Amato, 2021-04-19 Unknowingly to me the writing of this book commenced decades ago while traveling my thirty five state territories as a tractor trailer driver Listening to volumes of the Bible on cassette tapes I often felt compelled to pull over and write on various issues as they occurred to me Across the years I improved but not until I became a serious reader did I develop my present style through the influence of various prolific authors GK Chesterton C S Lewis John MacArthur and others This book is a collection of theological essays poetry and short stories some of which are true stories of my road trips and life experiences In a backsliding state however some old bad habits revisited landing me in prison As I entered my first jail cell it was vacant except for a beautiful leather bound NKJ version of the Bible and a copy of a Strong's Concise

Concordance of the Bible still sealed in cellophane wrap That my friends I needn't say but I will anyway is an unheard of incident in 10 million vacant jail cells So now I had just what I would need to polish my previous work the time pardon the pun and the equipment For my familiarity with the Bible was exhaustive but only on tape so the concordance was what I would need to find my way around This was to me a sign from God clearer than words In addition to reading and writing I lead Bible study in county jail and eventually in state prison I shared my work from the pulpit at our chapel It was then that I felt lead to compose this book however it was the Holy Spirit's help and energy who made it happen I pray that it produces the ends to which it is sent multiplying the faithful among men in Christ Jesus Remember to pray for the men and women who have lost their way **The Methodist Review** ,1928 **Proceedings of the Massachusetts Bible Society** Massachusetts Bible Society,1911 **Poetry in Devotion** Elliot Sexton Fuller,2017-03-10 This book of poems and meditations is the product of my life's trials triumphs and contemplations The vast majority was written in the last two years I have been what most would consider a devout follower of Christ since about the age of five or six The journey has been long and arduous at times and there have been many times when I have asked God Where are you Mark Twain's Literary Resources Alan Gribben,2024-10-15 Dr Alan Gribben a foremost Twain scholar made waves in 1980 with the publication of Mark Twain's Library a study that exposed for the first time the breadth of Twain's reading and influences Prior to Gribben's work much of Twain's reading history was assumed lost but through dogged searching Gribben was able to source much of Twain's library Mark Twain's Literary Resources is a much expanded examination of Twain's library and readings Volume I included Gribben's reflections on the work involved in cataloging Twain's reading and analysis of Twain's influences and opinions This volume long awaited is an in depth and comprehensive accounting of Twain's literary history Each work read or owned by Twain is listed along with information pertaining to editions locations and more Gribben also includes scholarly annotations that explain the significance of many works making this volume of Mark Twain's Literary Resources one of the most important additions to our understanding of America's greatest author
