The Practitioner's Guide to Working with Families Margaret Bell,Kate Wilson,2017-03-14 This book offers a clear and coherent guide to working with families for practitioners and students in social work health counselling and related professions It brings together recent thinking on the historical and contemporary constructions of the family in such a way as to provide a helpful framework for practitioners working in a variety of settings in the field It offers up to date information on political legislative and theoretical frameworks and it reviews and illustrates a wide range of approaches and practice skills for working with families with different problems in different contexts

International Handbook of Behavior Modification and Therapy Alan S. Bellack,Michel Hersen,Alan E. Kazdin,2012-12-06 It is particularly gratifying to prepare a second edition of a book because there is the necessary implication that the first edition was well received Moreover now an opportunity is provided to correct the problems or limitations that existed in the first edition as well as to address recent developments in the field Thus we are grateful to our friends colleagues and students as well as to the reviewers who have expressed their approval of the first

edition and who have given us valuable input on how the revision could best be structured Perhaps the first thing that the reader will notice about the second edition is that it is more extensive than the first The volume currently has 41 chapters in contrast to the 31 chapters that comprised the earlier version Chapters 3 9 29 and 30 of the first edition either have been dropped or were combined whereas 14 new chapters have been added In effect we are gratified in being able to reflect the continued growth of behavior therapy in the 1980s Behavior therapists have addressed an ever increasing number of disorders and behavioral dysfunctions in an increasing range of populations The most notable advances are taking place in such areas as cognitive approaches geriatrics and behavioral medicine and also in the treatment of childhood disorders

Groupwork with Children of Battered Women Einat Peled,Diane Davis,1995 HOW TO MANUAL FOR SUCCESSFULLY OPERATING A GROUP PROGRAM FOR 4 12 YEAR OLD CHILDREN OF BATTERED WOMEN **Working with Child Abuse and Neglect** Vernon R. Wiehe,1996-06-24 How do you intervene in abusive and neglectful families or prevent maltreatment in families at risk How can you find the answers you need in the overwhelming array of information now available on the subject In Working with Child Abuse and Neglect author Vernon R Wiehe helps you focus by evaluating a wealth of references to current published literature and pinpointing the practical applications that put these findings into action Condensing the explosion of knowledge about child maltreatment into one provoking yet accessible primer Wiehe first offers a historical perspective on child maltreatment and an assessment of the scope of the problem He also discusses theoretical perspectives for understanding the problem and specific treatment and prevention techniques Information on state and national organizations working in the field illustrates not only the size of the problem but also the mobilized efforts to stem child abuse and neglect As well as a balanced introduction Working with Child Abuse and Neglect serves as a springboard to important sources of additional knowledge Ideal for upper division undergraduates as well as graduate students and anyone in the helping professions who is beginning to work with victimized children Working with Child Abuse and Neglect provides a sound assessment of the state of the literature and application in this expanding area of study and practice In addition the handy reference value of this volume will appeal in particular to social workers counseling and clinical psychologists and nurses *Therapeutic Work with Sexually Abused Children* Randall Easton Wickham,Janet West,2002-03-08 This book is a practical and supportive guide for the professionals facing this traumatic subject It is easily readable Journal of Child and Adolescent Mental Health Therapeutic Work With Sexually Abused Children locates the practice experience of the authors within a rigorous theoretical framework and is a readable and useable guide to the complexities of helping children and adolescents who have suffered the trauma of sexual abuse Youth Policy It is refreshing to find child therapists ready to engage with sexually abused children by incorporating trauma theory and research addressing child protection and seeing themselves as part of a team that includes the carers The authors provide an overview of phases of treatment theoretical considerations and essential skills They emphasize the importance of relationship and

explore its impact on the therapist Their approach is creative and child centered Case vignettes poems and exercises promote empathy with the child s perspective There is a useful chapter on cultural issues and the needs of children in alternative care this is an excellent primer for the child s helping network Community Care This is an excellent book for workers seeking to respond more effectively to child victims of abuse David Pearson Caring Magazine Therapeutic Work with Sexually Abused Children is a creative and practical guide for professionals working directly with those who have suffered sexual abuse and for their carers The trauma of sexual abuse experienced in childhood can be severe and enduring Therapeutic support is offered to help both the child and the family cope with psychological or emotional difficulties both currently and in later life Therapists must be able to respond effectively to the child victim in a sensitive and timely way which prioritizes the needs of each child Drawing on their experience as practitioners the authors explore the reactions which children commonly experience following abuse and examine the tasks of the therapist in responding to them This book explores the counselling of children who have been abused rather than adult survivors of child abuse The book will benefit from the combined experiences of one US author and one UK author *Assessing Allegations of Sexual Abuse in Preschool Children* Sandra K. Hewitt,1999 Written to help frontline practitioners assess and manage cases with children aged 18 months to six years who present allegations of child abuse this book provides concrete and easily understood information about basic child development interview procedures and case management theory Extensive experience is integrated with the research literature to provide an overview of child development information as it applies to interviewing young children a protocol for assessment of preverbal children that is grounded in theory and research a format for assessment of children aged three to five a review of the strengths and weaknesses of some current interview formats a technique for structured interviewing **Cognitive Processing Therapy for Rape Victims** Patricia A. Resick,Monica Schnicke,1993-06-02 Sexual assault is a traumatic event from which many survivors never fully recover They may develop a range of disorders including post traumatic stress disorder depression poor self esteem interpersonal difficulties and sexual dysfunction This volume provides insight into the effects of rape and explores a treatment approach that assists in the healing process **Homicide: The Hidden Victims** Deborah Spungen,1998 The author of this groundbreaking volume is not only a social scientist and victim advocate she is also the mother of a murder victim Deborah Spungen illustrates how and why family members become co victims when a loved one is murdered and she poignantly addresses the emotional physical spiritual and psychological effects of such traumatic events These invisible victims often find their wounds compounded by confusion and a sense of aloneness in the aftermath of such a tragic event The author draws on research personal insight and case examples to illuminate critical issues that surround family notification of a loved one s murder effects of murder on family and friends of the victim media influences traumatic grief circumstantial influences the criminal justice system and reconstruction and healing The book will be invaluable for mental health practitioners and victim advocates
