Richard M. Robin, Karen Evans-Romaine, Galina Shatalina, 2023-06-20 A Basic Course in Russian Book Two Sixth Edition takes a contemporary approach to language learning by focusing on the development of functional competence as well as the expansion of cultural knowledge. The sixth edition of this bestselling communicatively based text for Russian has been updated by putting a greater focus on contemporary culture and simplified visual grammar explanations that will better engage students. The program also covers the basic morphology of Russian declension, case government, conjugation. The program has been a bestseller as a college Russian textbook through five editions since 1993. Following on from Golosa Book One, Golosa Book Two is divided into ten units. Organised thematically, each unit contains dialogs, texts, exercises, and other material designed to enable students to read, speak, and write about the topic as well as to understand simple conversations. The systematic grammar explanations and exercises enable students to develop a conceptual understanding and partial control of all basic Russian structures. This strong structural base enables students to accomplish the linguistic tasks and prepares them for further study of the language. Book Two is designed to bring students to the ACTFL Intermediate range in speaking A2-B1 on the CEFR scale. Print and eTextbooks are accompanied by a Student Workbook and a rich companion website [www.routledge.com/cw/golosa](http://www.routledge.com/cw/golosa) offering audio and video material, instructor resources, and fully integrated exercises to use alongside the text. The companion website powered by Lingco is available for separate purchase from Lingco. Teachers can preview the new companion websites and create their courses. Free audio and video resources are also available at [www.routledge.com/cw/golosa](http://www.routledge.com/cw/golosa) including the Instructor Resources. For resources on how to set up and customize your course, please visit the Help Center on the Lingco Language Labs website at [www.lingco.io](http://www.lingco.io). It includes articles that explain how the platform works and what you can do with it. Students may join their teacher's course on Lingco and will be able to enter their access code or purchase access at any point in the 14-day grace period that begins on the first date of access. Students receive 12 months of access that begins after a free 14-day grace period.

**Cases on Communication Technology for Second Language Acquisition and Cultural Learning** Aitken, Joan E., 2013-08-31 For teachers of English, connecting with non-native students can pose significant problems, but communication technologies may offer a viable solution. *Cases on Communication Technology for Second Language Acquisition and Cultural Learning* provides educators with valuable insight into methods and opportunities for using technology to teach students learning a foreign language. Theoretical and pragmatic cases illustrate teaching strategies and methodologies, hardware and software development, administrative concerns, and cross-cultural considerations with respect to effective educational technologies. Educators and students as well as administrators and developers will use this book to improve the effectiveness of second language curricula across a variety of intercultural perspectives.
