Schmidt M.A. R.N., 2016-10-12 Late one night the author was startled awake by a loud voice saying You have been chosen She discovered the voice was in her mind She said out loud To do what The answer was To write your books She was astounded It was only then when she was rocked to her core by these spiritual happenings that had no rational explanation that she realized there was definitely another dimension to her life She was changed forever not all at once but little by little over many years This is the revealing story of those amazing and profound occurrences Until now she has never spoken about them because she thought her friends and family would think she was crazy Its only now more than twenty five years later that she has found the courage to share her spiritual journey The title *It May Be Simple But It Isn't Easy* suggests that some of us know we can connect with God and the Holy Spirit but how many of us actually do so on a regular basis How many of us remember to forgive everyone and or send love to all that we meet This is the true story of the authors spellbinding spiritual journey and how she learned to become a spiritually based courageous woman **As I grow up** , Life is a journey of many of years in the past and future Many people that have taken life seriously have achieved their goals and have ended up being celebrated Life always give us an opportunity to succeed In this book I present to you some steps of how you can succeed in your life These steps are part of other many steps that different persons have used to achieve their destiny The concepts of life listed in this book are not a substitute to the instruction of God I must say that success is not easy journey For one to succeed one should be prepared to work hard and harder One should also be prepared to sacrifice Success is ordained by God People that have genuinely succeeded would testify how God has blessed them and managed to achieve there goals So I encourage you to read this book and always remember that success is your God given anointing *Loving Isn't Easy* J.
