08 Much has been written about the contribution of ancient Greece to modern discourses of homosexuality but Rome s significant role has been largely overlooked *Ancient Rome and the Construction of Modern Homosexual Identities* explores the contested history of responses to Roman antiquity covering areas such as literature the visual arts popular culture scholarship and pornography Essays by scholars working across a number of disciplines analyse the demonization of Rome and attempts to write it out of the history of homosexuality by early activists such as John Addington Symonds who believed that Rome had corrupted ideal and idealized Greek love through its decadence and sexual licentiousness The volume s contributors also investigate the identification with Rome by men and women who have sought an alternative ancestry for their desires The volume asks what it means to look to Rome instead of Greece theorizes the way in which Rome itself appropriates Greece and explores the consequences of such appropriations and identifications both ancient and modern From learned discussions of lesbian cunnilingus in Renaissance commentaries

on Martial and Juvenal to disgust at the sexual excesses of the emperors to the use of Rome by the early sexologists to modern pornographic films that linger on the bodies of gladiators and slaves Rome has been central to homosexual desires and experiences By interrogating the desires that create engagements with the classical past the volume illuminates both classical reception and the history of sexuality

Reader's Guide to Lesbian and Gay Studies Timothy Murphy, 2013-10-18 The Reader's Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report

Roman Homosexuality Craig A. Williams, 2010-02-01 Ten years after its original publication Roman Homosexuality remains the definitive statement of this interesting but often misunderstood aspect of Roman culture Learned yet accessible the book has reached both students and general readers with an interest in ancient sexuality This second edition features a new foreword by Martha Nussbaum a completely rewritten introduction that takes account of new developments in the field a rewritten and expanded appendix on ancient images of sexuality and an updated bibliography

What Does the Bible Really Teach about Homosexuality? Kevin DeYoung, 2015-04-16 In just a few short years massive shifts in public opinion have radically reshaped society's views on homosexuality Feeling the pressure to forsake long held beliefs about sex and marriage some argue that Christians have historically misunderstood the Bible's teaching on this issue But does this approach do justice to what the Bible really teaches about homosexuality In this timely book award winning author Kevin DeYoung challenges each of us the skeptic the seeker the certain and the confused to take a humble look at God's Word Examining key biblical passages in both the Old and New Testaments and the Bible's overarching teaching regarding sexuality DeYoung responds to popular objections raised by Christians and non Christians alike offering readers an indispensable resource for thinking through one of the most pressing issues of our day

What does the Bible Really Teach About Homosexuality? Denmark Hill, 2015-04-17 In just a few short years massive shifts in public opinion have radically reshaped society's views on homosexuality Feeling the pressure to forsake long held beliefs about sex and marriage some argue that Christians have historically misunderstood the Bible's teaching on this issue But does this approach do justice to what the Bible really teaches about homosexuality In this timely book award winning author Kevin DeYoung challenges each of us the skeptic the seeker the certain and the confused to take a humble look at God's Word Examining key biblical passages in both the Old and New Testaments and the Bible's overarching teaching regarding sexuality DeYoung responds to popular objections raised by Christians and non Christians alike offering readers an indispensable resource for thinking through one of the most pressing issues of our day

Roman Homosexuality : Ideologies of Masculinity in Classical Antiquity City University of New York Craig A. Williams Assistant Professor of Classics Brooklyn College, 1999-05-12 This

book provides a thoroughly documented discussion of ancient Roman ideologies of masculinity and sexuality with a focus on ancient representations of sexual experience between males. It gathers a wide range of evidence from the second century B C to the second century A D above all from such literary texts as courtroom speeches, love poetry, philosophy, epigram and history but also graffiti and other inscriptions as well as artistic artifacts and uses that evidence to reconstruct the contexts within which Roman texts were created and had their meaning. The book takes as its starting point the thesis that in order to understand the Roman material we must make the effort to set aside any preconceptions we might have regarding sexuality, masculinity and effeminacy. Williams' book argues in detail that for the writers and readers of Roman texts the important distinctions were drawn not between homosexual and heterosexual but between free and slave, dominant and subordinate, masculine and effeminate as conceived in specifically Roman terms. Other important questions addressed by this book include the differences between Roman and Greek practices and ideologies, the influence exerted by distinctively Roman ideals of austerity, the ways in which deviations from the norms of masculine sexual practice were negotiated both in the arena of public discourse and in real men's lives, the relationship between the rhetoric of nature and representations of sexual practices and the extent to which same sex marriages were publicly accepted.

