Perfect Word Pictures Reveal a Perfect God Richard G. Starshak,2022-12-22 Is it really possible to look out at everything in front of us all the visuals images and word pictures in fact all of creation and still miss the main point Are we missing what God is shouting out to us to see Are we missing so much of a perfectly designed universe filled with multitudes of pictures and images right before us as we hurry through life Herein lies a much deeper discovery of how much God has

laid before us in declaring who He is what He is doing through His perfect creation through His own figurative language and through an unlimited amount of visual images specifically revealing a God who wants to be known and how we are to respond to it all *The Children's Friend* ,1912 **African and European Readers of the Bible in Dialogue** J.
