The Death of the Artist William Deresiewicz,2020-07-28 A deeply researched warning about how the digital economy threatens artists lives and work the music writing and visual art that sustain our souls and societies from an award winning essayist and critic There are two stories you hear about earning a living as an artist in the digital age One comes from Silicon Valley There s never been a better time to be an artist it goes If you ve got a laptop you ve got a recording studio If you ve got an iPhone you ve got a movie camera And if production is cheap distribution is free it s called the Internet Everyone s an artist just tap your creativity and put your stuff out there The other comes from artists themselves Sure it goes you can put your stuff out there but who s going to pay you for it Everyone is not an artist Making art takes years of dedication and that requires a means of support If things don t change a lot of art will cease to be sustainable So which account is true Since people are still making a living as artists today how are they managing to do it William Deresiewicz a leading critic of the arts and of contemporary culture set out to answer those questions Based on interviews with artists of all kinds *The Death of the Artist* argues that we are in the midst of an epochal transformation If artists were artisans in the Renaissance bohemians in the nineteenth century and professionals in the twentieth a new paradigm is emerging in the digital age one that is changing our fundamental ideas about the nature of art and the role of the artist in society

Fifty Shades of Grey: A 30-minute Summary of the E L James Novel Instaread Summaries,2014-10-21 PLEASE NOTE This is a summary of the book and NOT the original book *Fifty Shades of Grey* A 30 minute Summary of the E L James Novel Inside this Instaread Summary Overview of the entire book Introduction to the Important people in the book Summary and analysis of all the chapters in the book Key Takeaways of the book A Reader s Perspective Preview of this summary Chapter 1 Anastasia agrees to go to Seattle to interview the mysterious CEO of Grey Enterprises Holdings Inc for the student newspaper in place of her ailing roommate Kate Kavanagh She arrives and is greeted by a young blonde receptionist She is directed to the twentieth floor As she waits she studies the questions Kate wants her to ask wishing she knew more about the CEO Mr Christian Grey Anastasia falls walking into Mr Grey s office and he helps her up She is shocked by how young and attractive he is She tells him Miss Kavanagh was unable to be there so she came in her place Ana awkwardly asks him the

questions on Kate's list. In response, Christian tells her it is his ability to judge people and hard work that have led to his success. Ana is disturbed by his arrogance but he seems amused by her. As they wrap up the interview, Christian asks Ana about her plans for after graduation. He mentions the excellent internship program at Grey Enterprises Holdings Inc. Ana tells him that she does not think she would fit in there. He walks her to the elevator and helps her put on her jacket. She gasps at his touch. He enjoys her reaction.

Chapter 2: After the interview, Ana is overwhelmed by her unexpected response to Christian Grey. When she arrives home, Kate begs for details. Ana tells her that Christian Grey is very intense. Ana scolds Kate for not giving her more background information on Christian Grey for the interview, and Kate apologizes. Kate later tells Ana she did an excellent job with the interview and given her great stuff to use in the article. She only wishes she had a recent picture to go with it. It is Friday night, and Ana's friend Jose shows up at the door with a bottle of champagne. Jose is a photographer. A Portland art gallery is going to showcase his work. He wants to celebrate with his friends. On Saturday, Ana is at the check-out counter at the hardware store where she works when she looks up and sees Christian Grey. He tells her he was in the area and needs to stock up. He asks for cable ties, and she shows him where they are. He explains that he is visiting the Washington State University (WSU) farming division because he is currently funding research there on crop rotation and soil science. They talk about the interview, and Ana tells him about Kate's desire for a current photo of him.

The Dance Club Robert Lee, It was mere mommy porn. All the critics agreed so why did their wives find *Fifty Shades of Grey* so enthralling? Three middle-aged husbands feel that it is their duty to conduct research into the power of this book and what better place to start than with the women in their ballroom dance club. Or so the male bravado suggested. But who has the courage or the foolhardiness to take the first step? Will it be methodical Frank, man-child Rod, or leap before you look Dave? Like school kids on the playground, once each has been dared to delve into the world of Ana and Christian and their odd sexual fantasies, he cannot turn back. But age does not bring wisdom, particularly to these men. How will they proceed? Internet, late-night erotic movies, gentlemen's clubs. Dave has his own theories, and being a practical concrete thinker, he must conduct his own experiments on the deviances that Grey loves. In private, of course, until his wife and her girlfriends, the spouses of friends Rod and Frank, accidentally happen upon him. Rod and Frank believe that they can put their research to best use by choreographing a dramatic dance sequence for the rest of the dance club. That too may have unintended consequences.

The Dance Club 50 *Shades of Turning Grey* is a frantic comedic tale of misdirection, misinformation, and mistake, but it is a joyous look at the world of old men who have never grown up. The *Dance Club* series of novellas will keep you smiling as you nod your head in agreement with each of the antics and say to yourself, "Damn, I wish I had thought of trying that."
