Why Golf? Bob Cullen, 2008-06-30 In the grand tradition of such classics as *Golf in the Kingdom* and *Final Rounds* comes a brilliant consideration of golf's inimitable and ever growing popularity In 1908 Arnold Haultain wrote a delightful book with a deceptively simple title *The Mystery of Golf* It explores the love affair golfers have with their sport and has been a favorite ever since among connoisseurs and students of the game Now more than ninety years later in a thematic continuation of Haultain's enduring treatise Bob Cullen has crafted a literate and thoughtful book that chronicles his own quest to uncover the secrets to the spell that golf has cast on millions *Why Golf* Beginning with that essential question Cullen's fascinating explorations lead readers to a range of exotic and unexpected places of mind spirit and geography Cleverly establishing entirely credible links between seemingly unrelated items from the

brehtaking prowess of Tiger Woods to the Iranian government's near banning of golf to how a baby's smile is related to our love of golf Cullen weaves a rich and amusing tapestry discussing such unexpected subjects as Platonic philosophy and the nature of faith As whimsical and picaresque as it is earnest and intensely personal Why Golf does for America's favorite weekend pastime what Peter Mayle did for the south of France and what George Will did for baseball The Fine Green Line John Newport,2010-01-20 What happens when a man leaves home for a year to pursue his dream One day playing a particularly spectacular round of golf husband and father John Paul Newport suddenly tastes what it's like to be a pro Deciding to take a year off and hit the road playing golf's mini tour circuit Newport embarks on a wild trip through America's fairways Over the course of his journey inside the somewhat shady often hilarious underbelly of professional golf he uncovers a world of people so totally addicted to golf to the delusion of achievable perfection that they sacrifice everything else to the quest He also discovers the nature of his own obsession with the game and how this constant pursuit of perfection on the golf course reflects the same challenges and frustrations one encounters in life What does it take to master such an intricate unpredictable game In golf as in life why is one so consistently incapable of acting up to one's clearly established potential As Newport struggles to cross that Fine Green Line the infinitely subtle yet critical difference between the top golf professionals and those who never quite make it he realizes that life like golf doesn't let you get away with anything This is a story about letting go of fear facing challenges and embracing risks a compelling personal journey that captures many of the frustrations and elations of midlife both on and off the course *The Leadbetter Golf Academy Handbook* ,2014-06-01 Certified instructors Sean Hogan and Kevin Smeltz along with championship golfers Suzann Pettersen and Ian Poulter and World Golf Hall of Fame inductee Nick Price provide invaluable advice on how to improve upon every aspect of the golf game by gaining a clear and concise understanding for each key element of the sport The book shows golfers how to improve their full swing short game practice routines and how to better their mental and physical conditioning strategies The Leadbetter Golf Academy Handbook is a collection of successful blueprints by top notch players and instructors that will help players of all levels improve their understanding and performance THE GOLF PRO HAS Heart: Secrets of Couples Still in Love After 50 Years & A Private Look Behind the Curtain of The Professional Golf Tour John A.
