Welch, 2000 Homosexuality is the hot issue of the day says Edward T Welch in this booklet Even more than abortion it will confront the church throughout this generation forcing us to listen study and respond wisely How can we answer claims that the Bible does not prohibit committed homosexual relationships Or that science proves that homosexuality is genetic not a chosen lifestyle Welch supplies us with timely biblical and biological insight into homosexuality Just as importantly he calls us to examine our attitudes in order to minister to homosexuals truthfully compassionately humbly and persuasively

Homosexuality FAQs - A Christian Perspective eBook Daniel Lim & Ian Toh, 2022-07-22 Homosexuality is not a recent phenomenon or a newly emerged issue It exists since the ancient time despite the suppression by tradition and culture It started to surface in recent years as technology and media have developed in racing speed The society has become more open and acceptive to the topic people started to reflect on the traditional thinking on human relationship voices and discussions regarding homosexuality are getting common The word homosexuality which merely means same sex relationship in the past has evolved to LGBTQ which covers Lesbians Gays Bisexuals Transgenders and Queers nowadays Although there are more discussions do we truly understand LGBTQ How should we discern the right and wrong From Christian perspective how should see it and live with its community Does the Bible provide us the answer In the past when religions are confronted by issues of homosexuality and LGBTQ they would quickly jump into a conclusion such as sin against the nature promiscuity unclean etc On one hand religious communities subconsciously hold different attitudes and mindsets toward LGBTQ community on the other hand media coverage and celebrity influence exalt the revolution and advocacy of LGBTQ so that

people or religious bodies who hold different point of views may be labeled as conservative old fashioned traditional conventional etc Over time a gap has formed between LGBTQ and religious communities Nevertheless before we decide between the right and wrong or give people a label of unrighteousness could we jump out of the endless quarrel opposition or criticism Could we adjust our perspective to understand to observe and to contemplate the matter so that we can better serve this community and walk with them with the love of Christ while we hold on to the law and principle of God

Homosexuality FAQs A Christian Perspective is a wonderful guide for Churches It helps readers to understand the issue more comprehensively find out the viewpoints of the Bible and learn how to reach out and serve LGBTQ community This book clears doubts and confusions on LGBTQ through 10 questions in the first section It tries to rebut general arguments from objective and scientific perspective In the second section it discusses LGBTQ from biblical perspective through 16 questions Lastly the editors laid out 6 questions to discuss the relation between Christians and the society on LGBTQ issue Each answer begins with quick response to give readers the key concept then followed by elaboration and more supplementary information This structure is clear and easy to follow What I appreciate the most is that it does not merely lay out a pile of data and evidence but also shares ministry tips at the end of some answers so that readers can break through the frame of merely knowledge thinking and critique and more important they can learn how to bridge the gap between the LGBTQ and us counsel and serve LGBTQ community Whether you want to know more the issue or feel the burden to serve the LGBTQ community this book is worth to read Bishop Dr Titus Chung Anglican Diocese of Singapore President National Council of Churches of Singapore
