Martin, 2001 Science fiction roman *All the Dreams We've Dreamed* Rus Bradburd, 2018-05-01 In the Margins Book Award Winner Shawn Harrington returned to

Marshall High School as an assistant coach years after appearing as a player in the iconic basketball documentary film *Hoop Dreams*. In January of 2014 Marshall's struggling team was about to improve after the addition of a charismatic but troubled player. Everything changed, however, when two young men opened fire on Harrington's car as he drove his daughter to school. Using his body to shield her, Harrington was struck and paralyzed. The mistaken identity shooting was followed by a series of events that had a devastating impact on Harrington and Marshall's basketball family. Over the next three years, as a shocking number of players were murdered, it became obvious that the dream of the game providing a better life had nearly dissolved. *All the Dreams We've Dreamed* is a true story of courage, endurance, and friendship in one of America's most violent neighborhoods. Author Rus Bradburd, who has an intimate forty-year relationship to Chicago basketball, tells Shawn's story with empathy and care, exploring the intertwined tragedies of gun violence, health care failure, racial assumptions, struggling educational systems, corruption in athletics, and the hope that can survive them all. *Captain Darryl Sittler*, Mike Leonetti, 2016-10-25

The incredible story of the life and phenomenal career of one of the greatest players ever to wear a Maple Leafs uniform, told through stories and never-before-seen photographs. Darryl Sittler may well be best remembered for two of the most remarkable performances in the history of the National Hockey League. On February 7, 1976, he scored six goals and added four assists for an NHL record total of ten points in a game. That spring, he joined Maurice Richard in hockey history by recording five goals in one playoff game. He also scored one of the most famous goals in hockey history: the overtime goal against Czechoslovakia to win the 1976 Canada Cup. Now 27, he looks back at his incredible career and greatest moments on and off the ice. He writes about growing up in St. Jacobs, Ontario; his days in junior hockey with the London Knights; and his rookie year in 1970-71. Also included are his personal reflections on some of his greatest teammates: Lanny McDonald, Borje Salming, Ian Turnbull, and Mike Palmateer, to name a few, and his encounters with his greatest rivals: Bobby Orr, Phil Esposito, Bobby Hull, Brian Trottier, Bobby Clarke, Guy Lafleur, Ken Dryden, and Larry Robinson. He recounts his childhood hockey heroes waiting in the cold outside an arena in Kitchener for Bobby Hull's autograph; his years playing for Philadelphia and Detroit; his induction into the Hall of Fame; and deep devotion to his family. Full of great anecdotes from his personal and professional life, this is an inspiring, revealing book by a revered leader and legend in hockey history. *Sean Bhean Bhocht*, 1897

**River for the Unrequited** W.L. Liberman, 2023-08-16

Harried writer Bernard Goldman is about to discover that the greatest challenges are those that are closest to home. Somehow he gets roped into an eco-rafting trip down the pristine Jennings River in Yukon to bond with his son, Sergeant Sean Goldman, who suffers from extreme PTSD after a disastrous tour in Afghanistan. But can the wilderness adventure heal the hidden cracks in Bernie's marriage, help Sean find his way, and give Bernie a path forward to reconcile with his famous father, Ephraim? *Time for Raine* C. Barry Denham, 2017-04-28

Sean Sampson's adopted Chinese daughter, Raine, is discovered to have a rare, hyper-intelligent ability to see the future. Realizing this could mean trouble, Sean solicits the help of renowned child psychologist Dr. Noelle Victor. The