Myth of the Modern Homosexual Rictor Norton, 2016-10-06 With careful reasoning supported by wide ranging scholarship, this study exposes the fallacies of social constructionist theories within lesbian and gay studies and makes a forceful case for the autonomy of queer identity and culture. It presents evidence that queers are part of a centuries old history possessing a unified historical and cultural identity. The volume reviews the fundamental historiographical issues about the nature of queer history, arguing that a new generation of queer historians will need to abandon authoritarian dogma founded upon politically correct ideology rather than historical experience. Norton offers a clear exposition of the evidence for ancient indigenous and pre modern queer cultural continuity, revealing how knowledge of that history has been suppressed and censored and sets out the queer cultural essentialist position on the key topics of queer history, role, identity, bisexuality, orientation, linguistics, social control, homophobia, subcultures and kinship patterns.

[A Companion to Greek and Roman Sexualities](#) Thomas K. Hubbard, 2013-11-21 *A Companion to Greek and Roman Sexualities* presents a comprehensive collection of original essays relating to aspects of gender and sexuality in the classical world. Views the various practices and discursive contexts of sexuality systematically and holistically. Discusses Greece and Rome in each chapter with sensitivity to the continuities and differences between the two classical civilizations. Addresses the classical influence on the understanding of later ages and religion. Covers artistic and literary genres, various social environments of sexual conduct and the technical disciplines of medicine, magic, physiognomy and dream interpretation. Features contributions from more than 40 top international scholars.

Jesus, the Bible, and Homosexuality, Revised and Expanded Edition Jack Rogers, 2009-04-14 In this revised and expanded best seller, Rogers argues for equal rights in both the church and society for lesbians, gays, bisexuals and

transgendered people He describes how he moved away from opposition to support charts the church's history of using biblical passages to oppress marginalized groups argues for a Christ centered reading of Scripture debunks stereotypes about gays and lesbians and explores texts used most frequently against homosexuals and gay ordination In this newly revised edition he maps the recent progress of major U S denominations toward full equality for LGBT persons adds a new chapter that examines how Scripture is best interpreted by Jesus redemptive life and ministry and updates his own efforts and experiences The book also includes a guide for group study or personal reflection

The Bible and Homosexual Practice Robert A. J. Gagnon, 2010-10-01 Gagnon offers the most thorough analysis to date of the biblical texts relating to homosexuality He demonstrates why attempts to classify the Bible's rejection of same sex intercourse as irrelevant for our contemporary context fail to do justice to the biblical texts and to current scientific data Gagnon's book powerfully challenges attempts to identify love and inclusivity with affirmation of homosexual practice the most sophisticated and convincing examination of the biblical data for our time Jrgen Becker Professor of New Testament Christian Albrechts University

The Origins and Role of Same-Sex Relations in Human Societies James Neill, 2011-10-17 This groundbreaking work draws on a vast range of research into human sexuality to demonstrate that homosexuality is not a phenomenon limited to a small minority of society but is an aspect of a complex sexual harmony that the human race inherited from its animal ancestors Through a survey of the patterns of sexual expression found among animals and among societies around the world and an examination of the functional role homosexual behavior has played among animal species and human societies alike the author arrives at some provocative conclusions that a homosexual or bisexual phase is a normal part of sexual development that same sex relations play an important balancing role in regulating human reproduction that many societies have institutionalized homosexual traditions in the past and that the harsh condemnation of homosexuality in Western society is a relatively recent phenomenon unique among world societies throughout history This well researched and meticulously documented book is the first that integrates into a coherent picture the startling revelations about human sexuality coming from the recent work of sexual researchers psychologists anthropologists and historians The view that emerges of an ambisexual human species whose complex sexual harmony is being thwarted by the imposition of an artificial understanding of nature represents a new way of thinking about sex

