The Athenaeum, 1856 **Athenaeum** James Silk Buckingham, John Sterling, Frederick Denison Maurice, Henry Stebbing, Charles Wentworth Dilke, Thomas Kibble Hervey, William Hepworth Dixon, Norman Maccoll, Vernon Horace Rendall, John Middleton Murry, 1858 **The Road to Jerusalem** F. Thomas Noonan, 2007-04-24 The history of early modern travel is captured in its volatile and evolving literature From the middle of the 1400s what had been for centuries a travel literature of pilgrimage to the Holy Land underwent two modernizations in rapid succession The first in the wake of Gutenberg was the casting or recasting of pilgrims accounts in the new medium of print By the waning of the fifteenth century such printed literature had reconfirmed and enhanced long distance pilgrimage as the primary narrative of European travel The second forged by the great discoveries and reformations of the sixteenth century reworked and enlarged again in the revolutionary medium of print the very content of European travel Travel and its literature ceased to be simply or even largely a matter of pilgrimage to the Levant The labors of Columbus Cort s and Magellan but also of Luther Zwingli and Calvin had altered the appearance complicated the ambitions and shifted the focus of much European travel The Road to Jerusalem traces the survival of the literature of pilgrimage as part of the literature of travel from the late fifteenth to the eighteenth century when powerful forces ranging from navigation to theology were redefining what it meant to go abroad Accounts of discovery exploration scientific expeditions tours and other species of travel crowded a field that had once been dominated by accounts of pilgrimage Yet pilgrimage did not disappear or retreat to the margins under pressure from these new forms of travel Its survival and development as a rendition of travel and not only as an expression of piety are documented by a massive body of printed literature largely overlooked by modern scholarship that in its turn chronicles continuity and change across centuries of not just European travel but European history and culture in general