chemistry sizzles as they deal with Raine's evaluation and rise to prominence. When Raine exposes the corruption of a powerful U.S. Senator, danger ensues. None of the threats, however, can compare with their struggle to protect the child from her own remarkable intellect and a fanatical loyalist of the Senator who will stop at nothing to extract revenge. *Away with the Fairies* J. McKeaveney, 2013-05-17. Set against the backdrop of 1980s Northern Ireland and New York City, *Away with the Fairies* tells the story of one young woman's quest to find love, adventure, and happiness. To be away with the fairies means that someone is not quite right in the head, and such is the case with Rosie Maguire. Rosie's story is an old one about the unfathomable capacity of one person to love another. Rosie lives to love and loves to live. Her story is both funny and tragic, encompassing Rosie's journey from innocence to enlightenment. Rosie is in love with Jim O'Loan and believes she cannot live without him. She follows him to New York from her home in Ireland, where she finds she cannot live entirely with him either. Rosie's inner conflict is exacerbated by homesickness and the thought of all she has left behind in Ireland. Her friends and family, her ambitions and dreams, are put on hold while Rosie embarks on her great adventure in New York. Also in the background, always annoying her, taunting her, and making her feel extremely confused is Sean O'Loan, Jim's older brother. It will take a major trauma, a return home, and a long time before Rosie is able to fulfil her dreams. *United States of America Congressional Record, Proceedings and Debates of the 113th Congress Second Session Volume 160 - Part 3*, **The Jesus Seed** Del Walters, 2010-11-12. Hitler believed the Lance of Longinus, or the spear used to pierce the side of Jesus while he hung on the cross, would make him immortal. Michael Ude believes it contains the actual DNA of Christ. When that DNA is stolen, the delivery of a single video tape sets the faith-based community on its head. The tape claims to contain footage of a woman who is carrying the Jesus Seed, or Christ's clone. But that is just the beginning of an all-out war on Christianity. It begins when a suicide fighter pilot files a supersonic jet into the Christ the Redeemer Statue in Brazil. Then a woman named Mary is infected with the deadly Ebola virus under a giant cross in Illinois. Suddenly, suicide bombers target Notre Dame in Paris, the National Cathedral, and Mormon Temples in Washington D.C. But these terrorists aren't Islamic. They're faithful Christians. Behind it all, a billionaire bent on revenge and a Catholic Cardinal, both convinced the Apocalypse is already happening. *The Jesus Seed* is set against a factual backdrop that says human cloning is not only possible but probably has already happened. *The Jesus Seed* examines what would happen if science brought about the Apocalypse as called for in the book of Revelations. *The Jesus Seed* is a head-on battle between science and faith. It's a life and death race against a centuries-old biblical deadline: the birth of Christ. Will history repeat itself? Three decades after the cloning of Dolly the Sheep and Baby Louise Brown, is it really possible to clone Jesus? What role will race play? These are just some of the questions explored in Del Walters' explosive follow to *The RACE* and *Wereth the Black Parade*. *The Jesus Seed* *Children and Cultural Memory in Texts of Childhood* Heather Snell, Lorna Hutchison, 2013-11-07. The essays in this collection address the relationship between children and cultural memory in texts, both for and about young people. The collection overall is

concerned with how cultural memory is shaped contested forgotten recovered and re circulated sometimes in opposition to dominant national narratives and often for the benefit of young readers who are assumed not to possess any prior cultural memory From the innovative development of school libraries in the 1920s to the role of utopianism in fixing cultural memory for teen readers it provides a critical look into children and ideologies of childhood as they are represented in a broad spectrum of texts including film poetry literature and architecture from Canada the United States Japan Germany Britain India and Spain These cultural forms collaborate to shape ideas and values in turn contributing to dominant discourses about national and global citizenship The essays included in the collection imply that childhood is an oft imagined idealist construction based in large part on participation identity and perception childhood is invisible and tangible exciting and intriguing and at times elusive even as cultural and literary artifacts recreate it *Children and Cultural Memory in Texts of Childhood* is a valuable resource for scholars of children s literature and culture readers interested in childhood and ideology and those working in the fields of diaspora and postcolonial studies

Tris doesn't know where to turn Can she find the courage to navigate her way home *The Churchill Complex* Ian Buruma, 2021-09-07 Stimulating and highly readable *The Churchill Complex* is a rich and rewarding book Wall Street Journal From one of its keenest observers a brilliant witty journey through the Special Relationship between Britain and America that has done so much to shape the world from World War II to Brexit It is impossible to understand the last seventy five years of American history through to Trump and Brexit without understanding the Anglo American relationship particularly the bonds between presidents and prime ministers FDR of course had Winston Churchill JFK had Harold Macmillan his consigliere during the Cuban Missile Crisis Ronald Reagan found his ideological soul mate in Margaret Thatcher and George W Bush found his fellow believer in religion and in war in Tony Blair Today the bond between Donald Trump and Boris Johnson illuminates the populist uprisings in both countries as well as a new kind of Special Relationship that goes against everything it once stood for Remembering the past even its most glorious moments can be as misleading as forgetting it Over and over in the name of freedom and democracy British and especially American leaders have evoked Winston Churchill as a model for brave leadership and Neville Chamberlain to represent craven weakness As Ian Buruma shows in his dazzling short tour de force of storytelling and analysis the myths of World War II too often resulted in bad policies and foolish wars But *The Churchill Complex* is much more than a reflection on the weight of Churchill's legacy and its misuses At its heart are shrewd and absorbing character studies of the president prime minister dyads which in Ian Buruma's gifted hands serve as a master class in politics diplomacy and the personal quirks of our leaders It has never been a relationship of equals from Churchill's desperate cajoling and conniving to keep FDR on his side in World War II British prime ministers have put much more stock in the relationship than their US counterparts After the loss of its once great empire Britain clung to the world's greatest superpower as a path to continued relevance and leverage As Buruma shows this was almost always fool's gold and now the alliance has floundered on the rocks of isolationism *The Churchill Complex* may not have a happy ending but as with Ian Buruma's other works piercing lucidity is its own lasting comfort **Cougar Mountain Ambush** Kathie Ridings, 2023-05-23