As We Await the Blessed Hope Mark Kyriakos, 2015-12-18 Too many books are published today with too little rigor This is a book that has been rigorously researched and written In a world that often seems full of the shallow and superficial it is deep and filled with important insights It is not for everyone but those that make the effort will be richly rewarded Matthew Kelly New York Times bestselling author of Rediscover Catholicism Mark Kyriakos has written a book on Bible prophecy that is most unique among Catholic scholars today It is thoroughly biblical and Catholic It is both scholarly and approachable to read for a serious student of Scripture I welcome it as a fresh offering at a time when we usually read treatments of this topic from a predominantly non Catholic perspective John Michael

Talbot Founder and Minister General of the Brothers and Sisters of Charity Its impossible to understand the whole range of Gods plan and indeed the Gospel message itself without an understanding of the Second Coming and Final Judgment I am grateful for the immense work that Mark Kyriakos has put into this book and for his effort to make these valuable resources available to a wider audience Ralph Martin S T D President Renewal Ministries *Defusing the Sexuality Debate* Mark Vasey-Saunders,2023-06-30 As debates around sexuality rumble on within certain sections of the church and become increasingly entrenched and embittered there is an increasing need from non evangelicals and evangelicals alike to grasp the historical and cultural context in which current debates about sexuality are happening Offering a detailed examination of the development consolidation and fracturing of an evangelical anglican consensus on the sexuality Defusing the Sexuality Debate seeks to explain why current disagreements are so intractable and offer some suggestions as to how all sides could facilitate a more constructive conversation Building on an exploration of the development of tradition and biblical scholarship in evangelical anglicanism during the twentieth century the book makes the case that conflicts over sexuality are symbolic of deeper disagreements over the place of christianity in the modern world **The ^ABible Now** Richard Elliott Friedman,Shawna Dolansky,2011-07-01 In The Bible Now two respected biblical scholars Richard Elliott Friedman and Shawna Dolansky tell us carefully what the Hebrew Bible says or does not say about a wide range of issues including homosexuality abortion women s status capital punishment and the environment In fascinating passages that shed new light on some of today s most passionate disputes the authors reveal how the Bible is frequently misunderstood misquoted mistranslated and misused *Christianity and Sexuality in the Early Modern World* Merry Wiesner-Hanks,2005-06-20 Christianity and Sexuality in the Early Modern World is the first global survey of such for the early modern period Merry Wiesner Hanks assesses the role of personal faith and the church itself in the control and expression of all aspects of sexuality The book ranges over developments within Europe and beyond to the European colonies including Brazil Mexico South Africa and Goa which were establishing themselves around the world Christian missionaries and rituals and structures accompanied all of the imperial powers and the control of the sexuality of both indigenous peoples and colonists was an essential part of policy The book is introduced with a clear original and engaging account of the central concepts in the study of sexuality in Christianity such as shame sin the body marriage and gender Drawing on diverse evidence including literary medical and historical the following sections chart changes in Western Christianity in the Late Middle Ages Protestantism and Catholicism in Europe Orthodoxy in Eastern Europe and Russia and finally the Spanish Portuguese English and Dutch Colonies Merry Wiesner Hanks exciting book covers both the ideas and effects in each period Christianity and Sexuality in the early Modern World includes discursive bibliographies which discuss major books and articles at the end of each chapter

Right here, we have countless book **Homosexuality In The Ancient World Homosexuality In The Ancient World** and collections to check out. We additionally have enough money variant types and as a consequence type of the books to browse. The agreeable book, fiction, history, novel, scientific research, as capably as various other sorts of books are readily genial here.

As this Homosexuality In The Ancient World Homosexuality In The Ancient World, it ends taking place instinctive one of the favored book Homosexuality In The Ancient World Homosexuality In The Ancient World collections that we have. This is why you remain in the best website to look the incredible books to have.
