Becoming Free Indeed Jinger Vuolo, 2023-01-31 New York Times Bestseller on disentangling faith but keep your belief in Jesus intact Jinger Vuolo the sixth child in the famous Duggar family of TLC s 19 Kids and Counting and Counting On recounts how she began to question the unhealthy ideology of her youth and learned to embrace true freedom in Christ When Jinger Duggar Vuolo was growing up she was convinced that obeying the rules was the key to success and God s favor She zealously promoted the Basic Life Principles of Bill Gothard fastidiously obeying the modesty guidelines no shorts or jeans only dresses eagerly submitting to the umbrella of authority any disobedience of parents would place her outside God s protection promoting the relationship standard of courtship and avoiding any music with a worldly beat among others Jinger along with three of her sisters wrote a New York Times bestseller about their religious convictions She believed this level of commitment would guarantee God s

blessing even though in private she felt constant fear that she wasn't measuring up to the high standards demanded of her. In *Becoming Free Indeed*, Jinger shares how in her early twenties a new family member, a brother-in-law who didn't grow up in the same tight-knit conservative circle as Jinger, caused her to examine her beliefs. He was committed to the Bible but he didn't believe many of the things Jinger had always assumed were true. His influence, along with the help of a pastor named Jeremy Vuolo, caused Jinger to see that her life was built on rules, not God's Word. Jinger committed to studying the Bible, truly understanding it for the first time. What resulted was an earth-shaking realization: much of what she'd always believed about God, obedience to His Word, and personal holiness wasn't in line with what the Bible teaches. Now, with a renewed faith and personal conviction, *Becoming Free Indeed* shares what it was like living under the tenants of Bill Gothard, the Biblical truth that changed her perspective, and how she disentangled her faith from her belief in Jesus intact.

Counting the Cost Jill Duggar, 2025-02-11 For the first time, discover the unedited truth about the Duggars, the traditional Christian family that captivated the nation on TLC's hit show *19 Kids and Counting*. Jill Duggar and her husband, Derick, are finally ready to share their story, revealing the secrets, manipulation, and intimidation behind the show. In this no-holds-barred People Instant New York Times bestseller, Jill and Derick knew a normal life wasn't possible for them. As a star on the popular TLC reality show *19 Kids and Counting*, Jill grew up in front of viewers who were fascinated by her family's way of life. She was the responsible second daughter of Jim Bob and Michelle's nineteen kids, always with a baby on her hip and happy to wear the modest, ankle-length dresses with throat-high necklines. She didn't protest the strict model of patriarchy that her family followed, which declares that men are superior, that women are expected to be wives and mothers, and are discouraged from attaining a higher education, and that parental authority over their children continues well into adulthood, even once they are married. But as Jill got older, married Derick, and they embarked on their own lives, the red flags became too obvious to ignore. For as long as they could, Jill and Derick tried to be obedient family members, but now they're raising a family of their own, and they're done with the secrets. Thanks to time, tears, therapy, and blessings from God, they have the strength to share their journey. Theirs is a complicated, remarkably relatable story of faith and family loyalty, a Salon and a moving example of how to find healing through honesty.

People Pleaser Jinger Vuolo, 2025-01-14 Are you a people pleaser? Can you even begin to measure how the approval of others has shaped your heart and mind? Your faith and relationships? Your habits and identity? In *People Pleaser*, New York Times bestselling author Jinger Vuolo shares her personal journey of constantly seeking approval from others and how she found her true identity. From childhood to early adulthood, Jinger Duggar Vuolo followed the expectations of others, never taking the time to discover who she truly was. It wasn't until she asked herself the question, "Who am I?" that she realized she was a people pleaser. This realization led her on a journey of self-discovery and ultimately to rely on God for her approval and sense of self-worth. Through her faith and reliance on God, Jinger began to break free from the need for approval and discover true freedom. This book is a guide for anyone struggling with people-pleasing tendencies and
