HOLT Physics

The background of the cover is a dark, abstract composition. It features several bundles of fiber optic cables that appear to be glowing with a blue and white light. These cables are arranged in a way that suggests light being transmitted through them. In the lower right quadrant, there is a prominent, glowing blue sine wave, which likely represents a light wave or a signal. The overall color palette is dominated by deep blues, purples, and a bright yellow-green at the bottom left where the equation is located.
