Rivera M. Ed,Natalie Rivera,2019-10-26 Being a life coach is a fulfilling way to make money doing what you love while making a difference But the truth is that not all life coaches are successful Some never learn the skills they need to create a thriving business and others get stuck because they re only able to reach a certain level of success and income by meeting one on one with clients There is only so much time in a day some of which is spent on marketing and other business related stuff Once a coach fills their schedule with clients they reach the ceiling of their growth Their only option is to raise their rates but this isn t always easy or even appropriate depending on the population they serve The good news is that there is a way to serve more people and increase revenue at the same time The secret to creating a successful life coaching business is offering group life coaching programs Think about it much of what you do with each client is exactly the same If you say the same thing 10 times to 10 different people why not say it to all of them at once If you develop a program out of your coaching process you can walk a group of people through the same coaching activities and steps together By creating a group coaching business you can 1 reach more people in less time 2 offer an easy to sell low cost option 3 upsell your favorite clients to one on one coaching 4 create a more predictable schedule and income and 5 increase

your per hour revenue 50 x 10 is greater than 150 x 1 In this book you will find the exact blueprint that thousands of our life coaching students have used to create their own group life coaching programs You ll learn everything you need to 1 turn the process you use with your clients into a complete group coaching curriculum 2 learn professional communication and facilitation skills so you can effectively manage and lead your group and 3 structure your offer set your price and create marketing campaigns that fill your groups
